

The Longest Wait

THE BRIEF

Dogs rescued from the nation's oldest and largest shelter dogs have a far longer wait to adoption if they're spayed or neutered. In ongoing studies of the ASPCA, and the collaboration with the highest percentages of dog owners who returned to help read this documentation and other resources of these dogs right.

THE EXECUTION

By analyzing the shelter dogs' waiting - and waiting - to adopt, we created an unforgettable story that helped for the long, lonely most unwanted shelter dogs must wait. These long-term dogs (and their owners) would no longer remain in the shelter. The sheltered these animals around while waiting to be adopted.

THE RESULTS

The campaign is one of the ASPCA's most successful adoption campaigns to date, leading to thousands of adopters and rescued shelter dogs finally finding the home they deserve.

Minority Rule Ari Berman,2024-04-23 Voting rights journalist Ari Berman has been detailing threats to our democracy for years and his new book Minority Rule is a timely and essential read He expertly shows how Republicans are trying to rig our political system and shares how we can fight back Hillary Clinton on X A riveting account of the decades long effort by reactionary white conservatives to undermine democracy and entrench their power and the movement to stop them The mob that stormed the Capitol on January 6 2021 represented an extreme form of the central danger facing American democracy today a blatant disregard for the will of the majority But this crisis didn t begin or end with Donald Trump s attempt to overturn the 2020 election Through voter suppression election subversion gerrymandering dark money the takeover of the courts and the whitewashing of history reactionary white conservatives have strategically entrenched power in the face of a massive demographic and political shift Ari Berman charts these efforts with sweeping historical research and incisive on the ground reporting chronicling how a wide range of antidemocratic tactics interact with profound structural inequalities in institutions like the Electoral College the Senate and the Supreme Court to threaten the survival of representative government in America The will of the people wrote Thomas Jefferson in 1801 is the only legitimate foundation of any government But that foundation is crumbling Some counter majoritarian measures were deliberately built into the Constitution which was designed in part to benefit a small propertied upper class but they have metastasized to a degree that the Founding Fathers could never have anticipated undermining the very notion of a government of the people by the people and for the people Chilling and revelatory Minority Rule exposes the long history of the conflict between white supremacy and multiracial democracy that has reached a fever pitch today while also telling the inspiring story of resistance to these regressive efforts

Franco's Justice Julius Ruiz,2005-07-28 Madrid became one of the key symbols of Republican resistance to General Franco during the Spanish Civil War following the Nationalists failure to take the city in the winter of 1936 7 Yet despite the defiant cries of No pasar n they did eventually pass on 28 March 1939 This book examines the consequences in Madrid of Franco s unconditional victory in the Spanish Civil War Using recently available archival material this study shows how the punishment of the vanquished was based on a cruel irony Republicans not the military rebels of July

1936 were held responsible for the fratricidal conflict Military tribunals handed out sentences for the crime of military rebellion mere passivity towards the Nationalists before 1939 was not only made a civil offence under the Law of Political Responsibilities but could cause dismissal from work and freemasons and Communists specifically blamed for the Civil War were criminalized by decree in March 1940 However contrary to much that has been written on the subject the post war Francoist repression was not exterminatory Genocide did not take place in post war Madrid While a minimum of 3113 judicial executions took place between 1939 and 1944 death sentences were largely based on accusations of participation in blood crimes that occurred in Madrid in 1936 Moreover and unlike most other accounts of the Francoist political violence this book is concerned with the question of when and why mass repression came to an end It shows that the sheer numbers of cases opened against Republican rebels and the use of complex pre war bureaucratic procedures to process them produced a crisis that was only resolved by decisions taken by the Franco regime in 1940 1 to abandon much of the repressive system By 1944 mass repression had come to an end

Organising care around patients Naomi Chambers,Jeremy Taylor,2021-09-07 Organising care around patients is not for the fainthearted Naomi Chambers and Jeremy Taylors have curated twenty five accounts from people who agreed to tell the story of what happened when they or their loved ones came into contact with the NHS The authors defy you not to laugh or cry or hold your breath in disbelief at some point when reading this book In these true and compelling accounts we learn the experiences good and bad of people grappling with birth and death caring for loved ones living with mental illness coping with long term conditions and struggling in older age This book is a call to action aimed at healthcare professionals managers and politicians a manifesto for more patient centred care These stories show the NHS at its very best and also when it falls significantly short Patients or carers currently battling with the system will derive some hope and encouragement and clues about what to expect what to ask for and from whom An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence

Longest Wait Introduction

In today's digital age, the availability of Longest Wait books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Longest Wait books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Longest Wait books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Longest Wait versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Longest Wait books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Longest Wait books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Longest Wait books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Longest Wait books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Longest Wait books and manuals for download and embark on your journey of knowledge?
