A to Zoo Carolyn W. Lima, John A. Lima, 1989 A guide to 12 000 titles cataloged under 700 subjects and indexed by author title and illustrator

Statewide Film Service Florida State Library. Audio-Visual Section, 1991 *The Railway Magazine*, 1998

Serving Special Needs Students in the School Library Media Center Margaret Keefe, Robert King, 1995-05-30 School library media specialists are now considered part of the teaching staff and are charged with integrating their library and information skills curriculum with the more general classroom curriculum At the same time more and more special needs students are part of every school and every classroom Thus the media specialist must work effectively with special needs students on a regular basis to develop their information skills and must also serve as a resource to classroom teachers This professional reference offers practical information to school library media specialists on how to serve special needs students and their classroom teachers effectively The first part of the book highlights the teaching role of the media specialist and discusses how and what to teach special needs students The second part views the media specialist as an information expert who must structure the library and its resources for students with special needs The third section

treats the media specialist's role as a professional who must collaborate with other teachers

Chatterbox, 1917
