Ricky Martin Its A Crazy Life:

Ricky Martin Cathy Alter Zymet,2013 A biography of a young man from Puerto Rico who is committed to teaching the world about his Latin heritage through music *Got Inspiration? 365 Days of Inspiration for You!* Lisa Head,2018-01-02 Inspiration can be a powerful tool for your mind Inspiration can aid in you achieving what you wish to achieve in your life This book includes daily doses of inspiration to help and inspire you People places and things are described here to share the inspiration that can be discovered all around us The 365 daily doses of inspiration can lead to inspiration and bright days for you *Ricky Martin* Rene Cruz,1999 Traces the life and career of the popular Latin singer and actor and discusses the reasons for his success *The Man Who Cared Too Much* Darryl Kennedy,2013-04-30 He s so funny Ma Uncle s a bit like the Devil isn t he if he knew the truth he d only lie about it Devil or not you won t pull the wool over his eyes He s always ten steps ahead He s like that electric hare at the greyhound races you re never going to catch him no matter how hard you try Not a black hearted liar more Prince of Fibs Teresa s uncle keeps everyone on their toes Rich a scholar and ex national boxing champion some say a Communist crackpot Fergus O Flynn with devilish cunning teaches his pretty teenage niece higher things of life even citing scripture and how to fight dirty take care of herself on Hope Street where she s considered easy bait walking home from school Neglect had once been his demon allowing his own sister to die He was never to let that happen again Teresa prefers to watch the world from her giant fig tree One day she is stirred into action saving a street girl savagely beaten She takes revenge a plot unexpectedly hatched by her uncle Set in Australia s Tropics more about school assignments than school proms of an uncle who brings richness to Teresa s life in guiding her to self acceptance while continually working behind the scenes But Fergus is like those painted Russian dolls out they come small large larger again all empty as before Or is he His fourth novel Darryl Kennedy is a retired English teacher now writing fulltime in Australia

The Good, the Bad and the Ugly Richard Taylor,2024-08-01 The book takes 45 chart toppers and writes their story The music the lyrics the artists producers and writers are all discussed as well as any side or back stories to do with the single For example when and how Release Me by Engelbert Humperdinck kept Penny Lane Strawberry Fields by The Beatles off the top spot in 1967 is discussed in Chapter 4 Another example of a you could not make it up back story might be the that the writer of Grandad by Clive Dunn from 1971and a light novelty No 1 song was also the bass player on Lou Reed s hit single Walk On The Wildside a heavy weight dose of art rock with dubious lyrics which came out in November 1972 Perhaps you could not get too more contrasting songs for Herbie Flowers to be involved in I picked 45 singles as that was the rpm speed of a typical 7 inches vinyl single in the 1960s With regard to time span I took one No 1 single per year between 1964 and 2006 that would be 43 songs and I added in two bonus tracks to make 45 This was when Top Of The Pops was running on BBC TV and seemed an appropriated year span for the book I wanted to mix up the No 1 singles not just to get the best selling or most popular song of a particular year I chose pop songs novelty songs children s songs and all time classics to

have a range of mixed up No 1s This is hopefully a particular unique selling point of the book where I compare and contrast the mixed up No 1s and try to explain just how for example Mr Blobby by Mr Blobby would be an unlikely No 1 in 1993 while an all time classic Love Is All Around from Wet Wet Wet could be an obvious No 1 in 1994 Just how is it that these two songs could both be chart toppers in the same chart It is certainly a bit weird and this is something I try to explain in the book I have taken as the book title the 1968 chart topper which I write about in Chapter 5 The Good The Bad and the Ugly is indicative of the mixed up good bad or ugly range of the 45 songs which I pick I never specifically say which song is in which category That is for the reader to decide I also do not want to be rude about any song If it got to No 1 it certainly deserves respect In the Book End Outro I do a Top of the Pops No 45 to No 1 countdown as a worst to best list of my chosen songs which should promote some debate and perhaps even disagreement With that in mind despite his best attempt at coercion and bribery towards me you will be pleased to know or perhaps saddened that Mr Blobby is not my overall No 1 But what is well Read on and enjoy the book
