Looking Like The Enemy My Story Of Imprisonment In Japanese American Internment Camps:

Looking Like the Enemy Mary Matsuda Gruenewald, 2005 In 1941 Mary Matsuda Gruenewald was a teenage girl who like other Americans reacted with horror to the bombing of Pearl Harbor Yet soon she and her family were among 110 000 innocent people imprisoned by the U S government because of their Japanese ancestry In this eloquent memoir she describes both the day to day and the dramatic turning points of this profound injustice what it was like to face an indefinite sentence in crowded primitive camps the struggle for survival and dignity and the strength gained from learning what she was capable of and could do to sustain her family It is at once a coming of age story with interest for young readers an engaging narrative on a topic still not widely known and a timely warning for the present era of terrorism Complete with period photos the book also brings readers up to the present including the author's celebration of the National Japanese American Memorial dedication in 2000

Denied, Detained, Deported Ann Bausum, 2019 This book examines the history of American immigration a critical topic in 21st century America particularly those lesser known stories of immigrants who were denied entrance into the States or detained for security reasons *The Internment of Japanese Americans* Charlotte Taylor, Deborah Kent, 2015-07-15 Before World War II Japanese Americans worked hard to adapt to American life while creating tight knit communities But after Japan bombed Pearl Harbor everything changed The U S government sent 120 000 Americans of Japanese descent into internment camps Learn the sad history of the camps the reasons behind their creation how the internees made the best of their deplorable situation and how they finally received an official apology from the US government *How Much Do You Love Me? Forbidden love is the greatest love of all* Paul Mark Tag, 2023-02-14 On December 7 1941 Keiko Tanaka finds her whole world affected by the Pearl Harbor bombings Normally friendly neighbors are suddenly suspicious of her Japanese ancestry and her engagement to James Armstrong a Caucasian becomes a crisis rather than a celebration Despite their parents protests Keiko and James decide to marry before she is sent to the internment camps and he to the war Nearly sixty years later Keiko's daughter Kazuko born in the camps attends to Keiko on her deathbed However a chance incident makes her suspect that her mother is harboring a secret The truths she is about to uncover might unravel the family and change her very perception of abiding love **Father-Daughter Relationships** Linda Nielsen, 2019-06-04 In this fully revised new edition *Father Daughter Relationships Contemporary Research and Issues* summarises and analyses the most relevant research regarding father daughter relationships aiming to break down the persistent misconceptions regarding fatherhood and father daughter relationships and encourage the reader to take a more objective and analytical approach The research is brought to life with compelling personal stories from fathers and daughters including well known celebrities and politicians Boxed quizzes and questionnaires show students how the research can be applied to their own lives while others highlight the relationships between real life fathers and daughters Nielsen discusses the father daughter relationship within a diverse range of family structures including divorced and separated parents gay

parents adopted children and children of sperm donors Covering a wide range of topics including the father's impact on his daughter's cognitive academic social and physical wellbeing ethnic minorities and incarcerated or abusive fathers **Father Daughter Relationships Contemporary Research and Issues** gives panoramic view of the most recent research and statistics This book is essential reading for upper level undergraduate and for graduate students as well as for practitioners working with families such as social workers mental health professionals and family counsellors It is especially relevant for courses in psychology sociology women's studies and counselling Linda Nielsen is a Professor of Adolescent and Educational Psychology at Wake Forest University A member of the faculty for 35 years she is a nationally recognized expert on father daughter relationships

Modern Minority Yoon Sun Lee, 2013-07-01 *Modern Minority* presents a fresh examination of canonical and emergent Asian American literature's relationship to the genre of realism particularly through its preoccupation with everyday life

Historic Sites and Landmarks That Shaped America Mitchell Newton-Matza, 2016-09-06 Exploring the significance of places that built our cultural past this guide is a lens into historical sites spanning the entire history of the United States from Acoma Pueblo to Ground Zero **Historic Sites and Landmarks That Shaped America** From Acoma Pueblo to Ground Zero encompasses more than 200 sites from the earliest settlements to the present covering a wide variety of locations It includes concise yet detailed entries on each landmark that explain its importance to the nation With entries arranged alphabetically according to the name of the site and the state in which it resides this work covers both obscure and famous landmarks to demonstrate how a nation can grow and change with the creation or discovery of important places The volume explores the ways different cultures viewed revered or even vilified these sites It also examines why people remember such places more than others Accessible to both novice and expert readers this well researched guide will appeal to anyone from high school students to general adult readers

Sylvia & Aki Winifred Conkling, 2014-12-09 Sylvia never expected to be at the center of a landmark legal battle all she wanted was to enroll in school Aki never expected to be relocated to a Japanese internment camp in the Arizona desert all she wanted was to stay on her family farm and finish the school year The two girls certainly never expected to know each other until their lives intersected in Southern California during a time when their country changed forever Here is the remarkable story based on true events of Sylvia Mendez and Aki Munemitsu two ordinary girls living in extraordinary times When Sylvia and her brothers are not allowed to register at the same school Aki attended and are instead sent to a Mexican school the stage is set for Sylvia's father to challenge in court the separation of races in California's schools Ultimately Mendez vs Westminster School District led to the desegregation of California schools and helped build the case that would end school segregation nationally Through extensive interviews with Sylvia and Aki still good friends to this day Winifred Conkling brings to life two stories of persistent courage in the face of tremendous odds From the Hardcover edition

Women Heroes of World War II—the Pacific Theater Kathryn J. Atwood, 2016-10-01 A Notable Social Studies Trade Book for Young People 2017 Glamorous American singer Claire Phillips opened a nightclub in Manila using the earnings to secretly feed starving American POWs She also began working as a spy chatting up Japanese military men and passing their secrets along to local guerrilla resistance fighters Australian Army nurse Vivian Bullwinkel stationed in Singapore then shipwrecked in the Dutch East Indies became the sole survivor of a horrible massacre by Japanese soldiers She hid for days tending to a seriously wounded British soldier while wounding herself Humanitarian Elizabeth Choy lived the rest of her life hating war though not her tormentors after enduring six months of starvation and torture by the Japanese military police In these pages readers will meet these and other courageous women and girls who risked their lives through their involvement in the Pacific Theater of Operations during World War II Fifteen suspense filled stories unfold across China Japan Malaya Singapore the Dutch East Indies and the Philippines providing an inspiring reminder of women and girls refusal to sit on the sidelines around the world and throughout history These women whose stories span 1932 to 1945 the last year of the war served in dangerous roles as spies medics journalists resisters and saboteurs Seven of them were captured and imprisoned by the Japanese enduring brutal conditions Author Kathryn J Atwood provides appropriate context and framing for teens 14 and up to grapple with these harsh realities of war Discussion questions and a guide for further study assist readers and educators in learning about this important and often neglected period of history

The Doolittle Irony Jim Kelly, 2019-06-26 Japanese Americans contributed mightily to the U S victory in WWII One young Nisei may even have saved Doolittle's Raid from disaster His story was never told possibly because it would have exposed how unjust the U S Government had been to intern 120 000 Japanese Americans on the flimsy excuse that they could not be trusted to defend America This book personalizes that chapter of American history It tells a story of how that young Nisei's situation MIGHT have unfolded Book Review The Doolittle Irony based on a true story brings to life a daring 1942 American military operation in Japan as seen through the eyes of a young Nisei Author Jim Kelly seamlessly blends his own vivid imagination with his background in US naval intelligence his historical knowledge of World War II and his grasp of today's troublesome debates about immigration and Americans from other lands While The Doolittle Irony is an entertaining page turner it also serves

as a satisfying reminder that no matter how much the world changes loyalty and love still remain the same Lela Gilbert author and journalist

The Mobilized American West, 1940-2000 John M. Findlay, 2023-07 In the years between 1940 and 2000 the American Far West went from being a relative backwater of the United States to a considerably more developed modern and prosperous region one capable of influencing not just the nation but the world By the dawn of the twenty first century the population of the West had multiplied more than four times since 1940 and western states had transitioned from rural to urban becoming the most urbanized section of the country Massive investment both private and public in the western economy had produced regional prosperity and the tourism industry had undergone massive expansion altering the ways Americans identified with the West In *The Mobilized American West 1940 2000* John M Findlay presents a historical overview of the American West in its decades of modern development During the years of U S mobilization for World War II and the Cold War the West remained a significant distinct region even as its development accelerated rapidly and in many ways it became better integrated into the rest of the country By examining events and trends that occurred in the West Findlay argues that a distinctive region wide political culture developed in the western states from a commitment to direct democracy the role played by the federal government in owning and managing such a large amount of land and the way different groups of westerners identified with and defined the region While illustrating western distinctiveness Findlay also aims to show how in its sustaining mobilization for war the region became tethered to the entire nation more than ever before but on its own terms Findlay presents an innovative approach to viewing the American West as a region distinctive of the United States one that occasionally stood ahead of at odds with and even in defiance of the nation
