Pacific Homosexualities:

Pacific Homosexualities Stephen O. Murray, 2002 *Invisible Contrarian* Regna Darnell, **Sex and Gender in the Pacific** Angela Kelly-Hanku, Peter Aggleton, Anne Malcolm, 2023-02-24 This book examines sex sexuality gender and health in the Pacific with a focus on three key sets of issues young people culture and education sexual and reproductive health and well being and belonging connectedness and justice Bringing together the work of scholars from across the Pacific region this innovative volume showcases traditional knowledge and diverse disciplinary scholarship of policy and practice relevance In addition to focusing on relationships health education family and community chapters engage with a number of cross cutting themes including violence justice and rights and sexuality and gender diversity Drawing on the diversity and richness of the Pacific its cultures languages and people the book lays the foundations for future conversations and scholarship for and by those within the Pacific *Sex and Gender in the Pacific* is an important resource for students researchers and practitioners working in Pacific studies sexuality and gender studies public health nursing public policy sociology education and anthropology

Gay and Lesbian Literary Heritage Claude J. Summers, 2014-02-25 The revised edition of *The Gay and Lesbian Literary Heritage* is a reader's companion to this impressive body of work It provides overviews of gay and lesbian presence in a variety of literatures and historical periods in depth critical essays on major gay and lesbian authors in world literature and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world New articles in this volume feature authors such as Michael Cunningham Tony Kushner Anne Lister Kate Millet Jan Morris Terrence McNally and Sarah Waters essays on topics such as *Comedy of Manners* and *Autobiography* and overviews of Danish Norwegian Philippines and Swedish literatures as well as updated and revised articles and bibliographies

Communication, Digital Media, and Popular Culture in Korea Dal Yong Jin, Nojin Kwak, 2018-05-16 In recent decades Korean communication and media have substantially grown to become some of the most significant segments of Korean society Since the early 1990s Korea has experienced several distinctive changes in its politics economy and technology which are directly related to the development of local media and culture Korea has greatly developed several cutting edge technologies such as smartphones video games and mobile instant messengers to become the most networked society throughout the world As the Korean Wave exemplifies the once small and peripheral Korea has also created several unique local popular cultures including television programs movies and popular music known as K pop and these products have penetrated many parts of the world As Korean media and popular culture have rapidly grown the number of media scholars and topics covering these areas in academic discourses has increased These scholars' interests have expanded from traditional media such as Korean journalism and cinema to several new cutting edge areas like digital technologies health communication and LGBT related issues In celebrating the Korean American Communication Association's fortieth

anniversary in 2018 this book documents and historicizes the growth of growing scholarship in the realm of Korean media and communication

Social Work Education Noble, Carolyn, Henrickson, Mark, Han, In Young, 2013-05-16 Social work and social development in the Asia Pacific region continue to grow in new and exciting ways Social work educators are an essential part of shaping social work and development In this second edition we hear four new voices from Cambodia Fiji Japan and Vietnam together with revised and updated chapters from social work educators in Australia China Hong Kong India Korea Nepal and New Zealand Summaries of each chapter are included in Chinese Japanese and Korean as well as in the first language of the author Despite the astonishing diversity of languages cultures philosophies religions economic systems and ways that social work is taught and practised in the region social work in the Asia Pacific is becoming more internationally cohesive At the same time it maintains strong foundations in its local contexts In an increasingly globalised world international social work belongs in every 21st century social work curriculum While this book does not provide all the answers it will help educators and practitioners ask better questions

Human Rights in the South Pacific Sue Farran, 2009-01-15 This book looks at the challenges and contemporary issues raised by human rights in the island countries of the South West Pacific which have come under the influence of common law The main topic interacts with a range of others such as constitutions legal institutions and structures social organization culture and custom tradition and change especially in the Pacific region where the legal systems are complex and perceptions of what rights are or should be varies widely

Black Sexualities Juan Battle, Sandra L. Barnes, 2009-11-24 Why does society have difficulty discussing sexualities Where does fear of Black sexualities emerge and how is it manifested How can varied experiences of Black females and males who are lesbian gay bisexual transgender LGBT or straight help inform dialogue and academic inquiry From questioning forces that have constrained sexual choices to examining how Blacks have forged healthy sexual identities in an oppressive environment Black Sexualities acknowledges the diversity of the Black experience and the shared legacy of racism Contributors seek resolution to Blacks understanding of their lives as sexual beings through stories of empowerment healing self awareness victories and other historic and contemporary life course panoramas and provide practical information to foster more culturally relative research tolerance and acceptance

Laboring For Rights Gerald Hunt, 1999-10-15 A global look at labor unions and sexual minorities

American Gay Stephen O. Murray, 1996-06-15 Drawing on two decades of research into gay life in North America Stephen O Murray examines the emergence of gay and lesbian social life the creation of lesbian gay communities and the political and social forces of resistance that have mobilized and nurtured a group identity Murray also considers the extent to which there is a single modern homosexuality the enormous range of gay behaviors and more

Licentious Worlds Julie Peakman, 2019-10-15 Licentious Worlds is a history of sexual attitudes and behavior through five hundred years of empire building around the world In a graphic and sometimes unsettling account Julie Peakman examines colonization and the imperial experience of women as well as marginalized men

showing how women were not only involved in the building of empires but how they were also almost invariably exploited Women acted as negotiators brothel keepers traders and peace keepers but they were also forced into marriages and raped The book describes women in Turkish harems Mughal zenanas and Japanese geisha houses as well as in royal palaces and private households and onboard ships Their stories are drawn from many sources from captains logs missionary reports and cannibals memoirs to travelers letters traders accounts and reports on prostitutes From debauched clerics and hog bugging Pilgrims to sexually confused cannibals and sodomizing samurai Licentious Worlds takes history into its darkest corners

Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Religion and LGBTQ Sexualities Stephen Hunt, 2016-12-05 This compiled and edited collection engages with a theme which is increasingly attracting scholarly attention namely religion and LGBTQ sexuality Each section of the volume provides perspectives to understanding academic discourse and wide ranging debates around LGBTQ sexualities and religion and spirituality The collection also draws attention to aspects of religiosity that shape the lived experiences of LGBTQ people and shows how sexual orientation forges dimensions of faith and spirituality Taken together the essays represent an exploration of contestations around sexual diversity in the major religions the search of sexual minorities for spiritual safe spaces in both established and new forms of religiosity and spiritual paths formed in reconciling and expressing faith and sexual orientation This collection which features contributions from a number of disciplines including sociology anthropology psychology history religious studies and theology provides an indispensable teaching resource for educators and students in an era when LGBTQ topics are increasingly finding their way onto numerous undergraduate post graduate and profession orientated programmes

Asian American Sexualities Russell Leong, 2014-06-17 Asian American Sexualities works to dispel the stereotype of oriental sexual decadence as well as the model minority heterosexual Asian sterotype in the US Writing from an impressive array of

interdisciplinary perspectives the contributors discuss a variety of topics including sexuality and identity politics community activism and gay activism transnational aspects of love between women in Thailand queer South Asian culture in the US gay and lesbian filmmakers same sex sexuality in Pacific literature and Asian American male homosexuality and AIDS The relationship of the gay and lesbian experience to Asian American studies and Ethnic Studies is also explored

Encyclopedia of Gay Histories and Cultures George Haggerty, 2013-11-05 First Published in 2000 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

Zen-Life Evgeny Steiner, 2014-06-26 This book examines Japanese culture of the Muromachi epoch 14 16 centuries with Ikky S jun 1394 1481 as its focal point Ikky s contribution to the culture of his time was all embracing and unique He can be called the embodiment of his era given that all the features typical for the Japanese culture of the High Middle Ages were concentrated in his personality This multidisciplinary study of Ikky s artistic religious and philosophical heritage reconstructs his creative mentality and his way of life The aesthetics and art of Ikky are shown against a broad historical background Much emphasis is given to Ikky s interpretation of Zen The book discusses in great detail Ikky s religious and ethical principles as well as his attitude towards sex and shows that his rebellious and iconoclastic ways were deeply embedded in the tradition The book pulls together materials from cultural and religious history with literary and visual artistic texts and offers a multifaceted view on Ikky as well as on the cultural life of the Muromachi period This approach ensures that the book will be interesting for art historians historians of literature and religion and specialists in cultural and visual studies

SamulNori Nathan Hesselink, 2012-02-24 In 1978 four musicians crowded into a cramped basement theater in downtown Seoul where they for the first time brought the rural percussive art of p ungmul to a burgeoning urban audience In doing so they began a decades long reinvention of tradition one that would eventually create an entirely new genre of music and a national symbol for Korean culture Nathan Hesselink s SamulNori traces this reinvention through the rise of the Korean supergroup of the same name analyzing the strategies the group

employed to transform a museum worthy musical form into something that was both contemporary and historically authentic unveiling an intersection of traditional and modern cultures and the inevitable challenges such a mix entails Providing everything from musical notation to a history of urban culture in South Korea to an analysis of SamulNori s teaching materials and collaborations with Euro American jazz quartet Red Sun Hesselink offers a deeply researched study that highlights the need for traditions if they are to survive to embrace both preservation and innovation

Gender and Globalization in Asia and the Pacific Kathy E. Ferguson, Monique Mironesco, 2008-08-01 What is globalization How is it gendered How does it work in Asia and the Pacific The authors of the sixteen original and innovative essays presented here take fresh stock of globalization s complexities They pursue critical feminist inquiry about women gender and sexualities and produce original insights into changing life patterns in Asian and Pacific Island societies Each essay puts the lives and struggles of women at the center of its examination while weaving examples of global circuits in Asian and Pacific societies into a world frame of analysis The work is generated from within Asian and Pacific spaces bringing to the fore local voices and claims to knowledge The geographic emphasis on Asia Pacific highlights the complexity of globalizing practices among specific people whose dilemmas come alive on these pages Although the book focuses on global gendered flows it expands its investigation to include the media and the arts intellectual resources activist agendas and individual life stories First rate ethnographies and interviews reach beyond generalizations and bring Pacific and Asian women and men alive in their struggles against globalization Globalization cannot be summed up in a neat political agenda but must be actively contested and creatively negotiated Taking feminist political thinking beyond simple oppositions the authors ask specific questions about how global practices work how they come to be who benefits and what is at stake Contributors Nancie Caraway Steve Dern Cynthia Enloe Kathy Ferguson Maria Ibarra Gwyn Kirk Sally Merry Virginia Metaxas Min Dongchao Monique Mironesco Rhacel Parrenas Lucinda Peach Vivian Price Jyoti Puri Judith Raikin Nancy Riley Saskia Sassen Teresia Teaiwa Chris Yano Yau Ching

Sexual Encounters Lee Wallace, 2018-05-31 European literary artistic and anthropological representation has long viewed the Pacific as the site of heterosexual pleasures The received wisdom of these accounts is based on the idea of female bodies unrestrained by civilization In a revisionist history of the Pacific zone and some of its preeminent Western imaginists Lee Wallace suggests that the fantasy of the male body rather than of the free loving female provides the underlying libidinal structure for many of the classic encounter narratives from Cook to Melville The subject of *Sexual Encounters* is sexual fantasy particularly male homoerotic fantasy found in the literature and art of South Sea exploration colonization and settlement Working at the boundaries of a number of disciplines such as queer theory anthropology postcolonial studies and history Wallace engages in subversive readings of eighteenth and nineteenth century Pacific voyage journals Cook in Hawaii and a Russian expedition to the Marquesas an argument concerning Gauguin s treatment of female figures and a discussion of homosexuality and Samoan male to female transgenderism These phenomena

Wallace asserts demonstrate the continuity and dissonance between Western and Pacific sexual categories She reconstructs Pacific history through the inevitable entanglement of metropolitan and indigenous sexual regimes and ultimately argues for the importance of the Pacific in defining modern sexual categories Gender on the Edge Niko Besnier, Kalissa Alexeyeff, 2014-12-31 Transgender identities and other forms of gender and sexuality that transcend the normative pose important questions about society culture politics and history They force us to question for example the forces that divide humanity into two gender categories and render them necessary inevitable and natural The transgender also exposes a host of dynamics that at first glance have little to do with gender or sex such as processes of power and domination the complex relationship among agency subjectivity and structure and the mutual constitution of the global and the local Particularly intriguing is the fact that gender and sexual diversity appear to be more prevalent in some regions of the world than in others This edited volume is an exploration of the ways in which non normative gendering and sexuality in one such region the Pacific Islands are implicated in a wide range of socio cultural dynamics that are at once local and global historical and contemporary The authors recognize that different social configurations cultural contexts and historical trajectories generate diverse ways of being transgender across the societies of the region but they also acknowledge that these differences are overlaid with commonalities and predictabilities Rather than focus on the definition of identities they engage with the fact that identities do things that they are performed in everyday life that they are transformed through events and movements and that they are constantly negotiated By addressing the complexities of these questions over time and space this work provides a model for future endeavors that seek to embed dynamics of gender and sexuality in a broad field of theoretical import

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **Pacific Homosexualities**

In some sort of inundated with monitors and the cacophony of instantaneous conversation, the profound power and psychological resonance of verbal beauty usually disappear into obscurity, eclipsed by the regular barrage of noise and distractions. However, nestled within the musical pages of **Pacific Homosexualities**, a captivating perform of literary brilliance that impulses with raw thoughts, lies an unique journey waiting to be embarked upon. Composed by a virtuoso wordsmith, this magical opus books viewers on a psychological odyssey, lightly revealing the latent possible and profound impact stuck within the complex web of language. Within the heart-wrenching expanse of the evocative evaluation, we can embark upon an introspective exploration of the book is central styles, dissect its charming writing fashion, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
