## **Man Of Peace A Novel Of The Anti Christ:**

**Man of Peace** Michael Youssef, 1992 Joshua Gad Erianko's meteoric rise to political power focuses the eyes of the world squarely upon him. Millions of people come to believe that Joshua will finally stop the world's madness, wars, plagues, famines. Soon it becomes clear that Joshua's true intentions are satanic. Can a visionary old man and his two faithful followers ignite a movement for Christ to reclaim the world? **The Book of Revelation The End Times are Here** Gderek Paul, 2020-05-15 Book Delisted **The Answer to All Your Questions about the Book of Revelation** Ray Pennington, 2010-08 Ray Pennington, a country preacher and pastor, spent many years studying the Word of God, spending many hours reading the writings of different authors of books about the Revelation of Jesus Christ. In 2005, God put a desire in Ray to simply read this great Revelation of Jesus Christ, the Son of God. It was during this year and in a very short period of time that God illuminated Ray's mind concerning this Great Revelation of Jesus Christ, and he preached thirty-one sermons as the Holy Spirit inspired him. Through this experience of illumination given by the Holy Spirit, Ray realized that we have been given a Teacher that is far above the commentaries of men. This book was not written as a commentary but God-given illumination concerning The Revelation of Jesus Christ. Ray and his wife Dolly now reside in Staffordsville, Kentucky. **The Finale. Messages from the Book of Revelation** Alvin Low, 2019-01-12 These messages from the Book of Revelation will encourage you to live today in the light of the second coming of Jesus Christ. Prophecy must produce piety. The future events are not for speculation but they are meant to challenge us to live a life of godliness, a life that pleases and honors God and our Lord and Savior, Jesus Christ. The Book of Revelation is a prophetic book that unfolds the drama of the ages and culminates at the grand finale, the second coming of Jesus Christ, the New Heaven and the New Earth, and the New Jerusalem. We live on the precipice of what is soon to come. This book will encourage you to be informed and be prepared for the future. **The Book of Revelation**, 2011-10-27 History is littered with those who have prophesied the end of the world, but there can be only one prophecy, and the time has come for us to truly understand it. The book of Revelation, perhaps the most misunderstood scriptural text, contains the key to our hope and salvation when the end of days arrives. With the stunning evidence discovered during his exhaustive twenty-year study of Scripture, which included Greek, Hebrew, and Latin primary texts, author Timothy R. Mungovan presents *The Book of Revelation: A Complete and Precise Understanding*, a biblical exposé containing everything Christians must know about the second coming of Jesus Christ. Mungovan's compelling research-driven commentary details every element and event leading up to and following the battle of Armageddon, including proof of the latest possible year for the beginning of the tribulation, the true character of the Antichrist, the four horsemen, accurately identified the seven trumpets, events and their true meaning and consequence, the history and fallacy of rapture theory, God's purpose for the millennial age, the fallen angels and their literal offspring, shocking photographic proof of the bottomless pit inside the earth, a complete quick reference to the events of tribulation, a primary list of key biblical metaphors. The approaching great

tribulation will overtake mankind and dramatically alter world politics economics and society as we know them today Only through faith and understanding can we hope to survive the Antichrist and the armies of Satan and live on into the world that is to come *The Islamic Antichrist* Joel Richardson,2009 In *The Islamic Antichrist* Richardson exposes Western readers to the traditions of Islam and predicts that the end times may not be far away His book will stun readers unaware of the similarities between the Antichrist and the Islamic Jesus His research on the relationship between Christian end time prophecy and Islamic expectations of world domination will shock readers and shape the debate over radical Islam for years to come This is the book to read to understand Islam s potential role in fulfilling the prophecies of the Bible Page 2 of cover
