Moral Dimension of Man in the Age of Computers Adam Drozdek, 1995-08-08 Reason has very often been seen as the highest faculty of man and therefore a strong tendency to attempt to analyze man mainly in terms of the rational dimension exists This tendency was strong in antiquity and was given renewed attention in the seventeenth century In recent times developments and advancements in computer science have given the notion renewed scientific support In this tradition man is not only analyzed in terms of rational faculties but is often reduced to them The philosophical conclusions drawn from computer science strengthen the view that man's highest faculty is reason This work argues that this view of man is limited and insufficient because man is primarily a moral being and the rational dimension is only instrumental in the developing and in exercising what is most important in man the moral dimension

Morality in the Age of Political Redemption András Láncki, 2023-11-25 In modern times politics in the Western world has become the ultimate source of morality with the decline of religious and spiritual certainties Today public legitimacy both political and moral can only be derived from the idea that authority is based on individual decisions The foundation of modern

Western morality is based on the priority of the individual hence the entitlement of modern democracy This book is a case in favour of communal based individualism Narrow minded individualism can only lead to modern forms of nihilistic morality such as egoism and narcissism Today the schisms of morality within Western culture are more and more visible between the USA and Europe and is within Europe which has been exacerbated by the rift between Europe and Russia The book argues that if these schisms are not handled in a moral sense then Nietzsche's prediction that Europe was to face two hundred years of nihilism might come true and would threaten Western civilization [An Essay on Man](#) Ernst Cassirer,2021-01-01 One of the twentieth century's greatest philosophers presents the results of his lifetime study of man's cultural achievements An Essay on Man is an original synthesis of contemporary knowledge a unique interpretation of the intellectual crisis of our time and a brilliant vindication of man's ability to resolve human problems by the courageous use of his mind In a new introduction Peter E Gordon situates the book among Cassirer's greater body of work and looks at why his hymn to humanity in an inhuman age still resonates with readers today The best balanced and most mature expression of Cassirer's thought Journal of Philosophy No reader of this book can fail to be struck by the grandeur of its program or by the sensitive humanism of the author Ernest Nagel The Humanist A rare work of philosophy and a rare work of art Tomorrow *On certain Moral Aspects of Money-Getting* Sir William Tennant Gairdner,1868 **The Liberal Mind** Lyle H. Rossiter,2006 Why do modern liberals think and act as they do The radical left's politics and its destructive effects on our basic freedoms have provoked many to speculate on what makes these people tick The Liberal Mind answers the question This book is the first systematic analysis of the political madness that now threatens to destroy the West's greatest achievement the American dream of civilized liberty Back cover [Principles of Christian Morality](#) Hans Urs Von Balthasar,2010-12-14 A collection of essays by three giants of twentieth century theology Joseph Ratzinger now Pope Benedict XVI Hans Urs von Balthasar and Heinz Schurmann Balthasar's and Schurmann's essays were written for the International Theological Commission Schurmann examines how the New Testament's teaching provides enduring moral norms for Christian conduct Balthasar presents nine basic principles of the Christian moral life Ratzinger who originally wrote this essay as a series of articles for L'Osservatore Romano addresses the relationship between faith and morality and the place of the Church's teaching authority with regard to moral issues Learn more about Pope Benedict Visit the [UGC NET Paper 2 - Sociology Volume - 1](#) Mr. Rohit Manglik,2024-03-06 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels *Man's Fate and God's Choice* Bhimeswara Challa,2011-02-09 The world today is facing a bewildering array of problems where human behavior is both brazen and bizarre Those who are searching for a way out are daring to ask fundamental questions What is man's rightful place Are we a doomed species Is God becoming weary of mankind In Man's Fate and God's

Choice Bhimeswara Challa shares his comprehensive study of human behavior that suggests that the very paradigm of our thinking is inappropriate for the current challenges we face In a thoughtful innovative presentation of ideas Challa posits that any betterment in human behavior needs a cathartic change at the deepest level ultimately reawakening the intelligence of the human heart He begins by examining the greatest challenge of this generation of human beings and continues by placing the multiple identities of man in perspective reviewing our growing insensitivity to human suffering Finally he looks to the living world for inspiration metaphors and models for human transformation Man s Fate and God s Choice incisively covers an array of issues and proposes an agenda for action as it challenges those who see misery and ask Why to also see the promise in the rainbow and then ask Why not Truth and Politics Peter Samuel Kucer,2014 One of the perennial questions in political theology is how the concept of truth is defined and how such is grounded theologically This book tackles this question through an analysis and comparison of the thought of two of the most important contemporary Catholic and Protestant theologians Joseph Ratzinger Benedict XVI and John Milbank **Moral Values, Attitudes and Moods** BK Jagdish Chander,2021-04-23 OUR universe consists of two different aspects the physical or material and the spiritual or metaphysical Had man been only physical or material entity he would not have felt concerned with the moral or spiritual values In that case he would have behaved like a machine We find that almost all types of man s actions whether they are political social economic filial conjugal ritualistic are adjudged by the society from the moral point of view also The Watergate Scandal which led to the exit of President Nixon from the White House and to the launching of prosecution against his top aides is an historical illustration the memory of which is still fresh in the minds of the people all over the world It clearly shows that even if a person has reached the apex of political and executive machinery by means of an unprecedented popular vote and is strongly set in the highest echelons of power and is granted by conventions or the political constitution of his country certain privileges prerogatives and immunities the society looks at his actions from the moral point of view also
