An Historical Syntax of the English Language F.Th. Visser, 2023-05-08 Frederik Theodor Visser's *An Historical Syntax of the English Language* published in four massive volumes between 1963 and 1973 is certainly one of the cornerstones of research in English linguistics Visser's achievements can hardly be overestimated Before the advent of modern corpus linguistics he compiled a remarkable wealth of detailed philological data from all periods of English and combined this with current grammatical analyses of his time This has made this publications an indispensable resource for anyone investigating the history of English syntax This reproduction of Visser's volumes is more than welcome and timely as the volumes have been out of print for quite some time and were sometimes a little bit difficult to navigate Having a searchable and easy to use online version although maybe not perfect available now means a revival for scholarship that celebrates its fiftieth birthday without losing any of its relevance Psychodynamic Psychotherapy Research Raymond A. Levy, J. Stuart Ablon, Horst Kächele, 2011-12-27 *Psychodynamic Psychotherapy Research Evidence Based Practice and Practice Based Evidence* continues the important work of the first book published in 2009 by Humana Press *Handbook of Evidence Based Psychodynamic Psychotherapy Bridging the Gap Between Science and Practice* This landmark title presents in one volume significant developments in research including neuroscience research in psychodynamic psychotherapy by a team of renowned clinician researchers The demand for ongoing research initiatives in psychodynamic psychotherapy from both internal and external sources has increased markedly in recent years and this volume continues to demonstrate the efficacy and effectiveness of a psychodynamic approach to psychotherapeutic interventions in the treatment of psychological problems The work in this volume is presented in the spirit of ongoing discussion between researchers and clinicians about the value of specific approaches to specific patients with specific psychiatric and psychological problems Multiple forms of

treatment interventions have been developed over the past fifty years and this volume makes clear with firm evidence the authors support for the current emphasis on personalized medicine Groundbreaking and a major contribution to the psychiatric and psychologic literature Psychodynamic Psychotherapy Research Evidence Based Practice and Practice Based Evidence provides firm grounding for advancing psychodynamic psychotherapy as a treatment paradigm History of Soybeans and Soyfoods in Japan, and in Japanese Cookbooks and Restaurants outside Japan (701 CE to 2014) William Shurtleff,Akiko Aoyagi,2014-02-19 The world s most comprehensive well documented and well illustrated book on this subject with 445 photographs and illustrations Plus an extensive index **Look** Andrew L. Yarrow,2021 Andrew L Yarrow tells the story of Look magazine one of the greatest mass circulation publications in American history and the very different United States in which it existed The all but forgotten magazine had an extraordinary influence on mid twentieth century America not only by telling powerful thoughtful stories and printing outstanding photographs but also by helping to create a national conversation around a common set of ideas and ideals Yarrow describes how the magazine covered the United States and the world telling stories of people and trends injustices and triumphs and included essays by prominent Americans such as Martin Luther King Jr and Margaret Mead It did not shy away from exposing the country s problems but it always believed that those problems could be solved Look which was published from 1937 to 1971 and had about 35 million readers at its peak was an astute observer with a distinctive take on one of the greatest eras in U S history from winning World War II and building immense increasingly inclusive prosperity to celebrating grand achievements and advancing the rights of Black and female citizens Because the magazine shaped Americans beliefs while guiding the country through a period of profound social and cultural change this is also a story about how a long gone form of journalism helped make America better and assured readers it could be better still Provided by publisher **Bibliography of the History of Medicine** ,1966

The History of Surfing Matt Warshaw,2010-09 Matt Warshaw knows more about surfing than any other person on the planet After five years of research and writing Warshaw has crafted an unprecedented history of the sport and the culture it has spawned At nearly 500 pages with 250 000 words and more than 250 rare photographs The History of Surfing reveals and defines this sport with a voice that is authoritative funny and wholly original The obsessive nature of this endeavor is matched only by the obsessive nature of surfers who will pore through these pages with passion and opinion A true category killer here is the definitive history of surfing **Using History, Making British Policy** P. Beck,2006-07-11 The extent to which history has been used to inform policy remains a neglected topic Focusing upon the 1957 Whitehall policy initiative this book enhances our knowledge of post 1945 Britain illuminates debates about the nature and the use of history in the contemporary world most notably the relationship between history and policy **Congressional Record** United States. National Transportation Safety Board,1972 *The Brief and Turbulent Life of Modernising Conservatism* Stuart Mitchell,2008-12-18 The Brief and Turbulent Life of Modernising Conservatism is an examination of government tensions and frustrations during a time of economic and social flux It concentrates on the development of domestic industrial policy in the Conservative Party between 1945 and 1964 with particular emphasis on Harold Macmillan s and Sir Alec Douglas Home s administrations Between the general elections of 1959 and 1964 the Conservative Government effected a series of striking and dangerously controversial policy transformations in response to its recognition of Britain s relative economic decline These adjustments were both practical and strategic The administration s aim was extraordinarily ambitious It sought to fashion a recognisably modern and dynamic yet socially stable nation that could retain its place in the international lite Thereby the Party hoped to ensure its own continuation in power The author considers policy innovations that included an ill starred attempt to join the European Community the development of macro economic planning and the abolition of resale price maintenance an exploit which roused the Tory Party to unusual heights of passion The book does not simply regurgitate an orthodox high political narrative Instead it investigates topics of interest to modern historians and political scientists alike It will be of value to anyone interested in questions of modern political ideology social and economic change the nature of popular political support or the constraints on state power in the post war world **History of Soy Sauce (160 CE To 2012)** William Shurtleff,Akiko Aoyagi,2012 *Echoing Events* Tina van der Vlies,2022-12-12 Echoing Events questions the perpetuation actualization and canonization of national narratives in English and Dutch history textbooks wide reaching media that tendentially inspire a sense of meaning memory and thus also identity The longitudinal study begins in the 1920s when the League of Nations launched several initiatives to reduce strong nationalistic visions in textbooks and ends in the new millennium with the revival of national narratives in both countries The analysis shows how and why textbook authors have narrated different histories which vary in terms of context epoch and place as echoing events by using recurring plots and the same combinations of historical analogies This innovative and original study thus investigates from a new angle the resistance of national narratives to change New York Supreme Court , Federal Support of Project Grants: Indirect Costs and Cost Sharing United States.
