A Comparative European Perspective

Edited by
J. Blondel and M. Cotta

Nature Of Party Government A Comparative European Perspective

José M. Magone

Nature Of Party Government A Comparative European Perspective:

The Nature of Party Government Jean Blondel, 2000-11-08 The Nature of Party Government examines relationships between governments and supporting parties on a comparative European basis The book does so at the level of principles there is a major conflict between governments which should govern and parties which being representative wish to shape the way governments operate The book studies relationships empirically as well it shows that they occur on three planes appointments policy making and patronage and assesses the extent of two way influence from parties to governments and from governments to parties

The Nature of Party Government Jean Blondel, Maurizio Cotta, 2000 The Nature of Party Government examines on a comparative basis the relationship between governments and the political parties which support them This book highlights the fact that if parties in western European democracies have a strong influence upon governments executives far from being a passive instrument have an important influence within parties Party government is in fact a two way relationship

The Oxford Handbook of Political Executives Rudy B. Andeweg, Robert Elgie, Ludger Helms, Juliet Kaarbo, Ferdinand Müller-Rommel, 2020 This Handbook provides definitive reference work on political executives and their key role in political systems It records the current theoretical and methodological debates and sets the agenda for future research in this prominent and extremely wide ranging field of research

The Politics of Party Leadership William Cross, Jean-Benoit Pilet, 2015-11-26 Making use of a unique data set that includes more than 1000 leadership elections from over 100 parties in 14 countries over an almost 50 year period this volume provides the first comprehensive comparative examination of how parties choose their leaders and the impact of the different decisions they make in this regard Among the issues examined are how leaders are chosen the factors that result in parties changing their selection rules how the rules affect the competitiveness of leadership elections the types of leaders chosen the impact of leadership transition on electoral outcomes the factors affecting the length of leadership tenures and how leadership tenures come to an end This volume is situated in the literature on intra party decision making and party organizational reform and makes unique and important contributions to our understanding of these areas The analysis includes parties in Australia Austria Belgium Canada Denmark Germany Hungary Israel Italy Portugal Romania Spain Norway and the United Kingdom

Comparative Politics is a series for students teachers and researchers of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu

Political Parties and the State in Post-Communist Europe Petr Kopecky, 2007-10-11 It is not possible to understand the nature and functioning of post communist political parties without understanding their relationship with the state On the one hand few parties in the region would be able to survive and perform without state resources as they lack strong roots within the wider society On the other hand the relatively weak st

Law and Economics of Corporate Governance Klaus Mathis, Avishalom Tor, 2025-01-30 This book aims to analyse the principles and merits of CSR and ESG approaches using a law and economics perspective The traditional law and economics view of corporate governance emphasises profit maximisation and a shareholder oriented approach This perspective famously endorsed by Milton Friedman suggests that a business's sole social responsibility is to maximise profits within legal boundaries Consequently mainstream corporate governance scholarship has focused on structuring and regulating business organisations to achieve efficiency and minimise agency costs arising from diverging interests and asymmetric information among managers shareholders and creditors However recent decades have seen increased attention to the role and interests of other corporate stakeholders such as employees consumers and communities This shift includes the concept of corporate social responsibility CSR which addresses ethics based issues like working conditions human rights fair competition and environmental protection While CSR has often been a form of self regulation regulatory schemes now support and incentivise this practice promoting stakeholderism to enhance corporate reputation and profitability while ensuring social accountability More recently the focus on business sustainability has intensified under the banner of environmental social and governance ESG criteria ESG considerations are now central in the corporate world influencing ratings investment decisions and corporate strategies Despite support from some scholars and institutions critics argue that CSR and ESG may fail to benefit stakeholders and could impose high costs on businesses and the economy Additionally there are concerns about whether board members and managers are properly incentivised to protect stakeholder interests as CSR and ESG can sometimes be used to avoid regulation or advance private interests

The Oxford Handbook of Portuguese Politics Jorge M. Fernandes, Pedro C. Magalhães, António Costa Pinto, 2022-09-29 The Oxford Handbook of Portuguese Politics brings together the best scholars in the field offering an unrivalled coverage of the politics broadly defined of the country over the past 50 years The Handbook includes eight sections First it looks at the past and present by making an overview of Portuguese political developments since democratization in the 1970s Second it looks at political institutions as the building blocks of Portuguese democracy The third section examines mass politics and voters that is a thorough analysis of the demand side of mass politics The fourth section turns to the supply side of mass politics by looking at parties and the party system The fifth section looks at the Portuguese society by unpacking a plethora of societal aspects with direct implications for politics The sixth section examines governance and public policies with a view to understanding how a constellation of public policies has an impact on the quality of governance and in fostering well being The seventh section looks at Portugal and the European Union The eighth and final section unpacks Portuguese foreign policy and defence

[The Europeanization of Politics](#) Daniele Caramani, 2015-09-09 In a broadly comparative historical and quantitative analysis this study reveals the unity of European electorates and party systems Investigating thirty countries in Western and Central Eastern Europe over 150 years of electoral history the author shows the existence of common alignments and parallel waves of electoral change across the

continent Europeanization appears through an array of indicators including cross country deviation measures uniform swings of votes the correspondence between national arenas and European Parliament as well as in the ideological convergence among parties of the same families Based on a painstaking analysis of a large wealth of data the study identifies the supra national domestic and diffusion factors at the origin of Europeanization Building on previous work on the nationalization of politics this new study makes the case for Europeanization in historical and electoral perspective and points to the role of left right in structuring the European party system along ideological rather than territorial lines In the classical tradition of electoral and party literature this book sheds a new light on Europe s democracy

Research Handbook on Political Representation Maurizio Cotta,Federico Russo,2020-12-25 At a time when political representation can be said to be facing its ultimate crisis this crucial work clarifies the terms of the debate providing an up to date analysis of the main conceptual and institutional controversies that have arisen surrounding this topic Written by leading scholars in the field contributions focus on how representation is conceptualised and its relation to democracy

Political Party Research Elmar Wiesendahl,2024-04-18 The book by the well known German party researcher Elmar Wiesendahl presents the development theoretical perspectives research approaches and fields of investigation in party research in light of the state of the art

The Technocratic Challenge to Democracy Eri Bertsou,Daniele Caramani,2020-03-09 This book represents the first comprehensive study of how technocracy currently challenges representative democracy and asks how technocratic politics undermines democratic legitimacy How strong is its challenge to democratic institutions The book offers a solid theory and conceptualization of technocratic politics and the technocratic challenge is analyzed empirically at all levels of the national and supra national institutions and actors such as cabinets parties the EU independent bodies central banks and direct democratic campaigns in a comparative and policy perspective It takes an in depth analysis addressing elitism meritocracy de politicization efficiency neutrality reliance on science and distrust toward party politics and ideologies and their impact when pitched against democratic responsiveness accountability citizens input and pluralist competition In the current crisis of democracy this book assesses the effects of the technocratic critique against representative institutions which are perceived to be unable to deal with complex and global problems It analyzes demands for competent and responsible policy making in combination with the simultaneous populist resistance to experts The book will be of key interest to scholars and students of comparative politics political theory policy analysis multi level governance as well as practitioners working in bureaucracies media think tanks and policy making

Party Systems and Foreign Policy Change in Liberal Democracies Angelos Chrysosgelos,2020-12-22 How do political parties affect foreign policy This book answers this question by exploring the role of party politics as source of foreign policy change in liberal democracies The book shifts the focus from individual political parties to party systems as the context in which parties ideologies receive precise content and their preferences are formed The central claim is that foreign policy change arises from within transformed discursive

contexts of party competition when a new language of politics that constitutes anew parties self understanding of what they stand for and compete over emerges in a party system By comparing cases of contested foreign policy change the book shows how such transformations in party competition determine whether and when international pressures on a state will translate into decisions to institute foreign policy change and what degree of change will be ultimately implemented With a novel framework which bridges concepts of international relations and comparative politics the book will be of interest to researchers and students in the areas of international relations theory foreign policy analysis and comparative politics and generally to anyone wanting to understand how and when parties elections and voters contribute to international change

Technocratic Ministers and Political Leadership in European Democracies António Costa Pinto,Maurizio Cotta,Pedro Tavares de Almeida,2017-09-12 This book provides an in depth analysis of the technocratic shift in ministerial recruitment measuring its extent and variations over time in fourteen European countries It addresses the question who governs in European democratic regimes Just a few decades ago the answer would have been straightforward party men and fewer party women More recently however and in varying degrees across Europe a greater proportion of non politicians or experts have been recruited to government as exemplified by the 2017 election of Emmanuel Macron to the French Presidency These experts frequently labelled technocrats increasingly occupy key executive positions and have emerged as powerful actors in the decision making process This edited collection explores the contemporary debates surrounding the relationship between technocracy democracy and political leadership and will appeal to scholars and advanced students interested in these fields

Democratic Government in Poland G. Sanford,2002-07-16 Democratic government has now been entrenched in Poland An increasingly significant European actor Poland presents problematic but also stimulating challenges to new NATO and EU associates This authoritative overview examines in depth the constitutional and governmental framework in Poland since 1989 and its central political institutions mechanisms and actors Sanford demonstrates how the governmental system evolved pragmatically during the 1990s to cope with modernization and consolidated viable independent statehood consensually around Poland s hardy constitutional values *Routledge Handbook of European Politics* José M. Magone,2014-12-17 Since the Treaty of the European Union was ratified in 1993 the European Union has become an important factor in an ever increasing number of regimes of pooled sovereignty This Handbook seeks to present a valuable guide to this new and unique system in the twenty first century allowing readers to obtain a better understanding of the emerging multilevel European governance system that links national polities to Europe and the global community Adopting a pan European approach this Handbook brings together the work of leading international academics to cover a wide range of topics such as the historical and theoretical background the political systems and institutions of both the EU and its individual member nations political parties and party systems political elites civil society and social movements in European politics the political economy of Europe public administration and policy

making external policies of the EU This is an invaluable and comprehensive resource for students scholars researchers and practitioners of the European Union European politics and comparative politics

Party Governance and Party Democracy Wolfgang C. Müller, Hanne Marthe Narud, 2013-05-15 Given the centrality of political parties in modern democracies most research on these systems either directly address their internal functioning and activities or question their critical role Political science has moved from describing institutions to the thorough analysis of behavior within these institutions and the interactions between them The inevitable consequences of the maturing and institutionalization of the discipline of political science in many countries include the forming of sub fields and specialized research communities At the same time the number of democracies has vastly increased since the 1980s and although not each attempt at democratization was eventually successful more heterogeneous systems with some form of party competition exist than ever before As a consequence the literature addressing the large issues of party democracy spreads over many research fields and has become difficult to master for individual students of party democracy and party governance The present volume sets out to review the behavior and larger role of political parties in modern democracies In so doing the book takes its departure from the idea that the main contribution of political parties to the working of democracy is their role as vehicles of political competition in systems of government Consequently the focus is not merely in the internal functioning of political parties but rather their behavior the electoral legislative and governmental arenas Thus several chapters address how political parties perform within the existing institutional frameworks One more chapter looks at the role of political parties in building and adapting these institutions Finally two chapters explicitly address the party contributions to democracy in established and new democracies respectively

Party Patronage and Party Government in European Democracies Petr Kopecký, Peter Mair, Maria Spirova, 2012-07-26 Party Patronage and Party Government in European Democracies brings together insights from the worlds of party politics and public administration in order to analyze the role of political parties in public appointments across contemporary Europe Based on an extensive new data gathered through expert interviews in fifteen European countries this book offers the first systematic comparative assessment of the scale of party patronage and its role in sustaining modern party governments Among the key findings are First patronage appointments tend to be increasingly dominated by the party in public office rather than being used or controlled by the party organization outside parliament Second rather than using appointments as rewards as used to be the case in more clientelistic systems in the past parties are now more likely to emphasize appointments that can help them to manage the infrastructure of government and the state In this way patronage becomes an organizational rather than an electoral resource Third patronage appointments are increasingly sourced from channels outside of the party thus helping to make parties look increasingly like network organizations primarily constituted by their leaders and their personal and political hinterlands Comparative Politics is a series for students teachers and researchers of political science that deals with contemporary government and politics Global

in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.essex.ac.uk/ecpr The Comparative Politics series is edited by Professor David M Farrell School of Politics and International Relations University College Dublin Kenneth Carty Professor of Political Science University of British Columbia and Professor Dirk Berg Schlosser Institute of Political Science Philipps University Marburg International Encyclopedia of Political Science Bertrand Badie, Dirk Berg-Schlosser, Leonardo Morlino, 2011-09-07 With entries from leading international scholars from around the world this eight volume encyclopedia offers the widest possible coverage of key areas both regionally and globally The International Encyclopedia of Political Science provides a definitive comprehensive picture of all aspects of political life recognizing the theoretical and cultural pluralism of our approaches and including findings from the far corners of the world The eight volumes cover every field of politics from political theory and methodology to political sociology comparative politics public policies and international relations Entries are arranged in alphabetical order and a list of entries by subject area appears in the front of each volume for ease of use The encyclopedia contains a detailed index as well as extensive bibliographical references Filling the need for an exhaustive overview of the empirical findings and reflections on politics this reference resource is suited for undergraduate or graduate students who wish to be informed effectively and quickly on their field of study for scholars seeking information on relevant research findings in their area of specialization or in related fields and for lay readers who may lack a formal background in political science but have an interest in the field nonetheless The International Encyclopedia of Political Science provides an essential authoritative guide to the state of political science at the start of the 21st century and for decades to come making it an invaluable resource for a global readership including researchers students citizens and policy makers The encyclopedia was developed in partnership with the International Political Science Association Key Themes Case and Area Studies Comparative Politics Theory and Methods Democracy and Democratization Economics Epistemological Foundations Equality and Inequality Gender and Race Ethnicity International Relations Local Government Peace War and Conflict Resolution People and Organizations Political Economy Political Parties Political Sociology Public Policy and Administration Qualitative Methods Quantitative Methods Religion

Italy Today Andrea Mammone, Giuseppe A. Veltri, 2010-02-25 Italy Today represents one of the most comprehensive examinations of contemporary Italy It is a provocative and an innovative collection that aims to highlight the current crisis of the country through an analysis of several different dark shadows of contemporary Italian society Italy already had a long history of unsolved issues several chronic problems and contradictions that have been ignored for a very long time during which they have assumed dramatic proportions and gravity The peninsula has now become the Sick Man of Europe a country facing a veritable decline also caused by apparent incapacity and difficulties of the ruling economic political and social elites Discussions include an evaluation of the current predicaments of the political system analysis of emerging mafias including

new powerful crime organizations such as Ndrangheta issues surrounding the ongoing presence of Fascism examination of the recent xenophobic tensions discussion of problems associated with the missed opportunity of the EU funding and the increasing regional economic gaps outline of the systemic troubles of Italy's economic and industrial system Written by leading experts in the field and covering a wide range of topics this collection is essential reading for all those seeking to understand the issues and problems that are facing contemporary Italy

Ruling the Void Peter Mair, 2023-01-17 A classic account of democracy's crisis of legitimacy The age of party democracy has passed argues Peter Mair in Ruling the Void The major parties have become so disconnected from society that they no longer seem capable of sustaining democracy in its present form First published in 2013 Ruling the Void presciently observed that the widening gap between citizens and their political leaders posed a crisis of legitimacy for the governing class and was fuelling populist mobilizations against it Europe's political elites had remodelled themselves as a homogeneous professional class withdrawing into state institutions that offer relative stability in a world of fickle voters Meanwhile non democratic agencies and practices proliferated not least among them the European Union itself Mair weighs the impact of these changes and offers an authoritative assessment of the prospects for popular political representation today not only in the varied democracies of Britain and the EU but throughout the developed world With a new Introduction by Chris Bickerton author of The European Union A Citizen's Guide

Nature Of Party Government A Comparative European Perspective Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nature Of Party Government A Comparative European Perspective free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nature Of Party Government A Comparative European Perspective free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Nature Of Party Government A Comparative European Perspective free PDF files is convenient, its important to

note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Nature Of Party Government A Comparative European Perspective. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nature Of Party Government A Comparative European Perspective any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Nature Of Party Government A Comparative European Perspective Books

What is a Nature Of Party Government A Comparative European Perspective PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Nature Of Party Government A Comparative European Perspective PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Nature Of Party Government A Comparative European Perspective PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Nature Of Party Government A Comparative European Perspective PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Nature Of Party Government A Comparative European Perspective PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like

Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
