Ride Into Destiny:

Riding in Prosperity Itoro Abasiene, 2013-12-18 Nothing in life goes well without money Whether it is in the Church family or society Over 50% of marital problems in the world today centers around money Without mincing words money makes things go better This is the major reason why God want you to prosper So your prosperity is one of the evidences of riding upon your high places which God has promised There is an evil which I have seen under the sun as an error which proceedeth from the ruler Folly is set in great dignity and the rich sit in low place I have seen servants upon horses and princes wading as servants upon the earth Ecclesiastes 10:5 Before this time anybody who puts on a good dress must be an unbeliever Because Christians had presented themselves to look poor and wretched The servants were riding upon the horses while the princes were wading as servants upon the earth Nobody even bothered about the church then because of her appearance Nevertheless it is my pleasure to inform you that this is a new dawn This is the time of the manifestation of the sons of God An era in which you shall be truly riding upon your high places As a believer I want you now to assume your rightful position in Christ However for this prosperous ride to become a reality in your life you must make a firm decision to obey the word of God You don't need to struggle like sinners to be rich you only need to obey the instructions from God's word This book offers to you practical details of how to escape the trap of poverty and for you to begin to ride majestically into the abundance and prosperity God has ordained for you by strict adherence to the details of the covenant Welcome to the ride

Abhinav Kumar,2015-12-23 What are the attributes of a god Is it a cross or a lotus flower Is it a crown of thorns or one of gold And what if you re not lucky enough to worship a great god Because there are places in the world where there are lesser gods too And for those who are stuck there lesser gods demand worship too In reality these may not even be gods But in truth they still need to be worshipped Follow the happenings in a mystical place where the timeless elements of fate grace power love and many others play their parts in the story of human beings Discover the closed doors of belief that men of science may never enter and see for yourself which is the lesser story and which the greater Are the human beings that perform these acts the real tale or are they merely providing a context for the unfolding of something quite different
