security issues as well Recipes are interspersed throughout and a timeline glossary selected bibliography and photos round out the coverage *Gateway State* Sarah Miller-Davenport,2021-07-06 How Hawai i became an emblem of multiculturalism during its journey to statehood in the mid twentieth century Gateway State explores the development of Hawai i as a model for liberal multiculturalism and a tool of American global power in the era of decolonization The establishment of Hawai i statehood in 1959 was a watershed moment not only in the ways Americans defined their nation s role on the international stage but also in the ways they understood the problems of social difference at home Hawai i s remarkable transition from territory to state heralded the emergence of postwar multiculturalism which was a response both to independence movements abroad and to the limits of civil rights in the United States Once a racially problematic overseas colony by the 1960s Hawai i had come to symbolize John F Kennedy s New Frontier This was a more inclusive idea of who counted as American at home and what areas of the world were considered to be within the U S sphere of influence Statehood advocates argued that Hawai i and its majority Asian population could serve as a bridge to Cold War Asia and as a global showcase of American democracy and racial harmony In the aftermath of statehood business leaders and policymakers worked to institutionalize and sell this ideal by capitalizing on Hawai i s diversity Asian Americans in Hawai i never lost a perceived connection to Asia Instead their ethnic difference became a marketable resource to help other Americans navigate a decolonizing world As excitement over statehood dimmed the utopian vision of Hawai i fell apart revealing how racial inequality and U S imperialism continued to shape the fiftieth state and igniting a backlash against the islands white dominated institutions Basic Cantonese Cooking James Rollband,1990 This is a basic Chinese cookbook for those who would like to cook Chinese dishes but have no experience The author gives instructions on utensils food preparation that are clear simple yet the results are excellent **Fashionable Food** Sylvia Lovegren,2005-06 Organized by decade spanning the 1920s to the 1990s this first complete history of gourmet food in America offers an irreverent approach to every food fad of the 20th century from Crepe Suzettes to blue corn chips Recipes menus and illustrations for these creations can be found throughout 40 photos **American Book Publishing Record Cumulative, 1950-1977** R.R.
