Long March Diary:

The China Diaries , *America's Secret War against Bolshevism* David S. Foglesong,2014-02-01 From the Russian revolutions of 1917 to the end of the Civil War in 1920 Woodrow Wilson's administration sought to oppose the Bolsheviks in a variety of covert ways Drawing on previously unavailable American and Russian archival material David Foglesong chronicles both sides of this secret war and reveals a new dimension to the first years of the U S Soviet rivalry Foglesong explores the evolution of Wilson's ambivalent attitudes toward socialism and revolution before 1917 and analyzes the social and cultural origins of American anti Bolshevism Constrained by his espousal of the principle of self determination by idealistic public sentiment and by congressional restrictions Wilson had to rely on secretive methods to affect the course of the Russian Civil War The administration provided covert financial and military aid to anti Bolshevik forces established clandestine spy networks concealed the purposes of limited military expeditions to northern Russia and Siberia and delivered ostensibly humanitarian assistance to soldiers fighting to overthrow the Soviet government In turn the Soviets developed and secretly funded a propaganda campaign in the United States designed to mobilize public opposition to anti Bolshevik activity promote American Soviet economic ties and win diplomatic recognition from Washington The Minjian Avant-Garde Chang Tan,2024-02-15 The Minjian Avant Garde studies how experimental artists in China mixed with brought changes to and let themselves be transformed by minjian the volatile and diverse public of the post Mao era Departing from the usual emphasis on art institutions global markets or artists communities Chang Tan proposes a new analytical framework in the theories of socially engaged art that stresses the critical agency of participants the affective functions of objects and the versatility of the artists in diverse sociopolitical spheres Drawing from hitherto untapped archival materials and interviews with the artists Tan challenges the views of Chinese artists as either dissidents or conformists to the regime and sees them as navigators and negotiators among diverse political discourses and interests She questions the fetishization of marginalized communities among practitioners of progressive art and politics arguing that the members of minjian are often more complex defiant and savvy than the elites would assume The Minjian Avant Garde critically assesses the rise of populism in both art and politics and show that minjian could constitute either a democratizing or a coercive force This book was published with generous support from the George Dewey and Mary J Krumrine Endowment **Captives of War** Clare Makepeace,2017-10-12 Capture Imprisoned servicemen Bonds between men Ties with home Going round the bend Liberation Resettling Conclusion *Deng Xiaoping* Alexander Pantsov,Steven I. Levine,2015 This book covers the entire life of Deng Xiaoping Starting with his childhood and student years to the post Tiananmen era Drawing from Life Christine I. Ho,2020-02-11 Drawing from Life explores revolutionary drawing and sketching in the early People's Republic of China 1949-1965 in order to discover how artists created a national form of socialist realism Tracing the development of seminal works by the major painters Xu Beihong Wang Shikuo Li Keran Li Xiongcai Dong Xiwen and Fu Baoshi author Christine I Ho reconstructs how artists

grappled with the representational politics of a nascent socialist art The divergent approaches styles and genres presented in this study reveal an art world that is both heterogeneous and cosmopolitan Through a history of artistic practices in pursuit of Maoist cultural ambitions to forge new registers of experience new structures of feeling and new aesthetic communities this original book argues that socialist Chinese art presents a critical alternative vision for global modernism **Historical Dictionary of Modern China (1800-1949)** James Z. Gao,2009-06-16 The Historical Dictionary of Modern China 1800 1949 offers a concise but comprehensive examination of the political military economic social and cultural development of modern China Instead of focusing merely on the political elites of China this reference covers a variety of significant persons including women and ethnic minorities new historical concepts cultural and educational institutions and economic activities Drawing on newly available records including a large mass of governmental and family archives the narratives presented reveal new facts offer a new interpretation in accordance with China s modernization process during the late Qing period and a revisionist perspective on the Republican history The chronology records not only political and military events but also other experiences of the Chinese people The bibliography gives prominence to current literature on China s drive towards modernization and appendixes provide the reader with detailed information on China s cultural and economic transformation
