*The Man Without a Country and Other Stories* Edward Everett Hale, 1976-01-01 A parable of patriotism written at the height of the Civil War which tells the story of Philip Nolan a young officer who while on trial for misconduct expresses a wish never to hear of the United States again and is sentenced to spend the rest of his life on board a ship barred from any news of home

The Man Without a Country Edward E. Hale, 2024-11-23 The Man Without a Country first appeared in the Atlantic Monthly for December 1863 It was the author's wish that it be published anonymously in the hope that it might be ascribed to some officer of the Navy but unfortunately the man who compiled the year's index for the magazine which was mailed with the December number recognized Dr Hale's handwriting and gave him credit for it in the index The story was written during the darkest period of the Civil War and this war is perhaps the gloomiest period in the history of our great republic in the history of our great Republic it was written at a time when one half of the people in the United States were burning with patriotism and were ready to lay down their lives to preserve the Union while the other half were striving to disrupt what to them was merely a confederation of States in no wise binding and were damning the United States even as did Philip Nolan at a time when the President was bending low under the weight of sorrow for the loss of thousands of noble men who were falling in battle and was enduring in pitiful silence the villification that was heaped upon him by the copper head opposition at a time when patriotism was preached in the pulpit sung by our poets and exhaled with every breath The story launched in such an atmosphere met with immediate favor It was reprinted everywhere without

regard for copyright and was translated into several foreign languages It was accepted by many as a narrative of actual facts and provoked many discussions as to whether Philip Nolan was a real person some even went so far as to identify him

Edward Everett Hale,2013-12-01 Love of country is a sentiment so universal that it is only on such rare occasions as called this book into being that there is any need of discussing it or justifying it There is a perfectly absurd statement by Charles Kingsley in the preface to one of his books written fifty years ago in which he says that while there can be loyalty to a king or a queen there cannot be loyalty to one s country This story of Philip Nolan was written in the darkest period of the Civil War to show what love of country is There were persons then who thought that if their advice had been taken there need have been no Civil War There were persons whose every day pursuits were greatly deranged by the Civil War It proved that the lesson was a lesson gladly received I have had letters from seamen who read it as they were lying in our blockade squadrons off the mouths of Southern harbors I have had letters from men who read it soon after the Vicksburg campaign And in other ways I have had many illustrations of its having been of use in what I have a right to call the darkest period of the Republic
