

LOOKING BACKWARD

They Would Gladly be the First to see the Future, but they are too busy looking back.

Looking Backward At Us

Edward Bellamy

Looking Backward At Us:

Looking Backward by Edward Bellamy - A Utopian Novel Edward Bellamy, Laura Bonds, 2009-10 Meet Julian West who falls asleep in Boston for over a hundred years then wakes to find himself in a futuristic socialist utopia where people retire at 45 to live out the rest of their lives in leisure His guide in this brave new America is Doctor Leete with whom he discusses the wonders he encounters and the perils he envisions These social minded dialogues range from discussing religion an improved legal system and class equality to the use of credit cards overnight deliveries and the dangers of the stock market Edward Bellamy wrote *Looking Backward* in 1887 and the descriptions of his futuristic socialist utopia quickly ignited spirited debate and led to a political movement which came to be known as Nationalism The book also inspired the creation of new utopian communities as well as influencing over a century of urban planning including the Garden city movement in England This full size collectible edition has been designed for students and scholars and features a new introduction as well as a contemporary look at the life and influence of Edward Bellamy It has been updated indexed and completely restored for a modern audience Excerpt from *Looking Backward* by Edward Bellamy A Utopian Novel Chapter 26 Reprinted by permission All rights reserved It was the sincere belief of even the best of men at that epoch that the only stable elements in human nature on which a social system could be safely founded were its worst propensities They had been taught and believed that greed and self seeking were all that held mankind together and that all human associations would fall to pieces if anything were done to blunt the edge of these motives or curb their operation In a word they believed even those who longed to believe otherwise the exact reverse of what to us seems self evident they believed that is that the antisocial qualities of men and not their social qualities were what furnished the cohesive force of society It seems absurd to expect anyone to believe that convictions like these were ever seriously entertained by men With a tear for the dark past turn we then to the dazzling future and veiling our eyes press forward The long and weary winter of the race is ended Its summer has begun Humanity has burst the chrysalis The heavens are before it Critical reviews for *Looking Backward* One of the most remarkable books ever published in America it is one of the few books ever published that created almost immediately on its appearance a political mass movement Erich Fromm While almost prophetic in its 19th century predictions of many modern contrivances socially *Looking Backward* stands in stark contrast to America as it exists in the grip of the early 21st century world economic recession Yet even more than a century after it was written Bellamy s masterpiece now burns even brighter as a beacon of hope for class equality and the ideas associated with Christian socialism Shawn Connors editor of *Men Women by Robert Browning Transcendentalism A Poem in Twelve Books* **Looking Backward, 2000 to 1887** Edward Bellamy, 2019-01-31 *Looking Backward 2000 1887* is a utopian science fiction novel by Edward Bellamy a journalist and writer from Chicopee Falls Massachusetts it was first published in 1888 **Futurama: Looking Backward at Present Day America** Christian Schlegel, 2014-06-27 Matt Groening developed together with his friend and colleague David X Cohen the

TV Show Futurama set in New York in the year 3000 Groening describes his vision of the future in Futurama as corporate commercial and confusing which is not what he expects it to be and it is not necessarily valuing this world as good or bad Thus the assumption of this study is that Futurama presents a stereotyped science fiction world that deals with themes and problems of our present time This becomes clear when looking at the excessive use of allusions and references to political and historical events as well as to popular and classical culture The creators comment that way on topics that concern us or at least should concern us today The task of this study is to identify these topics and references focusing on America as a political entity and thereby discuss the points of criticism Futurama raises

Looking Backward 2000-1887 Edward Bellamy, 2013-06-19 Stimulating thought provoking utopian fantasy about a young man who is put into a hypnotic sleep in the late 19th century and awakens in the year 2000 to find a vastly changed world where crime war and want no longer exist A provocative study of human society as it is and as it might be Edward Bellamy's *Looking Backward 2000 1887* is one of the most influential utopian novels in English The narrative follows Julian West who goes to sleep in Boston in 1887 and wakes in the year 2000 to find that the era of competitive capitalism is long over replaced by an era of co operation Wealth is produced by an industrial army and every citizen receives the same wage There is no better book than *Looking Backward* for understanding the intersecting private and public spheres in Victorian America Richard Fox

Looking Backward Edward Bellamy, 2016-07-04 With an Introduction by Heywood Broun Notice This Book is published by Historical Books Limited [www publicdomain org uk](http://www.publicdomain.org.uk) as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA publicdomain.org.uk

Looking Backward, 2000 to 1887 Edward Bellamy, 2019-04-07 *Looking Backward 2000 1887* is a utopian science fiction novel by Edward Bellamy a journalist and writer from Chicopee Falls Massachusetts it was first published in 1888

Looking Backward, 2000 to 1887 Edward Bellamy, 2016-06-20 Living as we do in the closing year of the twentieth century enjoying the blessings of a social order at once so simple and logical that it seems but the triumph of common sense it is no doubt difficult for those whose studies have not been largely historical to realize that the present organization of society is in its completeness less than a century old No historical fact is however better established than that till nearly the end of the nineteenth century it was the general belief that the ancient industrial system with all its shocking social consequences was destined to last with possibly a little patching to the end of time How strange and wellnigh incredible does it seem that so prodigious a moral and material transformation as has taken place since then could have been accomplished in so brief an interval The readiness with which men accustom themselves as matters of course to improvements in their condition which when anticipated seemed to leave nothing more to be desired could not be more strikingly illustrated What reflection could be better calculated to moderate the enthusiasm of reformers who count for their reward on the lively gratitude of future

ages The object of this volume is to assist persons who while desiring to gain a more definite idea of the social contrasts between the nineteenth and twentieth centuries are daunted by the formal aspect of the histories which treat the subject Warned by a teacher's experience that learning is accounted a weariness to the flesh the author has sought to alleviate the instructive quality of the book by casting it in the form of a romantic narrative which he would be glad to fancy not wholly devoid of interest on its own account The reader to whom modern social institutions and their underlying principles are matters of course may at times find Dr Leete's explanations of them rather trite but it must be remembered that to Dr Leete's guest they were not matters of course and that this book is written for the express purpose of inducing the reader to forget for the nonce that they are so to him One word more The almost universal theme of the writers and orators who have celebrated this bimillennial epoch has been the future rather than the past not the advance that has been made but the progress that shall be made ever onward and upward till the race shall achieve its ineffable destiny This is well wholly well but it seems to me that nowhere can we find more solid ground for daring anticipations of human development during the next one thousand years than by Looking Backward upon the progress of the last one hundred That this volume may be so fortunate as to find readers whose interest in the subject shall incline them to overlook the deficiencies of the treatment is the hope in which the author steps aside and leaves Mr Julian West to speak for himself

Looking Backward & Looking Further Backward Edward Bellamy, Arthur Dudley Vinton, 2018-06-05 This carefully crafted ebook Looking Backward Looking Further Backward is formatted for your eReader with a functional and detailed table of contents Looking Backward Julian West a young American towards the end of the 19th century falls into a deep hypnosis induced sleep and wakes up 113 years later He finds himself in the same location Boston Massachusetts but in a totally changed world It is the year 2000 and while he was sleeping the United States has been transformed into a socialist utopia The young man readily finds a guide Doctor Leete who shows him around and explains all the advances of this new age including drastically reduced working hours for people performing menial jobs and almost instantaneous Internet like delivery of goods The two start working on improving the future with the experiences from the past and the present Looking Further Backward Set in future of 2023 the book narrates the story of how China invades USA in 2020 after China has adopted rampant capitalism as opposed to rest of the world who are in throes of Nationalism a socialism like set up Written in a form of a diary the novel directly hits out at Edward Bellamy's 1888 Utopian novel Looking Backward The political drama that unfolds in this novel will make you deeply wonder how the author could foresee so much

Looking Backward Edward Bellamy, 1982-12-16 Edward Bellamy's prophetic novel about a young Boston man who is mysteriously transported from the 19th to the 21st century from a world of war and want to a world of peace and plenty The year is 2000 The place Utopian America The hero anyone who has ever longed for escape to a better life Translated into more than twenty languages and the most widely read novel of its time Looking Backward is more than a brilliant visionary's view of the future It is a blueprint of the perfect society a guidebook

that stimulated some of the greatest thinkers of our age Today in the very era it attempted to visualize it is even more compelling than ever With an Introduction by Walter James Miller And an Afterword by Eliot Fintushel **Looking Back to See** Maxine Brown,2009-12-30 Revealing entertaining window on the music of the 50s and 60s *Looking Back through Seeing Eyes* Carolyn Jackson,2023-08-22 For ten years of my life from age five to age fifteen my brother who was three my sister who was a baby and I were placed in foster care It s sad but true I was an abused child some would even say I was a tortured child I woke up it was dark and I thought to myself Is this a dream Did I cry myself to sleep Did I lose consciousness because I m in this basement on a concrete floor in a small closet with a lot of tools and bugs and the door is locked I can t get out This was not like all the other punishments this one was different No I don t want you to do that to me I m only ten years old You know I ve been watching you all this time Didn t you see me looking at you sometimes Then he put his hands on me That s when my whole life changed I lived in fear not knowing who or what was going to happen to me next It was scary to me Everything that happened to me at this young age left me with a very low self esteem I felt very ugly I had no confidence in myself I didn t even love myself I didn t believe in myself I felt worthless and I felt that nobody really truly cared about me Looking Backwards from 2000 to 1887 (Annotated) Edward Bellamy,2020-02-04 Differentiated book It has a historical context with research of the time Looking back from 2000 to 1887 Lookink Backward 2000 1887 is a Victorian novel by American writer Edward Bellamy published in 1888 We begin this brief introduction by saying that Looking Back undoubtedly was one of the most influential American novels of all the times in addition to the great bestseller of his time and an inexhaustible source of political debate While the plot of Looking Back is clearly fantastic his spirit is not She was accused of a utopian novel of work that only works as a socialist pamphlet or as a cathartic exercise by Edward Bellamy Possibly it is the three things and also something else Looking back he tells us the story of Julian West a boy who lives in the late nineteenth century and who falls into a deep hypnotic dream that transports him to the year 2000 From here Edward Bellamy s imagination merges with his criticism of the capitalist system which provides the basis for his futuristic vision It is worth clarifying that Looking Back was not an innocent book The masses received it with joy It had a profound impact on later Marxist writings even in many North American regions hundreds of utopian communities were founded that tried to live under the slogans of the book *Looking Back: Isadore Weiss*,2009-07-13 This book is centered around the memoir Looking Back written in 1928 by 20 year old Isadore Weiss only six years after coming to the United States Isadore provides a fascinating insight into Jewish life in the Ukrainian village of Minkovitz before during and after World War One As the war reaches Minkovitz the reader experiences the rare insight of the communitys reaction to the fighting the first cars first motorcycles and first airplanes ever seen by people in that region Contrary to popular current thought we also see the excellent relationship between the Jewish community of Minkovitz and the German occupying troops who made toys and gathered firewood for the homes of the people where they were housed during the winter Isadore also recounts the artillery

and the hand to hand combat between the forces of Simon Petlura leader of the pogroms and the Bolsheviks We get to see how the new Communist regime establishes itself in Ukraine Isadores wife Sylvia rounds out the story of how they built a life together in the United States The story continues of how Isadore graduated with honors from the University of Pittsburgh and then worked as a Federal investigator as he overcame the barriers of a new language and anti Semitism Contributing authors provide background on the contemporary social demographic and political environment in Ukraine to help the reader put Looking Back into context

Tunnel Thru The Air Or Looking Back From 1940 W. D. Gann, 2016-08-09 In this inspirational masterpiece about the role of the human being in the universe finance trader and author W D Gann uses the Bible to explore the secret to successful living Through direct teachings from the Bible the reader may learn how to understand obey and apply the universal laws revealed in the Bible in order to bring about his own latent talents and powers and in turn be firmly set on the road towards health happiness and prosperity

Looking Back Joan E. Williams, 2015-11-05 At a time when there is the great debate in the USA about which countries interfere in other s democratic elections and a time of great turmoil in Venezuela this is a most relevant and timely publication For the current events in Venezuela including the shortage of basic food state sponsored terrorism civil unrest hyper inflation etc mirror conditions during the cold war era in the small nation state of Jamaica when they too experimented with socialism It was during that period too that the Russian KGB American CIA and Cuban DGI were all active on the ground trying to influence the outcome of their elections At that time the author Joan Williams and her entire family faced grave danger which forced her to have to temporarily send her children away as she was determined that the socialist communist threat which not only brought in its wake many mass murders numerous state organized massacres and even treason by a member of the then government which was at the time under the tutelage of foreign communist agencies should not succeed in depriving her and her people of their freedoms Williams who has visited Cuba four times since then the last being in 2014 says she has no regrets about the activities she participated in and dangers she faced but remains sympathetic to the Cuban people who she reveals are deprived browbeaten and hopeless much as the Venezuelan people are becoming today While the first part of this powerful memoir deals with the struggle to preserve their freedoms in Jamaica Williams also shares with readers the devastating period she went through when she lost her only son He was murdered when he was only 24 years old He died when a vicious killer fired one bullet into his heart Although this happened over two decades ago in her book Looking Back she admits that it took her many years before she could even talk about the event without breaking down totally In the chapter entitled To Hell and Back where she bares it all she says in part the worst part was the sleepless nights though especially when I teetered on the verge of suicide There was also the inability to eat for weeks on end as not only had my sense of taste gone but it was as if no stomach existed at all That is when I went through every event of my life trying to understand why such a terrible thing had happened to me for I did think I was a good person and terrible tragedies should never happen to good people This

gripping narrative by Williams takes readers through a roller coaster of various emotions including those which she had to confront when she looked back a few years ago and realized that all the evidence pointed to the possibility that her son was murdered not by a criminal but by someone in the Jamaican police force in her country where the police are sworn to To serve and protect She has provided a mountain of evidence to substantiate her claims This strong lady has however been able to recover from all her tragedies and struggles and risen like a phoenix to say years later that she is now one of the happiest persons in the world Certainly not because her son was murdered for she quotes the late Rose Kennedy It has been said that time heals all wounds I don t agree The wounds remain Time the mind protecting its sanity covers them with some scar tissue and the pain lessens but it is never gone but because I have come to realize that your success and happiness lies in you Resolve to keep happy and your joy and you shall form an invincible host against difficulties This is definitely a powerful and timely book not only for women but also persons interested in history politics sociology and personal triumphs **Looking**

Back 10-25-16 Robert Janicki,2016-10-25 The personal experiences of a young Marine who served in Vietnam with the 3rd Marines from September of 1967 through October 1968 through the Tet offensive **Looking Back on the Vietnam War** Brenda M. Boyle,Jeehyun Lim,2016-06-17 More than forty years have passed since the official end of the Vietnam War yet the war s legacies endure Its history and iconography still provide fodder for film and fiction communities of war refugees have spawned a wide Vietnamese diaspora and the United States military remains embroiled in unwinnable wars with eerie echoes of Vietnam Looking Back on the Vietnam War brings together scholars from a broad variety of disciplines who offer fresh insights on the war s psychological economic artistic political and environmental impacts Each essay examines a different facet of the war from its representation in Marvel comic books to the experiences of Vietnamese soldiers exposed to Agent Orange By putting these pieces together the contributors assemble an expansive yet nuanced composite portrait of the war and its global legacies Though they come from diverse scholarly backgrounds ranging from anthropology to film studies the contributors are united in their commitment to original research Whether exploring rare archives or engaging in extensive interviews they voice perspectives that have been excluded from standard historical accounts Looking Back on the Vietnam War thus embarks on an interdisciplinary and international investigation to discover what we remember about the war how we remember it and why **Looking Back from The Wild Side** CJ Anderson, I d turn back if I were you might have been

sage advice but then I wouldn t have all these great adventures to share Christians should smile a lot because they have so very much to be happy about I hope you will find these stories from my life funny enough to put a smile on your face so that the people you meet will want to know more about the Jesus you love *Looking Backward from 2000 to 1887* Edward Bellamy,2025-08-30 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Looking Back** Eva Merrill,2013-01-25 This book is a first hand account of the events of World War Two

seen through the eyes of a teenager who spent some of this period enduring the bombing raids on London and some of it billeted with various families in the country as an evacuee. The writing incorporates a chronological account of the main events of the War but is written in such a way that it doesn't seem like a history book. It's a real life adventure story, sometimes funny and sometimes sad. Life wasn't all picnics in the country for an evacuee and such things as toilets in sheds at the bottom of the garden took a lot of getting used to for a little city girl. As a source of information on the social history of Britain, this book is invaluable as there are all sorts of details that you wouldn't normally find in text books. It's written with a sense of the ridiculous and Evas description of how the family actually used their Morrison Table shelter could be a script for a comedy sketch. Above all, this is a book with universal appeal and is to be recommended to anyone with an interest in the war years as well as schools and colleges where the subject is taught.

If you ally need such a referred **Looking Backward At Us** book that will give you worth, get the certainly best seller from us currently from several preferred authors. If you want to humorous books, lots of novels, tale, jokes, and more fictions collections are next launched, from best seller to one of the most current released.
