Christotherapy I Bernard Tyrrell SJ, 1999-03-10 In an era when endless varieties of psychic salvation are produced and marketed the sanity and depth of Tyrrell's book are very appealing Justin J Kelly SJ in Theological Studies Parents teachers spiritual directors therapists and counselors will welcome its healthy intellectual and practical approach to therapy rooted in Christian revelation and tradition Homiletic and Pastoral Review Provides excellent treatments of the self image of prayer and of Christ's meaning and value in human lives America's genuinely recommended as a significant attempt at integrating counseling psychotherapy religion and mysticism in a framework that implies consistency and balance Charles A Curran in Pastoral Psychology Likely to remain for some time to come one of the most penetrating studies in the field of inner healing The Way It's a Snap!, 2009 Need a last minute Bible study It's a snap with these Easy Prep Lessons for PreK-K Thirteen high energy age appropriate activities to keep little ones learning about God in small or large groups or at home *Mother Teresa's General Letters to Her Sisters* Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa's unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unremitting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the

context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life. They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God.

Mother Teresa: Come Be My Light Mother Teresa, Brian Kolodiejchuk, 2007-09-04 This historic work reveals the inner spiritual life of one of the most beloved and important religious figures in history. Mother Teresa. During her lifelong service to the poorest of the poor, Mother Teresa became an icon of compassion to people of all religions; her extraordinary contributions to the care of the sick, the dying, and thousands of others, nobody else was prepared to look after, has been recognized and acclaimed throughout the world. Little is known, however, about her own spiritual heights or her struggles. This collection of her writing and reflections, almost all of which have never been made public, before sheds light on Mother Teresa's interior life in a way that reveals the depth and intensity of her holiness for the first time. Compiled and presented by Fr. Brian Kolodiejchuk, M.C., who knew Mother Teresa for twenty years and is the postulator for her cause for sainthood and director of the Mother Teresa Center, Mother Teresa brings together letters she wrote to her spiritual advisors over decades. A moving chronicle of her spiritual journey, including moments, indeed years, of utter desolation, these letters reveal the secrets she shared only with her closest confidants. She emerges as a classic mystic, whose inner life burned with the fire of charity and whose heart was tested and purified by an intense trial of faith, a true dark night of the soul. If I ever become a Saint, I will surely be one of darkness. I will continually be absent from Heaven to light the light of those in darkness on earth. Mother Teresa.
