Monthly Catalog of United States Government Publications, Cumulative Index United States. Superintendent of Documents, 1970 *Architecture Series: Bibliography*, 1981 **50 Great West Indian Test Cricketers** Henderson Dalrymple, 1983 No Holding Back Michael Holding, 2010-05-20 The autobiography of West Indies fast bowling legend turned Sky pundit Michael Holding, author of the award-winning *Why We Kneel How We Rise*. As one of the fastest bowlers the world has seen, Michael Holding went by the haunting nickname 'Whispering Death', claiming 249 Test wickets. Despite having not laced his bowling boots since 1989, it remains a fitting sobriquet. As a commentator and administrator, Holding has delivered his views on cricket in the same manner that he played the game: he speaks softly with a rich Jamaican rhythm and is calculated in either criticism or compliment. *NO HOLDING BACK* charts his effortless transition from one of the great players to one of the great pundits. Holding graphically describes his days as a player looking back at how he tried to deliberately hurt batsmen on the wastelands of Kingston and his first match for Jamaica when he almost collapsed from exhaustion after only four overs. There is time too to divulge what it was like to tour with the West Indies and unmissable insights about sharing a dressing room with other legends of the game like Clive Lloyd, Sir Viv Richards and Malcolm Marshall. Holding does not shirk the big issues as he discusses how the West Indies have slipped following their halcyon days; openly assesses Brian Lara and laments the hypocrisy over the state of the game in the region. The controversy surrounding the Allen Stanford 20m spectacle, the ICC's handling of the abandoned England v Pakistan match, player power, illegal bowling actions and the threat of Twenty20 to the Test game are all subjects which Holding tackles with characteristic knowledge and class. **Cricketing Lives** Richard H. Thomas, 2022-08-22 As famous for its complicated rules as it is for its contentious and lengthy matches, cricket is the quintessentially English sport. Or is it? From cricket in literature to sticky wickets, *Cricketing Lives* is a paean to the quirky characters and global phenomenon that are cricket. Cricket is defined by the characters who have played it, watched it, reported it, ruled upon it, ruined it and rejoiced in it. Humorous and deeply affectionate, *Cricketing Lives* tells the story of the world's greatest and most incomprehensible game through those who have shaped it, from the rustic contests of eighteenth-century England to the spectacle of the Indian Premier League. It's about W.G. Grace and his eye to his wallet, the invincible Viv Richards and Sarah Taylor, the best wicketkeeper in the world. Richard H. Thomas steers a course through the despair of war, tactical controversies and internecine politics to reveal how cricket has always warmed our hearts as nothing else can. **Fourth and final report of a commission appointed under Government notice no.1243 of 26th July, 1911, to inquire into the grievances of the railway and harbour staff**
