Current Technical Service Contracts and Grants United States. Agency for International Development. Office of Contract Management. Support Division, 1975-07 Directory of Research Grants 2008 Schoolhouse Partners Llc, 2008-05 It was the 50s and life was simple until September 25 1954 That was the night that would be etched in the memory of the citizens of Stanfield Massachusetts The Chief of Police described the brutal savagery of the double homicide as the most atrocious crime in the history of the city A fourteen year old girl and the four year old boy in her care were murdered at the hands of a deranged depraved killer A Thread of Evidence places the reader at the scene of the crime an eye witness to the senseless stabbing of two innocent children With a piece of crochet thread as their only clue the entire police department lead by detectives Steven Logan and Raymond Gage scour the city in search of a maniacal savage When all tips and leads have been exhausted they review all evidence They come back to the thread The only real evidence With tenacity and perseverance of Logan and Gage the killer is apprehended The reader experiences the twists and turns of the investigation and ultimately occupies a reserved seat in the Superior Court as the trial proceedings commence A Thread of Evidence has been written as fiction but inspired by an actual event Fifty years later it remains etched in the minds of all who had lived in the area The author has researched court records newspapers interviewed neighbors police and has drawn on personal recollections of the crime The story has been recounted over and over and to this day it continues to be discussed A Thread of Evidence is a compelling account of superb detective work and unprecedented dedication of an entire police department

Corporate Governance in Developing and Emerging Markets Franklin Ngwu, Onyeka Osuji, Frank

Stephen, 2016-12-08 Throughout the world the Anglo American model of corporate governance tends to prevail but no two countries are identical Governance outcomes in developing and emerging economies often deviate from what theory predicts due to a wide range of factors Using insights from New Institutional Economics Corporate Governance in Developing and Emerging Markets aims to explain the different issues and cultural and legal factors at play and put forward an alternative governance framework for these economies Structured in three parts this text investigates different models of corporate governance it explores the realities of corporate governance in ten nations including the BRICS Brazil Russia India China and South Africa and MINT Mexico Indonesia Nigeria and Turkey countries and then considers corporate governance reform This interdisciplinary text will be a valuable tool for students of corporate governance across Business Economics and Law and an equally useful resource for anyone working in or carrying out research in this area The Publishers' Trade List Annual, 1989 **Subject Guide to Books in Print**, 1997
