Navajo Shepherd And Weaver Rio Grande Classic:

Navajo Shepherd and Weaver Gladys Amanda Reichard, 1968 *Navajo shepherd and weaver* Gladys A. Reichard, 1968 **Language and Art in the Navajo Universe** Gary Witherspoon, 1977 A study of Navajo culture with a view to its philosophical underpinnings examines the dynamism and adaptability of the Navajo language and the enduring relevance of ritual in the Navajo world view The Navajos Peter Iverson, 1976 A massive literature exists for the history and culture of American Indians but the quality of that literature is very uneven At its best it compares well with the finest scholarship and most interesting reading to be found anywhere At its worst it may take the form of malicious fabrication It is after all a history of hundreds if not thousands of human communities spread over an entire continent and enduring through millenia of pre Columbian years as well as the five centuries that Europeans have documented since 1492 Indian Art of the Americas at the Art Institute of Chicago Richard F. Townsend, 2016-06-28 A stunning survey of the indigenous art architecture and spiritual beliefs of the Americas from the Precolumbian era to the 20th century This landmark publication catalogues the Art Institute of Chicago's outstanding collection of Indian art of the Americas one of the foremost of its kind in the United States Showcasing a host of previously unpublished objects dating from the Precolumbian era to the 20th century the book marks the first time these holdings have been comprehensively documented Richard Townsend and Elizabeth Pope weave an overarching narrative that ranges from the Midwestern United States to the Yucatán Peninsula to the heart of South America While exploring artists' myriad economic historical linguistic and social backgrounds the authors demonstrate that they shared both a deep underlying cosmological view and the desire to secure their communities prosperity by affirming connections to the sacred forces of the natural world The critical essays focus on topics that bridge traditions across North Central and South America including materials methods of manufacture the diversity of stylistic features and the iconography and functions of various objects Gorgeously illustrated in color with more than 500 vibrant images this handsome catalogue serves as the definitive survey of an unparalleled collection **Creation and Procreation** Marta Weigle, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press's distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas *Both Sides of the Bullpen* Robert S. McPherson, 2017-10-19 Between 1880 and 1940 Navajo and Ute families and westward trending Anglos met in the bullpens of southwestern trading posts to barter for material goods As the products of the livestock economy of Navajo culture were exchanged for the merchandise of an industrialized nation a wealth of cultural knowledge also changed hands In *Both Sides of the Bullpen* Robert S. McPherson reveals the ways that Navajo tradition fundamentally reshaped and defined trading practices in the Four Corners area of southeastern Utah and southwestern Colorado Drawing on oral histories of Native peoples and traders collected over thirty years of research

McPherson explores these interactions from both perspectives as wool blankets and silver crossed the counter in exchange for flour coffee and hardware To succeed traders had to meet the needs and expectations of their customers often interpreted through Navajo cultural standards From the organization of the post building to gift giving health care and burial services and a credit system tailored to the Navajo calendar every feature of the trading post served trader and customer alike Over time these posts evolved from ad hoc business ventures or profitable cooperative stores into institutions with a clearly defined set of expectations that followed Navajo traditional practices Traders spent their days evaluating craft work learning the financial circumstances of each Native family following economic trends in the wool and livestock industry back east and avoiding conflict In detail and depth the many voices woven throughout *Both Sides of the Bullpen* restore an underappreciated era to the history of the American Southwest They show us that for American Indians and white traders alike in the Four Corners region during the late 1800s and early 1900s barter was as much a cultural expression as it was an economic necessity

The Indians and Eskimos of North America Jack W. Marken, 1973 Books by and about the American and Canadian Indian and the Eskimo in print in 1972 Listing indicates price binding suitability for school children Most fictional works are omitted
