Nature And Other Mothers:

Nature and Other Mothers Brenda Peterson, 1995-09-11 After the success of *Living by Water* novelist and nature writer Brenda Peterson turns her eye on the nature in human nature Her focus is mainly the feminine body of earth and women of animals human and nonhuman Whether writing about whales or women's bathing rituals salmon or friendship rain forests or life saving dreams Peterson weaves a compelling story of the bond between nature and ourselves This rich expanded collection was first hailed by critics as lyrical and life enhancing with large doses of wonder humor and warmth The new essays include a moving appeal to seek compassion in healing our sexual lives during this time of AIDS There are also chronicles of the birth death and afterlife of a baby beluga whale and of the seagull's memory for human faces Peterson's passionately observed subjects range from lullabies to abortion dolphins to old growth forests fundamentalism to fishing Combining her skills as a mesmerizing storyteller and nationally acclaimed nature writer Peterson explores the healing vital symbiosis between the sacred sensual body of our earth and the feminine and intimacy which instructs and inspires but most of all sustains us

Nature and Other Mothers Chelsea D. G. Bartlett, 2017 **Nature and Other Mothers** Brenda Peterson, 1992 Beautifully written and thought provoking essays on the influence of the feminine quality in our daily lives for finding fulfillment in everyday tasks and understanding the bigger issues in our current society Reflections upon our daily lives through the model of the mother rather than the father Jacket **Learning About Human Nature and Analytic Technique from Mothers and Babies** Nara Amelia Caron, Rita Sobreira Lopes, 2018-03-26 We have much to learn from mothers and babies not just about early life psychic phenomena that are active in us but also about the analytic technique when the internal setting becomes more important than the analyst's interpretative capacity The infant observation method is a useful tool for the refinement of psychoanalytic listening of primitive phenomena and for the development of the containment and receptive capacity in the analyst or any professional who is dedicated to the early stages of development This book is a living testimony of years of observation work with the Bick method including pregnancy and delivery and much more spent in the working through of this material in these unforgettable and usually inaccessible first three years of life

The Nature of Consciousness, the Structure of Reality Jerry Davidson Wheatley, 2001 This book describes how understanding the structure of reality leads to the Theory of Everything Equation The equation unifies the forces of nature and enables the merging of relativity with quantum theory The book explains the big bang theory and everything else

The Cultural Nature of Attachment Heidi Keller, Kim A. Bard, 2017-10-30 Multidisciplinary perspectives on the cultural and evolutionary foundations of children's attachment relationships and on the consequences for education counseling and policy It is generally acknowledged that attachment relationships are important for infants and young children but there is little clarity on what exactly constitutes such a relationship Does it occur between two individuals infant mother or infant father or in an extended network In the West monotropic attachment appears to function as a secure foundation for infants

but is this true in other cultures This volume offers perspectives from a range of disciplines on these questions Contributors from psychology biology anthropology evolution social policy neuroscience information systems and practice describe the latest research on the cultural and evolutionary foundations on children s attachment relationships as well as the implications for education counseling and policy The contributors discuss such issues as the possible functions of attachment including trust and biopsychological regulation the evolutionary foundations if any of attachment ways to model attachment using the tools of information science the neural foundations of attachment and the influence of cultural attitudes on attachment Taking an integrative approach the book embraces the wide cultural variations in attachment relationships in humans and their diversity across nonhuman primates It proposes research methods for the culturally sensitive study of attachment networks that will lead to culturally sensitive assessments practices and social policies Contributors Kim Bard Marjorie Beeghly Allyson J Bennett Yvonne Bohr David L Butler Nandita Chaudhary Stephen H Chen James B Chisholm Lynn A Fairbanks Ruth Feldman Barbara L Finlay Suzanne Gaskins Valeria Gazzola Ariane Gernhardt Jay Giedd Alma Gottlieb Kristen Hawkes William D Hopkins Johannes Johow Elfriede Kalcher Sommersguter Heidi Keller Michael Lamb Katja Liebal Cindy H Liu Gilda A Morelli Marjorie Murray Masako Myowa Yamakoshi Naomi Quinn Mariano Rosabal Coto Dirk Scheele Gabriel Scheidecker Margaret A Sheridan Volker Sommer Stephen J Suomi Akira Takada Douglas M Teti Bernard Thierry Ross A Thompson Akemi Tomoda Nim Tottenham Ed Tronick Marga Vicedo Leslie Wang Thomas S Weisner Relindis D Yovsi

The Cultural Nature of Human Development Barbara Rogoff, 2003-02-13 Three year old Kwara ae children in Oceania act as caregivers of their younger siblings but in the UK it is an offense to leave a child under age 14 ears without adult supervision In the Efe community in Zaire infants routinely use machetes with safety and some skill although U S middle class adults often do not trust young children with knives What explains these marked differences in the capabilities of these children Until recently traditional understandings of human development held that a child s development is universal and that children have characteristics and skills that develop independently of cultural processes Barbara Rogoff argues however that human development must be understood as a cultural process not simply a biological or psychological one Individuals develop as members of a community and their development can only be fully understood by examining the practices and circumstances of their communities Fictions of Pleasure Alistaire Tallent, 2023-12-15 Out of the libertine literary tradition of eighteenth century France emerged over a dozen memoir novels of female libertines who eagerly take up sex work as a means of escape from the patriarchal control of fathers and husbands to pursue pleasure wealth and personal independence outside the private domestic sphere In these anonymously published novels the heroines proudly declare themselves prostitutes or putains and use the desire they arouse the professional skills they develop and the network of female friends they create to exploit humiliate and financially ruin wealthy and powerful men In pursuing their desires the putains challenge contemporary notions of womanhood and expose the injustices of ancien r gime France Until the French Revolution spelled

the end of the genre these novels proposed not only an appealing libertine utopia in which libertine women enjoy the same benefits as their male counterparts but also entirely new ways of looking at systems of power gender and sexuality

Childbearing and the Changing Nature of Parenthood Rosalina Pisco Costa, Sampson Lee Blair, 2019-11-25 Around the globe the very conceptualization of family is associated with the relationship between a parent and a child The birth of a child represents both the end of one experience and the beginning of another **Borderlines** Gunnthórunn

Gudmundsdóttir, 2016-08-09 *Borderlines* Autobiography and Fiction in Postmodern Life Writing locates and investigates the borderlines between autobiography and fiction in various kinds of life writing dating from the last thirty years This volume offers a valuable comparative approach to texts by French English American and German authors to illustrate the different forms of experimentation with the borders between genres and literary modes Gudmundsdóttir tackles important contemporary concerns such as autobiography's relationship to postmodernism by investigating themes such as memory and crossing cultural divides the use of photographs in autobiography and the role of narrative in life writing This work is of interest to students and scholars of comparative literature postmodernism and contemporary life writing Birds and Nature, 1899 *Nature's Masterpiece* Libby Purves, 2000-10-05 The family is nature's masterpiece George Santayana A compendium of practical advice and reflections on modern family life in the age of computer gaming ever younger drug and drink problems educational upheaval and concerns about the way children's freedom health and personal development are threatened by considerations of safety Libby also considers the maintenance of marriage in an age of rising divorce and stepfamilies a balanced approach to sexual threats to children and the dangers and opportunities for family life caused by dual careers teleworking and other trends in the modern workplace Each subject is treated with wit and brevity to make the book a delight to read as well as providing a fund of useful advice *The Nature of the Right* Gill Seidel, 1988-01-01 This volume is a collection of original contributions in the field of feminist critical theory which reflect upon past practices and suggest new strategies and directions for future work The articles are presented in two non exclusive interactive sections Theorizing Feminist Criticism and The Feminist Writing Subject They offer different points of entry into the familiar debates that have dominated feminist literary criticism for over a decade The contributions stage negotiations with literary critical and feminist theory which are productive of different perspectives and new strategies for reading and writing **The Original Nature of Man** E.L. Thorndike, 1921 Human Nature and Suffering Paul Gilbert, 2016-08-05 Human Nature and Suffering is a profound comment on the human condition from the perspective of evolutionary psychology Paul Gilbert explores the implications of humans as evolved social animals suggesting that evolution has given rise to a varied set of social competencies which form the basis of our personal knowledge and understanding Gilbert shows how our primitive competencies become modified by experience both satisfactorily and unsatisfactorily He highlights how cultural factors may modify and activate many of these primitive competencies leading to pathology proneness and behaviours that are

collectively survival threatening These varied themes are brought together to indicate how the social construction of self arises from the organization of knowledge encoded within the competencies This Classic Edition features a new introduction from the author bringing Gilbert s early work to a new audience The book will be of interest to clinicians researchers and historians in the field of psychology **Birds & Nature Magazine** Charles C. Marble, William Kerr Higley, 1901 Vol 6 includes 40 Three Color Half tone illustrations from photographs of stuffed birds minerals and some landscapes Chicago Colortype Co Chic New York identified on some plates Page 132 Nature and Necessity Tariq Goddard, 2017-07-18 Even though they were mother and daughter they were known mostly as the sisters It was a union that would lead them both into lives they wished they had not had For thirty five years two women frighten each other through the fading twilight of the last century their existence an unacknowledged tragedy of manners Confusing their duty to one another for the feelings they re too busy to mention their desire for modest social success ends by asphyxiating whatever lies within its grasp From the art galleries of Manhattan Island to the pubs of the North Yorkshire Moors *Nature and Necessity* is a wild reimagining of the nineteenth century realist novel a story of siblings battling for survival and supremacy a war story without armies and a warning that even the most promising and prosperous of lives can be crushed by the fear of uttering the confession I love you

Women on Nature Katharine Norbury, 2021-05-13 What would happen I wondered if I simply missed out the fifty per cent of the population whose voices have been credited with shaping this particular cultural form If I coppiced the woodland so to speak and allowed the light to shine down to the forest floor and illuminate countless saplings now that a gap has opened in the canopy There has in recent years been an explosion of writing about place landscape and the natural world But within this blossoming of interest women s voices have remained very much in the minority For the very first time this landmark anthology collects together the work of women over the centuries and up to the present day who have written about the natural world in Britain Ireland and the outlying islands of our archipelago Alongside the traditional forms of the travelogue the walking guide books on birds plants and wildlife *Women on Nature* embraces alternative modes of seeing and recording that turn the genre on its head Katharine Norbury has sifted through the pages of women s fiction poetry household planners gardening diaries and recipe books to show the multitude of ways in which they have observed the natural world about them from the fourteenth century writing of the anchorite Julian of Norwich to the seventeenth century travel journal of Celia Fiennes from the keen observations of Emily Bront to a host of brilliant contemporary voices *Women on Nature* presents a groundbreaking vision of the natural world which in addition to being a rich and scintillating anthology that shines a light on many unjustly overlooked writers is of unique importance in terms of women s history and the history of writing about nature *Feminist Politics and Human Nature (Philosophy and Society)* Alison M.
