Man Or Mango A Lament:

Man or Mango? Lucy Ellmann, 2013-07-18 By the author of Ducks Newburyport shortlisted for the Booker Prize 2019 the Saltire Fiction Book of the Year Award and the Goldsmiths Prize Bold Wonderful Sunday Times Hilarious Razor sharp wit Cosmopolitan Eloise is too old to be called an orphan but insists she is bereft With a cello a car some cats and a supply of Chicken Balti she has devised for herself a half alive hermitude From her sinister country cottage she dispatches plaintive missives to the purveyors of evaporated milk and loo roll holders No one is too high too powerful to escape the fury of her attack George is England s only poet of ice hockey not a full time job Pining for inspiration he plays a lot of pinball and is chased around by his students Indeed all through the land people languish in a rage of bewilderment undone by neighbours the news and the heartless human tendency to reduce the world to lists Fierce funny and strange touching on the unseen links between donkeys fruit labelling and ferry disasters Lucy Ellmann s third novel reveals the stubborn nature of absurdity Man or Mango wanders through the darkest areas of human behaviour and our century s history asking how to live and how to love

Man Or Mango? Lucy Ellmann, 1999 Elo se and George a pair of star crossed lovers Elo se spends her time avoiding the human race and making lists of damaging encounters and the length of time it takes her to recover from them Speaking to postman half an hour Preparing to make phonecall days indefinite Yet she is also desperately yearning for George her sometime lover an American poet embarked on an epic of ice hockey Equally besotted George has pursued Elo se to England When the two are reunited by chance the results are truly explosive

Visual Devices in Contemporary Prose Fiction Simon Barton, 2016-01-26 This book acknowledges that the reader of a novel looks at and sees the page before they begin to read any text placed upon it Thus any disruptions to how a traditional page should look can have a large impact on the reading process The book critically engages with the visual appearance of graphically innovative contemporary prose fiction

Reading the graphic surface Glyn White, 2018-02-28 This book critically engages with the visual appearance of prose fiction where it is manipulated by authors from alterations in typography to the deconstruction of the physical form of the book It reappraises the range of effects it is possible to create through the use of graphic devices and explores why literary criticism has dismissed such features as either unreadable experimental gimmicks or more recently as examples of the worst kind of postmodern
