Look Backward And Forward At American Professional Women And Their Families:

A Look Backward and Forward at American Professional Women and Their Families Rita James Simon, 2000 This edited volume contains the thoughtful and often inspiring papers that were presented at the Fourth Annual Conference of the Women's Freedom Network in 1997 Written by scholars homemakers entrepreneurs professionals and military personnel the articles in this collection address the status of women their careers and their families now and in the past The volume is divided into four sections each devoted to a particular area where women have played a significant role The first section focuses on the family with papers describing the difficult choices women must make to meet the demands of home and career the changing role of fathers and impact of divorce on children In section two several women discuss their successful careers as entrepreneurs and CEOs in a variety of businesses The papers in section three deal with the topic of women in the military addressing issues ranging from physical fitness and injury to pregnancy and sexual scandal The last section offers insiders views on the history and professional experiences of women involved in medicine journalism law and academia Heart felt and informative the articles in this collection offer insight into the multi faceted and ever changing lives of women today

Women, Feminism, and Femininity in the 21st Century B. Mousli, E. Roustang-Stoller, 2009-05-11 American women look at French women as having it all sex motherhood work and public office while French women look at American women as puritanical excessively feminist and unable to have it all without guilt The essays in this book by leading American and French academics and critics set the record straight by assessing the truth of each outlook They conclude that facts are different from imagination and that on many issues French feminists could actually look to the U S for inspiration This book offers the first comparative critical appraisal of how women live in the US and in France and suggests paths of reflection on what women can do to improve their lives in the twenty first century This is a must read for anyone interested in the nature of womanhood today in the Western World

Family Disintegration Anton Purcell, 2002 The contemporary family is being distracted disturbed and distraught by societal pressures from every direction The nuclear family concept believed crucial to child rearing is becoming pass according to census data Or has the wave of disruption to families crested It is hoped that this bibliography will serve as a useful tool to researchers seeking further information on families and the pressures being exerted upon them in the 21st century

Women in Combat Lorry M. Fenner, Marie E. deYoung, 2001-08-09 Women have been actively involved the United States military for more than fifty years but the ban on their participation in combat remains a hotly debated issue In this provocative book Lorry M Fenner an active duty Air Force intelligence officer calls for opening all aspects of military service to women Marie deYoung a former Army chaplain argues that keeping women out of combat is in the best interests of both sexes and crucial to the effectiveness of the military as a whole Fenner bases her argument for inclusion of women on the idea that democracies require all citizens to compete in public endeavor and share in civic obligation She contends that historically reasons for banning women from combat have been culturally biased She

argues that membership in a combat force should be based on capability judged against appropriate standards Moreover she maintains that excluding women hampers the diversity and adaptability that by necessity will characterize the armed forces in the twenty first century In contrast deYoung declares that the different physical fitness standards for men and women would in combat lower morale for both sexes and put women at risk of casualty Further she contends that women have neither the physical or emotional strength to endure the overall brutality of the combat experience She also asserts that calls for lifting the combat ban are politically motivated and are inconsistent with the principles of American democracy and the mission of national defense With each author responding to the views of the other their exchange offers a valuable synthesis of the issues surrounding a longstanding debate among policymakers military personnel and scholars of both military history and women s studies

Jewish Women's History Pamela S. Nadell, 2003-04-05 It gives me a secret pleasure to observe the fair character our family has in the place by Jews Christians Abigail Levy Franks wrote to her son from New York City in 1733 Abigail was part of a tiny community of Jews living in the new world In the centuries that followed as that community swelled to several millions women came to occupy diverse and changing roles American Jewish Women's History an anthology covering colonial times to the present illuminates that historical diversity It shows women shaping Judaism and their American Jewish communities as they engaged in volunteer activities and political crusades battled stereotypes and constructed relationships with their Christian neighbors It ranges from Rebecca Gratz's development of the Jewish Sunday School in Philadelphia in 1838 to protest the rising prices of kosher meat at the turn of the century to the shaping of southern Jewish women's cultural identity through food There is currently no other reader conveying the breadth of the historical experiences of American Jewish women available The reader is divided into four sections complete with detailed introductions The contributors include Joyce Antler Joan Jacobs Brumberg Alice Kessler Harris Paula E Hyman Riv Ellen Prell and Jonathan D Sarna Congressional Record United States. Congress, 1999 *Gender in Management* Gary N. Powell, 2023-12-04 In the Sixth Edition of *Gender in Management* author Gary N Powell provides a comprehensive survey and review of the literature on sex gender and organizations With the title change from *Women and Men in Management* to *Gender in Management* the new edition adopts a more inclusive lens that acknowledges the diverse identities and experiences within the gender spectrum Fully updated sections on intersectionality public events such as COVID 19 and the Black Lives Matter movement and the prevalence of AI in hiring decisions provide context to the evolving nature of gender in the workplace and society Powell provides specific research based strategies for promoting an organizational culture of nondiscrimination diversity and inclusion From Ellis Island to JFK Nancy Foner, 2008-10-01 In the history the very personality of New York City few events loom larger than the wave of immigration at the turn of the last century Today a similar influx of new immigrants is transforming the city again Better than one in three New Yorkers is now an immigrant From Ellis Island to JFK is the first in depth study that compares these two huge social changes A key contribution of this book is Nancy Foner's reassessment of the myths that have grown up around the earlier Jewish and Italian immigration and that deeply color how today's Asian Latin American and Caribbean arrivals are seen Topic by topic she reveals the often surprising realities of both immigrations For example Education Most Jews despite the myth were not exceptional students at first while many immigrant children today do remarkably well Jobs Immigrants of both eras came with more skills than is popularly supposed Some today come off the plane with advanced degrees and capital to start new businesses Neighborhoods Ethnic enclaves are still with us but they're no longer always slums today's new immigrants are reviving many neighborhoods and some are moving to middle class suburbs Gender For married women a century ago immigration often surprisingly meant less opportunity to work outside the home Today it's just the opposite Race We see Jews and Italians as whites today but to turn of the century scholars they were members of

different alien races Immigrants today appear more racially diverse but some particularly Asians may be changing the boundaries of current racial categories Drawing on a wealth of historical and contemporary research and written in a lively and entertaining style the book opens a new chapter in the study of immigration and the story of the nation s gateway city

Sociology of Families Cheryl Albers,1999-03-11 A comprehensive selection of readings provided to support David Newman s book of the same name **New Outlook** ,1922 *Unions, Radicals, and Democratic Presidents* Martin Halpern,2003-11-30 Social change advocates won a remarkable series of victories during the 20th century This study examines both successful and unsuccessful efforts ranging from the women s suffrage movement of the 1910s to the divisive debate between Gore and Nader supporters during the 2000 election Halpern details the ingredients essential to shaping progressive campaigns While left wing activists sustained grass roots movements and worked with allies in left center coalitions trade unions energized by progressive activists gave the efforts institutional weight with crucial assistance from Democratic presidents committed to liberalism Frequently facing repression left wingers nevertheless managed to pass their values on to their children who in turn sustained new sets of social movements Leftists worked alongside other progressives to form left center coalitions on issues such as Civil Rights and labor law reform Influenced by liberalism Roosevelt Johnson and Kennedy gave crucial assistance to the social change process Shying away from liberalism Carter and Clinton and Vice President Gore failed to provide comparable assistance disappointing progressive activists and unions and leading to important setbacks Whether the Democratic Party will once again seek to elect a president with a liberal vision to assist a revitalized labor movement a newly energized left and left center coalitions in the social change process remains to be seen

Becoming A Family Rena D. Harold,Patricia Stow Bolea,Lisa G. Colarossi,Lucy R. Mercier,Carol R. Freedman-Doan,2014-04-08 The movement from young adulthood through coupling and the transition to parenthood may be among the most universal adult developmental transitions These passages hold interest for all of us but especially for those who study the psychological familial and sociocultural components of development all of which interact and influence each other This book enhances understanding of family life development by shedding light on the meanings that family members ascribe to the developmental process of becoming a family This is achieved through qualitative analysis of narratives through which individuals and families explain themselves their thinking and their behavior These family narratives are windows into individual and family identity as well as descriptions of connections to others The book addresses issues including identity child characteristics social support and work Each chapter includes a review of seminal literature parents comments and ideas about the topic and a discussion of practice policy and research implications *Collier's* ,1911
