## **Packhorses To The Pacific:**

*Packhorses to the Pacific* Cliff Kopas, 2011-02-01 Babes in the woods That's how Ruth and Cliff Kopas were described by one of many colourful characters the pair encountered on their amazing journey across the Rockies through to British Columbia's west coast in 1933 Married on the day they left on their dangerous trek Ruth and Cliff were eager for adventure and their courageous spirits and resourceful minds made up for any experience they lacked Their motive was to fulfill Cliff's childhood dream of following in Alexander Mackenzie's footsteps to the Pacific For four months the two slogged scrambled and sloshed their way through some of the roughest terrain in North America Their horses were their loyal companions and the towering peaks azure lakes and shimmering skies that greeted them were their reward Their story full of excitement and suspense is peppered with humorous observations historical anecdotes and a deep love for the Canadian wilderness

Packhorses to the Pacific Cliff Kopas, 1976      **Pioneers of the Pacific Coast** Agnes C. Laut, 1915      *Cheadle's Journal of Trip Across Canada* Walter Cheadle, 2011-02-01 Walter B Cheadle's diary tells his incredible story of travelling with Lord Milton as they journeyed along the uncharted Yellowhead route in 1862-63 A miraculously successful expedition the men traversed the continent making their way from Quebec through Saskatchewan Alberta up the Athabasca River risking their lives opening the trails through the Canadian Rockies and eventually arriving in Victoria British Columbia in 1863 Cheadle's candid and gritty but also humorous account tells in intimate detail what life and travel was like in the Northwest and BC during the latter days of the fur trade era He acknowledges the heavy debt owed by all the early explorers to the Plains Indians who passed on to the first white men their sophistication in the ways of the wilderness He also records the gradual demoralization of the Native people under the impact of European culture A welcome addition to the Classics West series Cheadle's Journal is a rare and important document of a remarkable life and time      *The Ranch on the Cariboo* Alan Fry, 2011-02-01 It was the summer of 43 on a Cariboo ranch He was 12 and had to become a man If you were a man you could become a cowboy Join the author on this nostalgic look back on the joys frustrations and observations of growing up and discovering where he belongs Excerpt from Eldon Lee's foreword This book by Alan Fry is probably the best book ever written on ranch life in the Cariboo His account of everyday events is so perceptive and so true to the mark that all we country types yearn to re-experience its joys and its miseries The Ranch on the Cariboo is a good book and while it may not make a pretty sight to the tractor jockeys by damn it is authentic I should know because I was raised on a similar ranch just 18 miles north      *Packhorses to the Pacific A Wilderness Honeymoon*, 2011 Babes in the woods That's how Ruth and Cliff

Kopas were described by one of many colourful characters the pair encountered on their amazing journey across the Rockies through to British Columbia's west coast in 1933 Married on the day they left on their dangerous trek Ruth and Cliff were eager for adventure and their courageous spirits and resourceful minds made up for any experience they lacked Their motive was to fulfill Cliff's childhood dream of following in Alexander Mackenzie's footsteps to the Pacific For four months the two

slogged scrambled and sloshed their way through some of the roughest terrain in North America Their horses were their loyal companions and the towering peaks azure lakes and shimmering skies that greeted them were their reward Their story full of excitement and suspense is peppered with humorous observations historical anecdotes and a deep love for the Canadian wilderness

**Carving the Western Path** Robert Gourlay Harvey, 1999 The history of British Columbia's transportation systems north of the Canadian National Railway's mainline may not be well known but it certainly is colourful Continuing the story he began in the first volume of *Carving the Western Path* R G Harvey describes the development of river road and rail routes that crossed the northern two thirds of BC This was a land of dreams and schemes that seemed to feed on each other It started with the Collins Overland Telegraph a communication link that was to connect Europe and America in the 1860s Though this plan collapsed with the success of the trans Atlantic cable the telegraph surveyors established patterns for future roads and settlement They also sparked the Omineca gold rush It was a land full of larger than life characters including Charles Hays who dreamed of a major seaport at Prince Rupert but died on the Titanic before he could realize his vision Charles Bedaux who in the 1930s carved his 416 mile path into the northern Rockies Railway promoters Warburton Pike Sir Edward Phillipps Wolley William Mackenzie and Donald Mann who got gifts of land and money but couldn't always meet their promises Their stories mingle with those of the Grand Trunk Pacific Railway the Alaska Highway the White Pass and Yukon Railway and those of the sternwheelers fur traders gold miners and other adventurers who were drawn to this last frontier

Pacific Destiny Dale L. Walker, 2002-06-29 Walker constructs a compelling narrative that is a string of unusual profiles rather than an analytic account of a major event in American history Publishers Weekly The Oregon Country For a century that fabled place lying somewhere beyond the Rocky Mountains at the farthest reaches of the continent galvanized the American people Its riches in furs timber fish and fecund soil for farming awakened the avarice of nations Spain Great Britain Russia and the United States all vied for this trackless Eden of the Pacific littoral and not until the 1840s did the Americans claim it once and for all In these pages are the explorations of the fierce Scots who scaled the mountains and mapped the rivers of the Oregon country before the time of Lewis and Clark the imperial fiefdom created for profit and Britannia by the fur trading ventures of the Hudson's Bay Company John Jacob Astor's ill fated experiment on the Columbia River the mountain men who risked their lives in Indian country in pursuit of beaver furs and the arrival of the missionaries and pioneers of the Oregon Trail *Pacific Destiny* is the Spur Award winning story for best historical non fiction told by a distinguished chronicler of nineteenth century America A story of the clashing of empires coveting the matchless wealth of the Pacific Northwest the story of The Oregon Country At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

pride In a short letter he ends Eden's hope for happiness Hurt and angry Eden sails to the leper colony on the island of Molokai where her mother is suffering During Eden's year long absence Rafe seeks medical care in San Francisco and eventually regains his sight Returning to his coffee plantation on the Big Island Rafe finds the beautiful Bernice Judson waiting This is the year of decision Hawaii is on the brink of revolution The anti Royalists threaten to depose the Hawaiian queen and bring the Hawaiian Islands under the Stars and Stripes Eden must choose a side in politics and where to put her trust Will Eden discover the painful lesson God wants her to learn And will she ever find healing for her broken heart with or without a life that includes Rafe ... *On Pacific Frontiers* Carl Rydell,1924 *Hell in the Pacific* Derrick Wright,Gordon L. Rottman,2011-09-20 A definitive account of the famous battle of Iwo Jima and the men who fought there The battle of Iwo Jima saw one hundred thousand men fighting over a tiny volcanic island of just 8 square miles The island was of major strategic importance to the US Air Force However it was also of supreme importance to the 20 000 Japanese troops who were deeply entrenched in the island when the Marines invaded and to whom surrender was not an option The titanic struggle dragged on for 36 days eclipsing all that had gone before The loss of Iwo Jima was proof to the Japanese that the Americans could seize one of the world's most heavily defended islands and filled them with foreboding about the inevitable invasion of their homeland This book covers the campaign in detail and also the experiences of the men who fought for their lives on the black sands of Iwo Jima in one of the most savage battles of the Pacific War This book contains material previously published in Campaigns 81 Iwo Jima 1945 Warrior 95 Japanese Infantryman 1937 45 and WAR 112 US Marine Rifleman 1939 45 Pacific Theater **Pacific Destiny and Bear Flag Rising** Dale L.
