Donna Kerr,Sandra Wilson,2004 Essentials of Marketing , **Packaging Strategy** Mona Doyle,1996 **Value Creation 4.0 - Marketing Products in the 21st Century** Gábor Rekettye,2019-08-15 Value Creation 4.0 is a marketing guide to the age of the fourth industrial revolution Industry 4.0 This title draws attention to the situation which poses new challenges and risks for the whole of humanity The book takes an essentially practice oriented approach The book intends to highlight the importance of the topic define its conceptual framework and present its practical applications The book is therefore primarily recommended for practitioners The topics of the book together with the supporting exhibits and cases which also include international dimensions provide information for them that can help increase their competitiveness The book can also be very handy in higher education Whole courses can be built on it as the book comprises 4 parts and 14 chapters which can provide the basis for lectures Each part is illustrated with cases and some of the more than 30 exhibits could be used for the efficient processing of the material and for further reflection Food, Technology and Culture in Africa A. Ogunlade,M. Adeleke,2021-04-01 This book is a multidisciplinary exposition of how scholars from various disciplines research food The chapters unravel the crosscutting themes in the role of food in everyday realities of African societies Food remains indispensable to humanity for a good healthy and quality life but accessibility is shrouded by poor quality food and food fraud thereby making the available food unsafe for consumption by the Nigerian citizens and of course by people around the world The underlying causes of this have largely been attributed to poverty and acquisitive economic gains and to some extent poor food handling by consumers In Nigeria the state of poverty is so severe that the largest proportion of the citizens daily and or monthly income goes on food which is barely enough to access quality and nutritional food Consequently majority of the citizens seek and take up poor quality food that might come their way In the light of drive for unsafe food the

food fraudsters had capitalised on the poor Nigerians to make illegally adulterated and poor quality food available at cheaper prices This situation has not only endangered the food distribution system and quality of consumed nutrition in Nigeria but as equally put the health status of Nigerians at risk through long term exposure and build up of chronically toxic contaminants in the body

Intelligent Robotics and Applications Honghai Liu,Han Ding,Zhenhua Xiong,Xiangyang Zhu,2010-11-18 The market demand for skills knowledge and adaptability have positioned robotics to be an important field in both engineering and science One of the most highly visible applications of robotics has been the robotic automation of many industrial tasks in factories In the future a new era will come in which we will see a greater success for robotics in non industrial environments In order to anticipate a wider deployment of intelligent and autonomous robots for tasks such as manufacturing healthcare entertainment search and rescue surveillance exploration and security missions it is essential to push the frontier of robotics into a new dimension one in which motion and intelligence play equally important roles The 2010 International Conference on Intelligent Robotics and Applications ICIRA 2010 was held in Shanghai China November 10 12 2010 The theme of the conference was Robotics Harmonizing Life a theme that reflects the ever growing interest in research development and applications in the dynamic and exciting areas of intelligent robotics These volumes of Springer's Lecture Notes in Artificial Intelligence and Lecture Notes in Computer Science contain 140 high quality papers which were selected at least for the papers in general sessions with a 62% acceptance rate Traditionally ICIRA 2010 holds a series of plenary talks and we were fortunate to have two such keynote speakers who shared their expertise with us in diverse topic areas spanning the range of intelligent robotics and application activities

Aflatoxins Lukman Abdulra'uf,2022-02-09 Aflatoxins are a group of highly toxic and carcinogenic substances that occur naturally and can be found in food substances Aflatoxins are secondary metabolites of certain strains of fungi *Aspergillus flavus* and *Aspergillus parasiticus* as well as the less common *Aspergillus nomius* Aflatoxins B1 B2 G1 and G2 are the most important members which can be categorized into two groups according to chemical structure As a result of the adverse health effects of mycotoxins their levels have been strictly regulated especially in food and feed samples Therefore their accurate identification and determination remain a herculean task due to their presence in the complex food matrix The great public concern and the strict legislation incited the development of sensitive analytical methods that are discussed in this book
