Managerial Accounting Ingram, Thomas L. Albright, Hill, 1997-01-01      Financial and Managerial Accounting John Wild, Barbara Chiappetta, Ken Shaw, 2012-11-26 Wild's Financial and Managerial Accounting responds to the market's request for a single book with balanced financial and managerial content 50/50 that has a corporate approach throughout Its innovation is reflected in its extensive use of small business examples the integration of new technology learning tools superior end of chapter material and a highly engaging pedagogical design      *Financial & Managerial Accounting* John J. Wild, Ken W. Shaw, Barbara Chiappetta, 2011      **Accounting** Robert W. Ingram, 1999 This true user book focuses on the use of accounting information for decision making It places students into situations where management decisions are needed Readers learn both when and why accounting information is key to communicating important information within an organization so that management can make informed choices      *Financial & Managerial Accounting* John J. Wild, Ken W. Shaw, 2022 We use data to make decisions and maximize performance Student performance data are used to identify content areas that can be made more direct concise and systematic Learning science reveals that students better learn and retain information when text is presented in a more focused succinct blocked format Visual aids and numerous demonstration and guided example videos offer additional learning aids New summary Cheat Sheets conclude each chapter to visually reinforce key concepts and procedures      **Managerial Accounting** Ramji Balakrishnan, Konduru Sivaramakrishnan, Geoffrey B. Sprinkle, 2008-11-10 Most managerial accounting texts emphasize the mechanics of managerial accounting While important mechanics are not enough To solve business problems students need to understand how managerial accounting can improve decision making and when and where a particular tool or technique is appropriate Balakrishnan's Managerial Accounting 1st edition presents accounting information in the context of business decision making It combines the traditional topics of managerial accounting with a strategic framework that shows students how to construct decision models and measure information By linking business decisions with accounting information students will be motivated to learn and make more informed decisions Balakrishnan will appeal to courses where there is a true focus on decision making and accounting is placed within a business context      *Handbook of Management Accounting Research* Christopher S. Chapman, Anthony G. Hopwood, Michael D. Shields, 2006-12-08 Volume one of the Handbooks of Management Accounting Research sets the context for both Handbooks with three chapters outlining the historical development of management accounting as a discipline and as a practice in three broad geographic settings The bulk of the first volume then draws together a series of contributions that analyse the scholarly literature in terms of distinct intellectual and theoretical social science perspectives The volume includes a chapter which looks at work informed by psychology as a base discipline The volume also includes a set of chapters that seek to evaluate and explain issues of research method for the different approaches to research found within management accounting Special pricing available if purchased as a set with Volume 2 Documents the scholarly management
