Man Who Outgrew His Prison Cell Confessions Of A Bank Robber:

The Man Who Outgrew His Prison Cell Joe Loya, 2005-10-18 Joe Loya's idyllic childhood came to an abrupt end when his mother was diagnosed with a terminal illness. In the two years before her death, Joe's extremely religious father became increasingly violent toward his two young sons, a contradiction that haunted Joe for years. Then at age sixteen, Joe retaliated during a particularly severe beating and stabbed his father in the neck. For Joe, this was the starting point of a life of crime, and after holding up his twenty-fourth bank, he was arrested and served seven years in prison. He continued his criminal behavior behind bars and was eventually placed in solitary confinement, the lowest of lows even for convicts. Alone in his cell for two years, Joe was finally able to forgive his father, finding clarity, cultural insight, and redemption through writing.

Letters to an Incarcerated Brother Hill Harper, 2014-04 Originally published in hardcover in 2013 **The Morning Side of the Hill** Ezra E. Fitz, 2015-07-13 In *THE MORNING SIDE OF THE HILL*, Ezra E. Fitz's debut novella, he asks readers: What if you anted up and kicked in everything you had on a belief, a hope, a dream, on faith, and you lost? This is one of the questions facing Willie and Mo, the two insecure, incomplete protagonists that was inspired by and is an homage to William Faulkner's classic novel *The Wild Palms*. Like Faulkner's novel, it unfolds in two parallel stories told in alternating chapters that subtly illuminate one another. In the first set in uptown Manhattan, a disillusioned graduate student who's just a little too familiar with the neighborhood drug dealer and a lonely woman appears doomed to a disastrous end. In the second set in Crown Heights, Brooklyn, a soft-spoken parolee looking to reassemble the broken pieces of his former life meets a young, withered yet surprisingly ebullient cancer patient that eventually puts his one final chance at freedom at risk. As you read, the twin tales gather like a storm to an exhilarating ferocity, culminating in a violent flood of passions that none of the characters can control, and which threatens to drown them all. Faulkner fans may think they know what the end holds for these four characters, but rest assured, the culmination of *THE MORNING SIDE OF THE HILL* exposes an unexpected coincidence that Faulkner may have hinted at but never fully explored. A Burglar's Guide to the City Geoff Manaugh, 2016-04-05 A deeply researched and brilliantly written blueprint to the criminal possibilities in the world all around us. Warren Ellis, author of *Gun Machine*. At the core of *A Burglar's Guide to the City* is an unexpected and thrilling insight: how any building transforms when seen through the eyes of someone hoping to break into it. Studying architecture the way a burglar would. Geoff Manaugh takes readers through walls, down elevator shafts, into panic rooms, and out across the rooftops of an unsuspecting city. Encompassing nearly two thousand years of heists and break-ins, the book draws on the expertise of reformed bank robbers, FBI special agents, private security consultants, the LAPD Air Support Division, and architects past and present. Whether discussing how to pick padlocks, climb the walls of high-rise apartments, find gaps in a museum's surveillance routine, or discuss home invasions in ancient Rome, *A Burglar's Guide to the City* ensures readers will never enter a bank again without imagining how to loot the vault or walk down the street without planning the perfect getaway. Praise for *A Burglar's Guide to*

the City This burglar's guide isn't for ordinary smash and grab burglars it's for the rest of us who steal in steal out and get away with glorious dreams A spectacularly fun read Robert Krulwich cohost of Radiolab Who knew that urban studies could be so riveting Geoff Manaugh excels at finding new illicit and fresh angles on a subject as loved as it is overexposed the city In his new book elegant perverse sinuous supervillains maneuver and master the city like parkour champions I see the TV series already Paola Antonelli design curator MoMA

Prison Life Writing Simon Rolston, 2021-06-30 Prison Life Writing is the first full length study of one of the most controversial genres in American literature By exploring the complicated relationship between life writing and institutional power this book reveals the overlooked aesthetic innovations of incarcerated people and the surprising literary roots of the U S prison system Simon Rolston observes that the autobiographical work of incarcerated people is based on a conversion narrative a story arc that underpins the concept of prison rehabilitation and that sometimes serves the interests of the prison system rather than those on the inside Yet many imprisoned people rework the conversion narrative the way they repurpose other objects in prison Like a radio motor retooled into a tattoo gun the conversion narrative has been redefined by some authors for subversive purposes including questioning the ostensible emancipatory role of prison writing critiquing white supremacy and broadly reimagining autobiographical discourse An interdisciplinary work that brings life writing scholarship into conversation with prison studies and law and literature studies Prison Life Writing theorizes how life writing works in prison explains literature s complicated entanglements with institutional power and demonstrates the political and aesthetic innovations of one of America s most fascinating literary genres **The Hands that Crafted the Bomb** Josh

Fernandez, 2024-02-13 Josh Fernandez is a community college professor who finds himself under investigation for soliciting students for potentially dangerous activities after starting an antifascist club on campus As Fernandez spends the year defending his job he reflects on a life lived in protest of the status quo swept up in chaos and rage from his childhood in Boston dealing with a mentally ill father and a new family to growing up in Davis California in the basement shows of the early 90s when Nazi boneheads proliferated the music scene looking for heads to crack His crew s first attempts at an antifascist group fall short when a member dies in a knife fight A born antiauthoritarian filled with an untamable rage Fernandez rails against the system and aggressively chooses the path of most resistance This leads to long spates of living in his car strung out on drugs and robbing the whiteboys coming home from the clubs at night Fernandez eventually realizes that his rage needs an outlet and finds relief for his existential dread in the form of running And fighting Nazis Fernandez cobbles together a life for himself as a writing professor a facilitator of a self defense collective a boots on the ground participant in Antifa work and a proud father of two children he unapologetically raises to question authority But his parents and academia seem to think Fernandez is failing miserably putting his children and his students at risk and they treat Fernandez like he s a time bomb ready to explode at any moment They may have a point *Dear California* David
