Wisdom of Solomon, and Sirach (Ecclesiasticus) ,1999 This volume which follows the pattern of the highly successful Navarre Bible New Testament consists of the Revised Standard Version and the New Vulgate with a Commentary by members of the Faculty of Theology at the University of Navarre Spain Whereas the first five books of the Old Testament the Pentateuch record the Law of Moses in the form of commandments the Wisdom Books propound that teaching in the form of counsels and proverbs They also reveal the close connection between knowledge that comes through faith and knowledge acquired through human reasoning *Chronicles-Maccabees* ,2003 This volume of the Navarre Bible commentaries unlocks the mysteries of a wide ranging sequence of Old Testament books the historical books of Chronicles Ezra Nehemiah and Maccabees and the little known but pivotally important books of Tobit Judith and Esther In these books you ll find the rich and instructive stories of Kings David and Solomon the Babylonian exile and its aftermath the heroism of the Maccabees who gave their lives to preserve their faith in God and the deep faith and awareness of divine blessing that invests the books of Tobit Judith and Esther **Minor Prophets** ,2005 In the language of the Bible prophecy has quite a broad meaning but

refers primarily to the idea of speaking in the name of God The entire Old Testament could be said to be prophetic but some books carry the names of twelve minor prophets a distinction based on their length Not all of them easy to date the authors and editors of these books in the roll of the twelve prophets lived at times between the eighth century and second century BC

Religion of Peace? Robert Spencer,2007-08-08 Christianity or Islam which is the real religion of peace Almost any liberal pundit will tell you that there s a religion bent on destroying our Constitution stripping us of our liberties and imposing religious rule on the U S And that religion is Christianity About Islam however the Left is silent except to claim a moral equivalence between the two if Islam has terrorists today that s nothing compared to the Crusades inquisitions and religious wars in Christianity s past But is this true Are conservative Christians really more of a threat to free societies than Islamic jihadists Is the Bible really just as violent as the Qur an Is Christianity s history really as bloodstained as Islam s In Religion of Peace Why Christianity Is and Islam Isn t New York Times bestselling author Robert Spencer not only refutes such charges but also explains why Americans and Europeans must regain an appreciation of our Christian heritage if we ever hope to defeat Islamic supremacism

Whom to blame for Judah's doom? Benedikt Josef Collinet,2023-01-23 The last kings of Juda led God s people directly into exile and thus in the catastrophe of the destruction of the First temple How did that happen Who was responsible What kind of role did God play in this drama These questions will be addressed by Benedikt Josef Collinet Unlike the narrative suggests the kings were not the protagonists of the drama but the antagonists to God instead God used the neighbouring peoples and Babel as tools of punishment The reason for these punishments was the systemic covenant break of God s people The consequences of these punishments can be read in Deuteronomy 28 The story is a composed deconstruction of divine salvation promises The salvation gifts were withdrawn but the promises still remained The people needed a new beginning that with reference to the exodus could only be indicated or prepared by pardoning Jehoiachin 2 Kings 25 27 30
