Only Human A Divine Comedy:

Only Human Jenny Diski, 2001-05-11 What if God fell in love and the other person was already married The author of *Skating to Antarctica* pens a bitter comic story of the very first love triangle between a man his wife and the voice of God

Only Human Jenny Diski, 2002-10-04 What if God fell in love and the person was already married A bitter story of the very first love triangle between a man his wife and their God First came Adam whose fall soured His quest for absolute authority then Noah whose dreary sense of duty He found dull God resolves for a third and final time to get it right to select a vessel through whom He can direct human affairs and to whom He can communicate directly His will He chooses a solitary figure whose trust must be wooed but whose faith once secured will surely reflect even greater glory and love Were matters only that simple In *Only Human* Jenny Diski's brilliant and affecting retelling of the Abraham and Sarah story God learns that no man chosen or not is solitary and that the bonds forged by the human heart are resilient even to divine commandment Diski transforms an archetypal tale of Old Testament obedience into a fierce love triangle a test of wills over not only mankind's future but over who will tell the story of its past

Stanhope prize essay Arthur Elam Haigh,1878 **The Political Theories of Dante** Arthur Elam Haigh,1878 **The Will's Harmonic Motion Fourth Edition** Fadel Sabry,2019-01-16 This book brings new ideas to philosophy All philosophers start from previous ideas and build on or modify them they use them as a foundation for new ideas or systems Schopenhauer s concept of the will and morality form the basis for this book Sabry proved without any doubt that our moral character is assigned to us according to a specific unalterable and predictable system He proved it scientifically and through daily observation of human behavior He observed that moral characters change and move as a sine curve i e harmonic motion After establishing this groundbreaking theory of the Will s Harmonic Motion he extended it to cover and explain many topics including animals pleasure physical and metaphysical actions death eternal justice and salvation The book outlines Sabry s self taught experience in meditation which ended in the first stage of enlightenment in just a few months The book boldly reveals the mystery of existence how the will started in the void and ejected itself to have physical experience It created the world as a stage to perform its divine comedy Then the will objectified itself as humans to purify itself from immoral deeds To perform moral acts the will created four characters with matching intellects that change every lifetime Every human being has his unique moral curve and must end up back in the void The will governs the whole universe physically and morally by the causal law in which one side is physical causality and the other is eternal justice

Lady Parts Kathryn D. Blanchard,Jane S. Webster,2012-11-13 How might women in the Bible tell their stories if they were prompted to do so by Eve Ensler s controversial play The Vagina Monologues This collection imagines some answers to that question The monologues herein are written by a variety of authors including scholars undergraduates clergy and laywomen the content of the narratives

reflects this variety being at times faithful or irreverent tragic or even funny All seek to give twenty first century voices to women in canonical texts including the Hebrew Bible Deuterocanonical books and New Testament who are often speechless nameless or otherwise marginalized Not for the faint of heart these monologues not only end the silences but also add flesh and bone to characters whose experiences have too easily been justified metaphorized or altogether ignored By naming the torn places in these women s stories this volume invites readers to encounter both the biblical characters and their contemporary interpreters with an attitude of compassionate listening Our hope is that such compassionate listening may contribute not only to more just readings of sacred texts but also to the mission of Eve Ensler and V Day to end global violence against women and girls
