LOOK: Looking Out, Looking In, 5th Edition Ronald B. Adler, Natalie K. Barfuss, Russell F. Procter II, Jimmie Manning, Judith A. Rolls, 2023-02-28 The fifth Canadian edition of LOOK weaves together theory popular culture and first person accounts from diverse communicators to give students a critical understanding of interpersonal communication With opportunities for practical application readers will gain confidence to build communication skills within their own relationships both in academia and in their future workplaces Built with students in mind LOOK 5Ce invites students from all programs of study to see the impact of communication skills on their everyday lives Looking Out/Looking In Ronald B. Adler, Neil Towne, 1998-08 Resources in Education, 1994 **Tradition, Solidarity and Empowerment: The Native Discourse in Canada** Steffi Retzlaff, 2012-01-31 This study represents a significant step towards understanding an important social phenomenon in Canada at the end of the twentieth and beginning of the twenty first century Throughout much of the twentieth century the life of virtually all Aboriginal people had been marked by a set of policies directed from Ottawa These had contributed to undermining both their traditional cultures and also the familial bonds vital for the development of a positive self image and a healthy relationship with other members of society as also with society as a whole The negative impact of such policies is now very widely recognised and documented The study does not set out to shed further light on this set of causes and effects What it does do successfully is investigate a number of the linguistic strategies based partly on aboriginal discursive models partly on positive presentation of a range of topics handled very differently in Euro Canadian media and partly on the propagation and consistent use of key items of terminology some of which have begun to enter at least some of the Euro Canadian media and strands of political discourse Prof Robert Gould Carleton University Ottawa The analytical framework employed in this study is Critical Discourse Analysis CDA CDA is said to focus on relevant social cultural and political problems and processes Accordingly its task is both deconstructive and constructive However the emphasis of research in CDA is mainly on problems and the deconstructive moment which aims at revealing hidden and not so hidden linguistic strategies and how dominant discourses are appropriated or naturalized The analysis presented in this book runs counter to this generally employed CDA practice It pays attention to constructive moments The focus is on counter discourses as they are used by Aboriginal people in Canada to resist ingrained hegemonic practices to build and develop new power relations as well as social and political identities **Violence in Canada** Jeffrey Ian Ross, Many people consider Canada particularly in comparison to its southern cousin as a peaceable kingdom However as the historical record demonstrates Canadians have never been a thoroughly non violent people Violence in Canada highlights from an interdisciplinary perspective the major areas and contexts where violence takes place Consisting of thirteen contributions the book forms an indispensable guide to the subject All of the authors are experts in their field many with international reputations and are drawn from the fields of sociology political science history and criminology The foreword by
