Short-term Counselling in Higher Education David Mair, 2015-11-19 As demand for counselling from students across Higher Education HE increases year on year counselling services are continually seeking to explore creative ways of working under the pressure that results from this rise in client numbers One of the most frequent responses to increased demand is limiting the number of sessions that individual students may have Until Short term Counselling in Higher Education there has been no text which provides a contextual theoretical and practical input to this evolving way of working This book explores constructive ways of providing very short term counselling within a Higher Education context Using case studies and employing up to date statistics from the sector the book gives readers a clear understanding of the

nature of the professional challenges and offers ways of addressing these including managing waiting lists developing policies to facilitate timely intervention and understanding the limitations of what short term therapy can offer Short term Counselling in Higher Education explores the implications of working in Higher Education counselling services in this very short term way and as such it will be an essential resource for counsellors heads of counselling services and student services managers in Higher Education helping to find ways of delivering effective short term interventions within existing counselling services **Effective Short-Term Counselling within the Primary Care Setting** Valerie Garrett,2018-03-26

This book covers two distinct yet related topics the primary care setting and the counselling carried out within it and it can be dipped into or read straight through Part One using psychodynamic and systems theory explores the holding environment of primary care the interpersonal relationships within the primary care team and other variables affecting counselling in a medical organisational setting Part Two takes the counsellor through the how of using psychodynamic and Cognitive Behavioural Therapy CBT approaches within short term contracts in this setting Case studies and scenarios are given to illustrate these The counsellor is guided through assessing the patient s counselling needs either within a psychodynamic or CBT model or to formulate a tailor made short term contract using elements drawn from psychodynamic CBT and supportive counselling Time-Limited Counselling Colin Feltham,1997 Excellent the book explores the provision of effective

counselling with limited resources and under strict time pressures with some excellent writing on the nature of time and attitudes to time in counselling and psychotherapy the evidence in favour of short term counselling is put strongly Colin Feltham favours it as an approach of choice for certain clients which should coexist with rather than adversarially seek to oust and replace longer term therapy he draws from a wide range of literature while identifying those key ingredients skills and strategies that he has found especially significant He also discusses some of the different contexts in which this work operates Many of the questions and issues he poses **Single Session One at a Time Counselling with Couples** Martin

Söderquist,2022-12-05 This book introduces One at a Time OOAT Single Session Therapy SST for couples presenting a new and innovative format for couples counselling and therapy that fills the gaps between SST and traditional couples therapy models The book covers the historical background of brief therapy the concept of change in different therapy models and the different formats of SST The general mindset as well as the specific thinking and practice of SST OAAT are described in detail combined with practical guidelines and many concrete examples from couple sessions Five full length OAAT session stories give the reader a clear sense of what OAAT with couples really is like and how different counselors use their personal styles and preferences Single Session One at a Time Counselling with Couples is written for working therapists therapists in training supervisors managers and couples themselves who are thinking of scheduling therapy **Diagnosis and**
