 Wilson,Maria Colavito,Djoymi Baker,2014-03-21 Soon after film came into existence the term epic was used to describe  
 productions that were lengthy spectacular live with action and often filmed in exotic locales with large casts and staggering  
 budgets The effort and extravagance needed to mount an epic film paid off handsomely at the box office for the genre  
 became an immediate favorite with audiences Epic films survived the tribulations of two world wars and the Depression and  
 have retained the basic characteristics of size and glamour for more than a hundred years Length was and still is one of the  
 traits of the epic though monolithic three to four hour spectacles like *Gone with the Wind* 1939 and *Lawrence of Arabia* 1962  
 have been replaced today by such franchises as the Harry Potter films and the Lord of the Rings trilogy Although the form  
 has evolved during many decades of existence its central elements have been retained refined and modernized to suit the  
 tastes of every new generation The Encyclopedia of Epic Films identifies describes and analyzes those films that meet the  
 criteria of the epic sweeping drama panoramic landscapes lengthy adventure sequences and in many cases casts of  
 thousands This volume looks at the wide variety of epics produced over the last century from the silent spectacles of D W  
 Griffith and biblical melodramas of Cecil B DeMille to the historical dramas of David Lean and rollercoaster thrillers of  
 Steven Spielberg Each entry contains Major personnel behind the camera including directors and screenwriters Cast and

character listings Plot summary Analysis Academy Award wins and nominations DVD and Blu ray availability Resources for further study This volume also includes appendixes of foreign epics superhero spectaculars and epics produced for television along with a list of all the directors in the book Despite a lack of overall critical recognition and respect as a genre the epic remains a favorite of audiences and this book pays homage to a form of mass entertainment that continues to fill movie theaters The Encyclopedia of Epic Films will be of interest to academics and scholars as well as any fan of films made on a grand scale

**Hangman's Journal** Shashi Warriar, 2000 Measuring out the rope testing it tying the knots I have learnt to do these things well because I concentrate on doing them well I concentrate on them as best as I can because if I don't my mind will find its ways to the man about to die and then I will have no peace For over three decades Janardhan Pillai was the arathar the hangman on call by the prison authorities in the kingdom of Travancore and after Independence the states of Kerala and Tamil Nadu After the courts had passed the sentence it was left to him to put the condemned man to death expertly swiftly Each time he returned from the gallows he told himself that it would be the last time But he went back a hundred and seventeen times Based on Pillai's life Hangman's Journal draws from his diaries and the author's interviews with him A work of rare power written in the first person it takes us into the mind of a man struggling to come to terms with his dharma his conscience and his shame There are clinical details of the rituals connected with hanging over half a century ago and startling insights into the nature of crime and the concept of retribution account of a life of great psychological and moral complexity
