Ministry of Devolution and Planning,2013 **Digenetic Trematodes** Rafael Toledo,Bernard Fried,2014-06-05 Digenetic trematodes constitute a major helminth group that parasitize humans and animals and are a major cause of morbidity and mortality The diseases caused by trematodes have been neglected for years especially as compared with other parasitic diseases However the geographical limits and the populations at risk are currently expanding and changing in relation to factors such as growing international markets improved transportation systems and demographic changes This has led to a growing international interest in trematode infections although factors such as the difficulties entailed in the diagnosis the complexity of human and agricultural practices the lack of assessments of the economic costs or the limited number of effective drugs are preventing the development of control measures of these diseases in humans and livestock In depth studies are needed to clarify the current epidemiology of these helminth infections and to identify new and specific targets for both effective diagnosis and treatments The main goal of this book is to present the major trematodes and their corresponding diseases in the framework of modern parasitology considering matters such as the application of novel techniques and analysis of data in the context of host parasite interactions and to show applications of new techniques and concepts for the studies on digenetic trematodes This is an ideal book for parasitologists microbiologists zoologists

un segundo hijo en camino necesita sacarse un dinero extra revendiendo artículos robados. Ahora su primo Freddie le ofrece participar en algo más peligroso: el robo del famoso hotel Theresa el Waldorf de Harlem. Policías corruptos y gangsters locales y pornógrafos pirómanos pasan a formar parte de su clientela habitual y Ray tendrá que hacer equilibrios para mantener esta doble vida sin morir en el intento. El multipremiado Colson Whitehead regresa con una historia deslumbrante que recrea el paisaje criminal del Harlem de los años sesenta, un lugar que se convertirá en el centro de la lucha por los derechos civiles y donde la muerte de un adolescente negro abatido a tiros por la policía desencadenará los famosos disturbios de 1964. Una vez más el autor pone de relieve las desigualdades y la discriminación racial de una época cuyos ecos aún resuenan en nuestro presente en una novela criminal cargada de humor con la que consigue romper de nuevo las reglas del género negro. La crítica ha dicho: Uno de los mejores escritores norteamericanos vivos. Mitchell S. Jackson, *Time*. Su escritura hace lo que la escritura debe hacer: actualiza nuestra percepción del mundo. John Updike, *New Yorker*. La novela clava las complejidades del pasado de Nueva York desde las maravillas de la Feria Mundial hasta la desesperación de los disturbios en Harlem. Los Angeles Times. Whitehead pone a prueba su fuerza literaria expandiendo los límites y las expectativas de la novela negra. Este libro es también un drama social que interroga la naturaleza de los prejuicios y cómo el entorno limita la ambición. The Guardian. Book of the Day. Gloriosamente entretenido, un drama social chispeante que combina pinceladas de alta comedia con reflexiones sobre la esencia de la emancipación y el empoderamiento negro en Estados Unidos. Es poco probable que surja una novela mejor que esta. The Evening Standard. La trama que Whitehead ha ideado para *El ritmo de Harlem* le ha ofrecido un nuevo motor narrativo de alta velocidad con el que jugar, pero también le ha dado una forma de explorar ideas sobre la naturaleza resbaladiza de la moralidad, el poder y quien lo posee, y las jerarquías sociales de subculturas criminales. The New York Times. Una apasionante novela de atracos ambientada en la era del Harlem de los derechos civiles. Es una historia superlativa, pero el logro más impresionante es la representación amorosa que hace Whitehead del Harlem de los años 60 que aterriza de manera tan detallada y vívida como el *Dublin* de Joyce. No se sorprendan si esta novela le otorga a Whitehead otro premio importante. Publishers Weekly. Una novela emocionante y sabia. The Boston Globe.
