*Man* Manly P. Hall, 2018-12-02 Man according to Manly P Hall is at the center of the Mystery School tradition We are the living reflection of the Creator and all traditions in Western Esotericism are based upon it Our purpose has been to bring together not all but only a small part of what may be termed the lore of the human body For the most part the origins of the various doctrines are set forth in the text Some have come from Eastern scriptures some from the Hermetic fragments We have called upon a wide diversity of old authorities and strangely enough there is an evident consistency among them conspicuously lacking with the moderns The sages furthermore approached their task with veneration an underlying realization of the dignity of life adds charm to every conclusion They viewed the human body not as the man but as the house of the man Antiquity was convinced of immortality and among the wise the science of the soul occupied first place Much work remains to be done in the field of occult anatomy There are many old writings yet to be consulted libraries unavailable to the public to be explored manuscripts to be deciphered The Codices of Central America must be made to give up their secrets The temples libraries of Asia are filled with priceless documents for in India are preserved records invaluable to science Our effort then is primarily to stimulate interest and to focus the attention of the learned upon this engrossing theme We are subject to errors which time alone can correct but the principle of the correspondence existing between man and the world is established upon incontestable grounds Manly P Hall     Man Manly Palmer Hall, 2022-12-26 This unique collection of material drawing on esoteric sources produced through centuries contains thought provoking essays establishing how the body reveals the laws and principles operating throughout the universe Eighteen chapters and lushly illustrated plates from early and rare mystical texts make this an essential part of any occultist s library     **Man** Manly Hall, 2022-02 Manly Palmer Hall 1901 1990 was a Canadian born author and mystic He is perhaps most famous for his work *The Secret Teachings of All Ages* An Encyclopedic Outline of Masonic Hermetic Qabbalistic and Rosicrucian Symbolical Philosophy published in 1928 when he was 27 years old In 1934 Hall founded the Philosophical Research Society PRS in Los Angeles California dedicating it to an idealistic approach to the solution of human problems The PRS claims to be non sectarian and entirely free from educational political or ecclesiastical control and the Society s programs stress the need for the integration of philosophy religion and science into one system of instruction The PRS Library a public facility devoted to source materials in obscure fields has many rare and scarce items now impossible to obtain elsewhere In his over 70 year career Hall delivered approximately 8 000 lectures in the United States and abroad authored over 150 books and essays and wrote countless magazine articles     *Man. the Grand Symbol of the Mysteries ...
