Phototextualities Alex Hughes, Andrea Noble, 2003 How are photographs understood as narratives In this book twenty two original critical essays tackle this overarching question in a series of case studies moving chronologically across the history of photography from the 1840s to the twenty first century The contributors explore the intersections of photography with history memory autobiography time death mapping the discourse of Orientalism digital technology and representations of race and gender The essays range in focus from the role of photographic images in the memorialization of the Holocaust the Argentine Dirty War and Japanese American internment camps through Man Ray's classic image *Noire et blanche* and Nan Goldin's *The Ballad of Sexual Dependency* to the function of family albums in nineteenth century England and America

Man Ray Arthur Lubow, 2021-01-01 A biography of the elusive but celebrated Dada and Surrealist artist and photographer connecting his Jewish background to his life and art Man Ray 1890 1976 a founding father of Dada and a key player in French Surrealism is one of the central artists of the twentieth century He is also one of the most elusive In this new biography journalist and critic Arthur Lubow uses Man Ray's Jewish background as one filter to understand his life and art Man Ray began life as Emmanuel Radnitsky the eldest of four children born in Philadelphia to a mother from Minsk and a father from Kiev When he was seven the family moved to the Williamsburg section of Brooklyn where both parents worked as tailors Defying his parents expectations that he earn a university degree Man Ray instead pursued his vocation as an artist embracing the modernist creed of photographer and avant garde gallery owner Alfred Stieglitz When at the age of thirty Man Ray relocated to Paris he unlike Stieglitz made a clean break with his past

Remaking the Readymade Adina Kamien-Kazhdan, 2018-05-11 Replication and originality are central concepts in the artistic oeuvres of Marcel Duchamp and Man Ray *Remaking the Readymade* reveals the underlying and previously unexplored processes and rationales for the collaboration between Duchamp Man Ray and Arturo Schwarz on the replication of readymades and objects The 1964 editioned replicas of the readymades sent shock waves through the art world Even though the replicas undermined ideas of authorship and problematized the notion of identity and the artist they paradoxically shared in the aura of the originals becoming stand ins for the readymades Scholar poet dealer Arturo Schwarz played a crucial role opening the door to joint or

alternate authorship an outstanding relationship between artist and dealer By unearthing previously unpublished correspondence and documentary materials and combining this material with newly conducted exclusive interviews with key participants Remaking the Readymade details heretofore unrevealed aspects of the technical processes involved in the re creation of iconic long lost Dada objects Launched on the heels of the centenary of Duchamp s Fountain this new analysis intensifies and complicates our understanding of Duchamp and Man Ray initial conceptions and raises questions about replication and authorship that will stimulate significant debate about the legacy of the artists the continuing significance of their works and the meaning of terms such as creativity originality and value in the formation of art **Man Ray: When**

Objects Dream Stephanie D'Alessandro, Stephen C. Pinson, 2025-09-08 This is the first in depth study of the rayograph or camera less photograph pioneered by Man Ray 1890 1976 in 1920s Paris between the Dada and Surrealist movements The transformative magical qualities of these experiments led the poet Tristan Tzara to describe them as capturing moments when objects dream Oscillating between representation and abstraction the rayograph was ambiguous in its making and subject matter encapsulating avant garde concerns of the day This book highlights connections and shared motifs between the rayographs and Man Ray s paintings photographs drawings objects and films Stephanie D Alessandro and Stephen C Pinson analyze the artist s innovative methods while also exploring key themes across a broad range of his art production such as chance indeterminacy transformation and preoccupation with dualities Man Ray Jennifer Mundy, 2016-03-01 Man Ray 1890 1976 was a pioneer of the Dada movement in the United States and France and a central protagonist of Surrealism Today he is one of the best known American artists of the twentieth century celebrated above all for his innovative and often seductively glamorous photography Surprisingly given Man Ray s key role in the history of early twentieth century Modernism a comprehensive collection of his writings on art has not been published in English until now Man Ray Writings on Art fills a conspicuous gap in scholarship on the artist and his period It brings together his most significant writings many of them published here for the first time These occasionally quixotic texts which include artist books essays interviews letters and visual poems reveal the incredible scale of the artist s output and the remarkable continuity of his aesthetic and political beliefs This volume offers a long overdue vision of Man Ray as someone who used words both as a creative medium and as a means of articulating ideas about the nature and value of art With richly reproduced illustrations it provides powerful insight not only to scholars of art history and academics but also to working artists and those who count themselves as Man Ray fans

Kiki Man Ray: Art, Love, and Rivalry in 1920s Paris Mark Braude, 2022-08-09 One of The New Yorker s Best Books of 2022 One of The New York Time s 100 Notable Books of 2022 One of Art News s Art Books They Couldn t Put Down in 2022 A dazzling portrait of Paris s forgotten artist and cabaret star whose incandescent life asks us to see the history of modern art in new ways In freewheeling 1920s Paris Kiki de Montparnasse captivated as a nightclub performer sold out gallery showings of her paintings starred in Surrealist films and shared drinks and ideas with the likes of Jean Cocteau and Marcel

Duchamp Her best selling memoir featuring an introduction by Ernest Hemingway made front page news in France and was immediately banned in America All before she turned thirty Kiki was once the symbol of bohemian Paris But if she is remembered today it is only for posing for several now celebrated male artists including Amedeo Modigliani and Alexander Calder and especially photographer Man Ray Why has Man Ray s legacy endured while Kiki has become a footnote Kiki and Man Ray met in 1921 during a chance encounter at a caf What followed was an explosive decade long connection both professional and romantic during which the couple grew and experimented as artists competed for fame and created many of the shocking images that cemented Man Ray s reputation as one of the great artists of the modern era The works they made together including the Surrealist icons *Le Violon d Ingres* and *Noire et blanche* now set records at auction Charting their volatile relationship award winning historian Mark Braude illuminates for the first time Kiki s seminal influence not only on Man Ray s art but on the culture of 1920s Paris and beyond As provocative and magnetically irresistible as Kiki herself Kiki Man Ray is the story of an exceptional life that will challenge ideas about artists and muses and the lines separating the two

Assembling Art Barbara Beth Zabel,2004 Cézanne and America John Rewald,2023-08-15 John Rewald the internationally acclaimed Cezanne scholar presents here for the first time a full account of how the artist s reputation and influence became established in America between 1891 and 1921 and of how some of the world s largest collections of Cezanne s works were formed in the United States Duchamp's Pipe Celia Rabinovitch,2020-02-25 Shortlisted for the 2021 Vine Awards Art chess and an 87 000 pipe frame an inside look at the relationship between Dadaist artist Marcel Duchamp and chess Grandmaster George Koltanowski Spanning three decades two continents two world wars and the international art and chess scenes of the mid twentieth century Duchamp s Pipe explores the remarkable friendship between art world enfant terrible Marcel Duchamp and blindfold chess champion George Koltanowski Artist and cultural historian Celia Rabinovitch describes each man s rise to prominence the chess matches that sparked their relationship and the recently discovered pipe that Duchamp gave to Koltanowski This tale of genius and resilience offers fresh insights into the essence of the gift in the bohemian underground Rabinovitch invites us to discover the chess wizard and a Duchamp slightly off pedestal and ultimately more human *Dance and American Art* Sharyn R. Udall,2012-06-19 From ballet to burlesque from the frontier jig to the jitterbug Americans have always loved watching dance whether in grand ballrooms on Mississippi riverboats or in the streets *Dance and American Art* is an innovative look at the elusive evocative nature of dance and the American visual artists who captured it through their paintings sculpture photography and prints from the early nineteenth century through the mid twentieth century The scores of artists discussed include many icons of American art Winslow Homer George Caleb Bingham Mary Cassatt James McNeill Whistler Alexander Calder Joseph Cornell Edward Steichen David Smith and others As a subject for visual artists dance has given new meaning to America s perennial myths cherished identities and most powerful dreams Their portrayals of dance and dancers from the anonymous to the famous Anna Pavlova

Isadora Duncan Loie Fuller Josephine Baker Martha Graham have testified to the enduring importance of spatial organization physical pattern and rhythmic motion in creating aesthetic form Through extensive research sparkling prose and beautiful color reproductions art historian Sharyn R Udall draws attention to the ways that artists portrayals of dance have defined the visual character of the modern world and have embodied culturally specific ideas about order and meaning about the human body and about the diverse fusions that comprise American culture The Grove Encyclopedia of American Art Joan M. Marter,2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries *Dada and Surrealist Film* Rudolf E. Kuenzli,1996-07-29 This groundbreaking collection of thirteen original essays analyzes connections between film and two highly influential twentieth century movements *A Cinematic Artist* Kim Knowles,2009 The American artist Man Ray was one of the most influential figures of the historical avant garde contributing significantly to the development of both Dadaism and Surrealism Whilst his pioneering work in photography assured him international acclaim his activity in other areas notably film is to this day both unknown and undervalued During the 1920s Man Ray made four short experimental films and collaborated on a host of other projects with people such as Marcel Duchamp Fernand Léger Ren Clair and Hans Richter These works along with a series of cinematic essays and home movies made during the 1920s and 1930s represent the most important contribution to the development of an alternative mode of filmmaking in the early twentieth century This book explores Man Ray's cinematic interactions from the perspective of his interdisciplinary artistic sensibility creating links between film photography painting poetry music architecture dance and sculpture By exposing his preoccupation with form and his ambiguous relationship with the politics and aesthetics of the Dada and Surrealist movements the author paints an intimate and complex portrait of Man Ray the filmmaker *The Original Copy* Roxana Marcoci,Geoffrey Batchen,Tobia Bezzola,2010 Since its birth in the first half of the 19th century photography has offered extraordinary possibilities of isolating works of art for study and pleasure Through cropping focus angle of view distance and lighting as well as the ex post facto techniques of dark room manipulation collage montage and assemblage photographers not only interpret the artworks they record but create stunning reinventions The Original Copy Photography of Sculpture 1939 to Today presents a critical examination of the intersections between photography and sculpture Through a selection of nearly 300 outstanding pictures by more than 100 artists from the 19th century to the present The Original Copy explores how one medium has become implicated in the understanding of the other Photographs reproduced in this richly illustrated volume range in subject from inanimate objects to performing bodies and include major works by medium's most influential artists from early modernism to the present **The Eye of the Law** Michael Stolleis,2008-09-25 Written by the eminent German historian Michael Stolleis these two Essays on Legal History The Eye of the Law and In the Name of the Law offer an original and compelling history of the symbolism through which law is characterised as being above us **Please Touch** Janine A. Mileaf,2010 Exploring the notion of tactility in dada and

surrealism *Historical Dictionary of Surrealism* Keith Aspley, 2010-10-16 Surrealism was a broad movement which attracted many adherents. It was organized and quite strictly disciplined at least until the death of its leader Andr  Breton in 1966. As a consequence its membership was in a constant state of flux; persons were constantly being admitted and excluded and often the latter continued to regard themselves as Surrealists. The wide ranging nature of the Surrealist movement was spread over many countries and many different art forms including painting, sculpture, cinema, photography, music, theater and literature, most notably poetry. The *Historical Dictionary of Surrealism* relates the history of this movement through a chronology, an introductory essay, a bibliography and over 600 cross referenced dictionary entries on persons, circles and groups who participated in the movement, a global entry on some of the journals and reviews they produced and a sampling of major works of art, cinema and literature.

Seizing the Light Robert Hirsch, 2024-02-08 The definitive history of photography book *Seizing the Light: A Social Aesthetic History of Photography* delivers the fascinating story of how photography as an art form came into being and its continued development, maturity and transformation. Covering major events, practitioners' works and social effects of photographic practice, author Robert Hirsch provides a concise and discerning chronological account of photography, drawing on examples from across the world. This fundamental starting place shows the diversity of makers, inventors, issues and applications, exploring the artistic, critical and social aspects of the creative thinking process. This new edition has been fully revised and updated to include the latest advances in technology and digital photography as well as information on contemporary photographers such as Granville Carroll, Meryl McMaster, Cindy Sherman, Penelope Umbrico and Yang Yongliang. New topics include the rise of mobile photography and surveillance cameras, drone photography, image manipulation, protest and social justice photography, plus the roles of artificial intelligence and social media in photography. Highly illustrated with over 250 full color images and contributions from hundreds of artists around the world, *Seizing the Light* serves as a gateway to the history of photography. Written in an accessible style, it is perfect for those newly engaging with the practice of photography and for experienced photographers wanting to contextualize their own work.
