

The background of the book cover is a close-up photograph of a tree trunk. The bark is dark, textured, and shows a prominent knot hole. The lighting creates shadows that form a face-like pattern in the bark, with a dark eye-like shape and a mouth-like crevice. The title 'NATURAL LIKENESS' is printed in large, bold, yellow capital letters across the top of the image.

Comprised of thirty-eight volumes, it is broken into three parts: the Ante-Nicene Fathers and Nicene and Post-Nicene Fathers. First and Second Series. **The Works of Orestes A. Brownson: Philosophy of religion** Orestes Augustus Brownson, 1883 **Brownson's Quarterly Review** Orestes Augustus Brownson, 1847 *Knowing the Certainty* Ilym Al-Yaqeen *By the Perfect Wisdom of the Holy Revelation of the Holy Quran* His Majesty King Yaqeenullah Alamal Yaqeen Muhammad Shuaibi, SUUH Kingdom, The Oxford Handbook of Christology Francesca Aran Murphy, 2015-09-24 The Oxford Handbook of Christology brings together 40 authoritative essays considering the theological study of the nature and role of Jesus Christ. This collection offers dynamic perspectives within the study of Christology and provides rigorous discussion of inter-confessional theology which would not have been possible even 60 years ago. The first of the seven parts considers Jesus Christ in the Bible. Rather than focusing solely on the New Testament, this section begins with discussion of the modes of God's self-communication to us and suggests that Christ's most original incarnation is in the language of the Hebrew Bible. The second section considers Patristic Christology. These essays explore the formation of the doctrines of the person of Christ and the atonement between the First Council of Nicaea in 325 and the eve of the Second Council of Nicaea. The next section looks at Mediaeval theology and tackles the development of the understanding of who Christ was and of his atoning work. The section on Reformation and Christology traces the path of the Reformation from Luther to Bultmann. The fifth section tackles the new developments in thinking about Christ which have emerged in the modern and the postmodern eras, and the sixth section explains how beliefs about Jesus have affected music, poetry, and the arts. The final part concludes by locating Christology within systematic theology, asking how it relates to Christian belief as a whole. This comprehensive volume provides an invaluable resource and reference for scholars, students, and general readers interested in the study of Christology. *A Practical Commentary On Holy Scripture* Frederick Justus Knecht D. D., Aeterna Press, The translation of Dr. KNECHT'S celebrated Practical Commentary is a most valuable and welcome addition to our English literature. Brimful of interest and practical instruction, it should be in the hands not only of every Priest and Catechist but of the heads of every Catholic family. In a few days we shall have our annual Retreat and Synod. I shall not fail to recommend it strongly to all my Priests and Religious Communities. Wishing the admirable work all the success it deserves. Fundamental Concepts Fidele Ntie-Kang, 2020-02-24 Vol 1 of Chemoinformatics of Natural Products presents an overview of natural products chemistry, discussing the chemical space of naturally occurring compounds followed by an overview of computational methods. **Evidence and Interpretation in Studies on Early Science and Medicine** Edith Sylla, William R. Newman, 2009-09-29 The studies in this volume present early science in its rich and divergent complexity. Many historians of the Scientific Revolution have used early modern scholasticism to represent pre-seventeenth century science as a whole, but a close look at

ancient medieval and even early modern scientific writers shows that before the Scientific Revolution and not only in Europe there were many and diverse traditions of interpreting the natural world This book provides a broad range of historical evidence concerning early science which may be used as a basis for new and more complex historical interpretations Originally published as Volume XIV Nos 1 3 2009 of Brill s journal Early Science and Medicine Systematic Theology Augustus Hopkins Strong,1909 *The Sacred Writings of Saint Hilary of Poitiers* Hilary of Poitiers,2012 The Sacred Writings Of provides you with the essential works among the Christian writings The volumes cover the beginning of Christianity until medieval times This volume is accurately annotated including an extensive biography of the author and his life Contents Introduction Chapter I The Life and Writings of St Hilary of Poitiers Chapter II The Theology of St Hilary of Pottiers Introduction to the Treatise de Synodis On the Councils or the Faith of the Easterns On the Trinity Introduction to the Homilies on Psalms I LIII CXXX Homilies on the Psalms Psalm I Psalm LIII LIV Psalm CXXX CXXXI **Systematic Theology** Strong,1886 Brownson's quarterly review ,1847 *The doctrine of salvation* Augustus Hopkins Strong,1909

Landscape and the Spaces of Metaphor in Ancient Literary Theory and Criticism Nancy Worman,2015-12-30 This study explores a previously uncharted area of ancient literary theory and criticism the ancient landscapes such as the Ilissus river in Athens and Mount Helicon that generate metaphors for distinguishing styles which dovetail with ancient conceptions of metaphor as itself spatial and mobile Ancient writers most often coordinate stylistic features with country settings where authoritative performers such as Muses poets and eventually critics or theorists view appropriate and emulate their bounties for example springs flowers rivers paths These spaces of metaphor and their elaborations provide poets and critics with a vivid means of distinguishing among styles and an influential vocabulary Together these figurative terrains shape critical and theoretical discussions in Greece and beyond Since this discourse has a remarkably wide reach the book is broad in scope ranging from archaic Greek poetry through Roman oratory and Longinus to the reception of critical imagery in Proust and Derrida
