Figure 1. A small, square, black and white photograph showing a close-up of a person's face, possibly a child, looking upwards. The image is grainy and has a high-contrast, almost artistic quality.

The following text is a continuation of the document's content, likely a discussion or conclusion section. It begins with a paragraph starting with 'The results of the present study...' and continues with several lines of text. The text is somewhat blurry and difficult to read due to the low resolution of the scan. It appears to be a standard academic or technical writing style, discussing findings and their implications.
