Reviving Businesses With New Organizational Change Management Strategies Geada, Nuno, Anunciação, Pedro, 2021-06-25 With the gradual resumption of economic activity most businesses are facing a range of challenges associated with implementing measures to protect the health and safety of their employees. Some employers had to put certain business activities on hold and even start new ones in order to keep their organizations operating efficiently. The global COVID 19 pandemic plus digital transformation and the pressure of Industry 4.0 have challenged companies to manage their organizations in newfound ways. In the short term they are facing enormous changes to their business plans in the long term they must adapt and continue to progress on their original goals. Reviving Businesses With New Organizational Change Management Strategies is a crucial reference book that analyzes the sensitivity of organizations to change management based on methodologies and tools to control impacts to understand how employees will be impacted in their environment and to learn how technology will help both the industry and professionals. This book also explores types of frameworks that are built for communication and business continuity, the importance of collaborative and interactive relationships for change management and emotional factors and issues for change management. Covering topics including change management models, cybersecurity, Health 4.0, privacy and security and information systems management, this text is essential for managers, executives, human resources managers, academicians, students and researchers looking for successful business strategies that are leading to increased efficiency, performance and growth. **The Manual of Strategic Planning for Cultural Organizations** Gail Dexter Lord, Kate Markert, 2017-03-17 The Manual of Strategic Planning for Cultural Organizations adopts a holistic approach to the creative world of cultural institutions. By encompassing museums, art galleries, gardens, zoos, science centers, historic sites, cultural centers, festivals and performing arts, this book responds to the fact that boundaries are being blurred among institutional types, with many gardens incorporating exhibitions, many museums part of multidisciplinary cultural centers and festivals. As cultural leaders transform the arts in the twenty-first century, this whole career manual will prepare readers for every stage. Three key areas covered are Leadership change. This chapter explains the role of strategic planning when an institution is going through the process of hiring a new director. A question we are frequently asked is Should the strategic plan precede the search process or should it wait until the new director takes up the position? Institutional change. Increasingly cultural organizations are going through major change from public sector agencies to nonprofit corporations, from private ownership to nonprofit status, from nonprofit status to a foundation and many other variations. This book addresses the role of strategic planning during these transitions. Staff empowerment. This manual addresses the opportunities for staff at all levels to grow by participating in strategic planning. This edition focuses on how to engage and empower staff. A Guide for Museums, Performing Arts, Science Centers, Public Gardens, Heritage Sites, Libraries, Archives and Zoos is a game-changing book with broad reach into the cultural sector while
