Nature Of The Italian Party System:

The Nature of the Italian Party System Geoffrey Pridham, 2016-01-29 This study first published in 1981 focuses on a single region of Italy Tuscany and examines the internal and external relationships of the parties their evolution and their roles in the years 1975 1980 Looking in depth and detail at the activity of the parties in Tuscany the book identifies and examines different factors of change and continuity and comes to the conclusion that there has been significant movement in the political positions and strengths of the respective parties as well as in their strategic courses and inter relationships This volume has a particular importance due to the questioning of many previously held assumptions of the country s party system in the light of political and socio economic change during the 1970 s This title will be of interest to students of European politics

The Nature of the Italian Party System Geoffrey Pridham, 2016-01-29 This study first published in 1981 focuses on a single region of Italy Tuscany and examines the internal and external relationships of the parties their evolution and their roles in the years 1975 1980 Looking in depth and detail at the activity of the parties in Tuscany the book identifies and examines different factors of change and continuity and comes to the conclusion that there has been significant movement in the political positions and strengths of the respective parties as well as in their strategic courses and inter relationships This volume has a particular importance due to the questioning of many previously held assumptions of the country s party system in the light of political and socio economic change during the 1970 s This title will be of interest to students of European politics

Masters of Political Science Donatella Campus, Gianfranco Pasquino, 2009-09-01 For a while now political science as a discipline has been big enough in terms of the number of academics and analytically mature enough to justify reflections on and reviews of its achievements In fact there is no lack of general handbooks dictionaries and state of the art assessments as well as reflective journals such as the ECPR s own European Political Science which are useful in helping us to understand and evaluate where we currently are and where we might still need to go The focus of these texts however is on particular concepts themes research areas institutions or behaviour What they rarely do is indulge in a critical reflection on the political scientists themselves especially those who are commonly accepted as having made the most significant contributions to the growth of their discipline This book fills an important gap in the growing reflective literature on the political science discipline it consists of a series of objective profiles of the Masters of Political Science written by political scientists who have read and studied their work and who are therefore in a position to evaluate the nature of their contributions The Masters Robert Dahl Anthony Downs David Easton S E Finer Samuel P Huntington Juan J Linz Seymour Martin Lipset Giovanni Sartori Sidney Verba Aaron Wildavsky Hans Morgenthau Masters of Political Science was originally published in Italian by il Mulino Publishing House

Political Parties and Coalitional Behaviour in Italy Geoffrey Pridham, 2013-07-04 Coalitional behaviour is central to the Italian system of government but has been largely neglected by research As a result coalitions in post war Italy have been viewed as simply unstable short lived and incohesive

In this book the author corrects this one sidedness by analysing Italian coalition politics as a continuous and dynamic process His comprehensive interpretative approach takes account of other new developments in coalition studies and relates his subject both to the literature on Italian politics and to the comparative study of party systems in liberal democracies An introductory section places Italian coalitional behaviour in a theoretical and comparative context This inductive framework is then used as a reference for examining the historical institutional motivational internal socio political and environmental dimensions of the phenomenon

The Oxford Handbook of Italian Politics Erik Jones, Gianfranco Pasquino, 2015-11-05

The Oxford Handbook of Italian Politics provides a comprehensive look at the political life of one of Europe's most exciting and turbulent democracies Under the hegemonic influence of Christian Democracy in the early post World War II decades Italy went through a period of rapid growth and political transformation In part this resulted in tumult and a crisis of governability however it also gave rise to innovation in the form of Eurocommunism and new forms of political accommodation The great strength of Italy lay in its constitution its great weakness lay in certain legacies of the past Organized crime popularly but not exclusively associated with the mafia is one example A self contained and well entrenched caste of political and economic elites is another These weaknesses became apparent in the breakdown of political order in the late 1980s and early 1990s This ushered in a combination of populist political mobilization and experimentation with electoral systems design and the result has been more evolutionary than transformative Italian politics today is different from what it was during the immediate post World War II period but it still shows many of the influences of the past

Ethnicity and Nationalism in Italian Politics Margarita Gómez-Reino Cachafeiro, 2017-03-02 Employing primary sources and interviews with protagonists of the rebellion of the Italian North this book explores the invention of the Padanian nation and the construction of identity politics in Northern Italy It reveals for the first time the connection between the ethnic wave in European party politics in the 1970s and the rise of a new radical right nationalism in the 1990s The author highlights the way in which the discourse of national minorities was instrumental in the rise of a new political agenda that links territory identity and cultural rights to create new boundaries of exclusion In addition to clarifying the connection between the new nationalism and racism by demonstrating how cultural distinctiveness is constructed in contemporary European politics this unique book also explores the dynamics of new party mobilization and the symbolic resources of nationalist rhetoric This book presents for the first time data on political participation both party elites and members and the real dimension of the party organization

Italian Christian Democracy Robert Leonardi, Douglas A. Wertman, 1989-06-18 A study of the Italian Christian Democratic Party from its birth to the present day It is the most successful political party in any Western democracy and has been in power since 1945 This book analyzes its ideological foundations electorate organization and ties to the Catholic world

The Party Politics of Decentralization Linda Basile, 2018-07-05 This book addresses the process of decentralization in Italy examined from the perspective of political parties In particular it assesses whether and to what

extent the dynamics of party competition are likely to shape policy agenda and affect policy change The author starts by providing a thorough account of the process and history of Italian decentralization and the policy outcomes achieved over time before discussing how party attention to an issue triggers related policy changes manipulation of salience Next the focus shifts to the concrete positions adopted by parties on decentralization to assess whether the pattern of party competition has been consensual or adversarial and how this pattern influenced the process of reform manipulation of position Finally the author examines the role of frames in party competition This volume offers essential research that will prove useful to a variety of audiences ranging from scholars of territorial and Italian politics to those interested in agenda setting policy change and party politics Routledge Handbook of Populism and Foreign Policy David Cadier,Angelos Chrysosgelos,Sandra Destradi,2025-06-20 This handbook provides a methodical comprehensive and unifying overview of the vibrant yet disparate scholarship on populism and foreign policy By mapping the debates and existing findings as well as presenting the different conceptual and theoretical lenses the handbook provides new insights as to how whether and to what extent populism influences foreign policy Carefully selected international contributors connect their own work to others to offer a thorough theoretically informed and empirically tested academic treatment of the topic across a number of cases where populist actors are or have been in power Divided into four parts Concepts and Theories Factors and Processes Actors and Structures Issues and Policy Areas the diverse and comprehensive insights on the global cross regional and transnational dimensions of populism will be of interest to scholars and students of international relations political science public policy foreign policy political theory populism and area studies This text will also be of interest to those working from the perspectives of Sociology Law and History as well as to the practitioners of international politics Changing Party Systems in Western Europe David Broughton,Mark Donovan,1999-01-04 This is an analysis of the changing pressures and demands placed on party systems in 11 countries in Western Europe since 1945 This book includes studies of the party system in Britain France Italy and Germany as well as studies of Spain Portugal Ireland Sweden Austria Belgium and the Netherlands Five major themes are examined in each chapter First the broad development of the party system is accompanied by a discussion of how different party system typologies have been applied to each country Secondly a detailed discussion of the historical background to party system developments is provided dealing with the main divisions derived from the typology of Lipset and Rokkan Thirdly the most important contextual variables are considered in terms of the electoral environment within which the party system operates Next consideration is given to the degree of unfreezing of the party system since 1945 and the changing balance between stability and change Finally major questions of change and adaptation are examined updating the text **Giovanni Sartori** Michal Kubát,Martin Mejstřík,2019-08-01 Giovanni Sartori 1924 2017 was a founder and icon of contemporary political science A number of his books and articles have become part of the theoretical and conceptual basis of the field and of social science in general This volume brings together selected essays that examine

Sartori as a scholar university professor and intellectual It is unique in covering all three aspects of Sartori s academic work comparative politics social science methodology and political theory General overviews of Sartori s contribution to political science are complemented by chapters that focus on specific areas of his interest and Sartori s theoretical and methodological contributions are examined alongside his extensive public appearances which remain little known outside Italy

Party Finance and Political Corruption R. Williams,2000-08-10 This book offers an in depth examination of party finance and political corruption in a variety of political contexts Its central focus is on the relationship between different forms of raising party finance and the consequent implications for improper influence over policy making and implementations It presents both a general discussion of the issues and a set of case studies which illuminate the particular experiences of Britain the United States Russia Italy Germany and Southeast Asia

The American Party System Charles Edward Merriam,1923

Politics in Europe M. Donald Hancock,Christopher J. Carman,Marjorie Castle,David P. Conradt,Raffaella Y. Nanetti,Robert Leonardi,William Safran,Stephen White,Michelle Hale Williams,Mary N. Hampton,2018-05-09 Politics in Europe Seventh Edition introduces students to the power of the European Union as well as seven political systems the UK France Germany Italy Sweden Russia Poland within a common analytical framework that enables students to conduct both single case and cross national analysis Each case addresses the most relevant questions of comparative political analysis who governs on behalf of what values with the collaboration of what groups in the face of what kind of opposition and with what socioeconomic and political consequences Packed with captivating photos and robust country descriptions from regional specialists the Seventh Edition enables students to think critically about these questions and make meaningful cross national comparisons

Crisis and Transition in Italian Politics Martin Bull,Martin Rhodes,2014-03-05 Since 1989 Italian politics has witnessed changes that have placed it under an international spotlight This analysis looks at this period of Italian politics through the prism of the changes of the early 1990s

The Challenge of Coalition Government Nicolò Conti,Francesco Marangoni,2014-12-17 Since the advent of the Second Republic in Italy in the mid 1990s a new generation of politicians has announced a shift in the system toward greater governmental leadership policy innovation government accountability and responsiveness to the citizens Yet in recent years government has experienced frequent crises and deadlocks policy blockades and undisciplined parliamentary majorities Has the attempt to change the nature of the Italian government totally failed This book addresses this question by empirically assessing and theoretically evaluating the outcomes of the new system It asks whether there has really been a shift toward a more majoritarian democracy and examines why alternation in power has failed to produce a more efficient and responsive government It evaluates the connections between cabinet parliament parties and citizens and in doing so brings together diverse areas of inquiry such as government legislative party and public opinion studies Drawing from comparative theory but also considering the impact of country specific determinants it explains the very nature of the Italian government from the point

of view of its achievements and its failures This text will be of key interest to scholars and students of government comparative and Italian politics and more broadly those with an interest in government democracy and Italy A Natural Experiment on Electoral Law Reform Daniela Giannetti, Bernard Grofman, 2011-02-01 In the early 1990s major electoral reforms took place in both Italy and Japan each replaced a form of proportional representation in which voters cast a ballot for a party list with a mixed member system in which voters cast ballots for individual candidates and party lists The reforms were enacted by political elites in the context of divisions within the dominant party changing patterns of party support and party splits in efforts to retain power while responding to charges of corruption clientelism and lack of accountability The experiences of both countries provide a laboratory in which to investigate the effects and implications of the reforms and more broadly to analyze voter behavior in the context of institutional change The introduction provides an overview of post WWII politics and electoral reform in Italy and Japan In each of the next four chapters specialists in Italian and Japanese electoral politics are teamed up to review data both before and after the reforms Within this comparative framework the authors explore such topics as changes in party competition candidate selection mechanisms and intra party politics The concluding chapter considers the longer term consequences both anticipated and unanticipated of the reforms despite superficially similar conditions the effects in the two countries were dramatically different in Japan the new system has taken hold with minor modifications while in Italy there was a reversion to a proportional representation system As the essays in this volume demonstrate to understand why similar reforms had such different effects in the two countries we must examine how electoral systems are embedded in broader institutional and social arrangements and at the complex interplay of political geography political history and the rational calculations of political actors Contemporary Italy Martin J. Bull, 1996-02-28 A unique bibliographic and historiographic guide to the study of contemporary Italy this book points to over 650 texts that have shaped the academic and scholarly study of postwar Italy It is the first guide to include a genuine mix of English language and Italian language materials and to approach these materials in a historiographic as well as a bibliographic manner It is an ideal guide for English North American and Italian scholars who have just begun their study of Italy or want to know more about research in areas outside their area of expertise Following the introduction which outlines the context within which the evolution of Italian studies should be viewed the book is divided into two parts Part I includes five historiographic chapters providing a detailed survey and analysis of works published in history politics government the economy and society Part II is an annotated bibliographic guide to all of the texts pointed to in Part I Comparing Party System Change Jan-Erik Lane, Paul Pennings, 2003-12-16 This volume brings together comparative studies and in depth case studies that research the diversity of party system change in Europe In so doing it presents a model for change which challenges orthodox views of political evolution The Japanese Party System Ronald J Hrebendar, 2019-07-09 This is a nuts and bolts textbook in the best sense of the term It is bound to be a great boon both to teachers and students of contemporary

Japanese politics from the Foreword by Haruhiro Fukui This timely volume is the first book in nearly twenty five years to focus on the party system of Japan In the past two decades the Japanese political scene has undergone a dramatic transformation What had been a two party system proliferated during the 1960s and 1970s into a seven party system This book provides a comprehensive look at all of Japan s current major and minor national level parties For the first time in English detailed analyses are presented on the Democratic Socialists the Clean Government party K meit and the New Liberal Club Thorough coverage is provided for parties in the 1955 System the ruling Liberal Democratic party and the two long term opposition parties the Socialists and the Communists Many of the new miniparties that have appeared in recent elections are also discussed Japanese Political Parties gives readers a solid understanding of party histories leadership and internal organization as well as a look at prospects for the future The party discussions are preceded by three chapters on the laws and political forces affecting Japanese politics Chapter 1 describes the basic characteristics of the Japanese party system since 1945 and provides an overview of Japanese voting behavior and political values Chapter 2 describes the rules of the game the electoral laws and discusses the ongoing political problem of malapportionment Chapter 3 interprets data on political finance in contemporary Japan Along with a wealth of information and interpretation the authors offer insight into the common patterns Japan shares with democracies around the world placing the Japanese system within the larger context of world party systems Designed for courses on Japanese politics this text should also prove useful to students of comparative politics and political parties

Nature Of The Italian Party System Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nature Of The Italian Party System has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nature Of The Italian Party System has opened up a world of possibilities. Downloading Nature Of The Italian Party System provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nature Of The Italian Party System has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nature Of The Italian Party System. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nature Of The Italian Party System. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nature Of The Italian Party System, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nature Of The Italian Party System has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
