Waiting is the Night: Finding Hope When You're Stuck on the Other Side of Dawn

Shannon Brink,2023-05-09 We all go through seasons of waiting times when God just seems to have closed His ears to us and turned His back During those seasons it s easy for us to give up hope and lose heart But what if we hold on to the hope that God is working behind the scenes even if we can t see Him What can we learn from those times of waiting Shannon Brink has experienced those seasons herself after various injuries forced her to stay in bed for weeks on end while she was facing possible infertility but longed to be a mother as door after door closed on her dreams of living in a far away land and now as she waits for sleep to come while battling chronic insomnia As a former nighttime nurse Shannon knows that the hardest time of the waiting season is at night when our thoughts take over and worry invades Drawing from her own experiences and from the examples of God s people in the Bible who also experienced seasons of waiting Shannon encourages the reader to hold on to the One Who created us and has only our good in mind While waiting in the dark cling to the Light The

Harvest of Hope Mark Veber,2023-09-19 Some may claim that they've had moments of déjà vu or the uncanny ability to see what is about to happen like determining the end of a movie or feeling like you have been somewhere before based on nothing but intuition However what if you could acquire a prescreening of your future would you Or would you prefer whatever happens happens without your destiny ever being revealed Well for Hope Wilson that was never an option Considering it both a blessing and a curse she marches through life alone understanding those same premonitions will lead her ever closer to the man she will eventually meet and fall in love with Often described as a selfless woman Hope donates much of her time and money to the less fortunate aiding anyone in need even knowing her destined path is about to change That is when John walks in a man who is looking for his own purpose while he himself searches for that one special person who will stand beside him through it all With the love and support of her family and friends like Elvin John's college roommate and Liz Hope's best friend they embrace what life offers with all the normalcies of life's twists and turns And even though Hope strictly adheres to her rule of her not changing anyone's futures they each optimistically focus on their tomorrows How will it all turn out Only Hope knows 'Till the night is gone', 30 sermons Joseph Barnaby C.
