Managing Change A Guide To Producing Innovation From Within:

Managing Change Sandra J. Hale, 1989 *Implementing School-based Management* Harry P. Hatry, 1993 This report presents the findings and recommendations of an examination of the implementation of a major form of school based management SBM It is based on case studies of the science and mathematics departments of 10 high schools and 9 middle or junior high schools in 12 school systems almost all of which are urban school districts The study found that implementation often falls short of the ideal It did not find dramatic changes resulting from SBM However those schools and faculty members that took advantage of their added flexibility under SBM were able to achieve numerous small scale improvements The report provides a series of recommendations for school districts and individual schools to increase the likelihood of successful implementation of decentralization efforts such as SBM The findings and recommendations cover such issues as 1 the extent of decentralization of budgeting expenditure and personnel decisions 2 the role of site councils and department heads and 3 communication and training needs Appendixes list participating schools and districts and contain a literature review Contains 117 references Author SLD The G.A.O Journal ,1990 Transforming Public and Nonprofit Organizations James E. Kee JD, MPA, 2008-06 In the public and nonprofit arenas leaders face the unique challenge of protecting the public interest while implementing organizational change initiatives To succeed these leaders must build organizations that are change centric carefully weigh and prepare for the risks of change and develop a change oriented leadership style that authors Kee and Newcomer call transformational stewardship A comprehensive approach to leading change Transforming Public and Nonprofit Organizations Stewardship for Leading Change provides public and nonprofit leaders and students of leadership management and organizational change with theoretical knowledge and practical tools for accomplishing change goals while protecting the broader public interest This insightful and useful guide offers An introduction to the change oriented leadership concept transformational stewardship An easy to follow model for initiating change in the public interest Case studies practical tips and resources for additional learning An organizational assessment instrument to gauge readiness for major change A 360 degree assessment instrument to identify individual leadership strengths and areas for improvement
