Padre Pio developed a special love for America and Americans to the point that he wished that all Americans would become his spiritual children. This book demonstrates his amazing sense of humor, his prayer and fasting, his uncanny knowledge of people even before they visited, and his profound supernatural awareness. **St. Padre Pio** Wilton Vesperas, 2021-03-16 Born of humble parentage in the farming village of Pietrelcina, little Francesco Forgione was destined to revive in the 20th Century the Franciscan love of God and of fellow man. In an era when educated persons say we must see in order to believe, Padre Pio is God's answer. Here is the humble friar whose existence exemplified Franciscan humility and yet coexisted continually in the presence of the supernatural, the priest who lived in two worlds simultaneously. His life of intense suffering began on 5th August 1918 when during confessions a figure appeared before him and mystically pierced his heart with a lance. On 20th September this same figure reappeared bearing the marks of the Crucified. Padre Pio experienced excruciating pain and his screams brought the friars running to his side. They found him unconscious and bleeding profusely. Though a relatively new saint in the Catholic Church, St. Padre Pio of Pietrelcina has been revered by countless people around the world. Padre Pio's extraordinary holiness was recognized during his lifetime as people of all faiths sought him out for his spiritual guidance and the intercession of his prayers. Padre Pio bore the stigmata, the five wounds of Christ's passion on his body as physical evidence of his sanctity. In the long history of the Catholic Church, very few people have been signed with the stigmata. Read this book, you will love it.

*Padre Pio - Irish Encounters with the Saint* Colm Keane, 2017-09-01 Padre Pio, the man, his miracles, priestly life, loves and hates are described by Irish people who knew him, saw him, met him or witnessed him. What he was like, his moods and character, his holiness and sense of humor are featured. You will read about his stigmata, powers of bilocation, ability to read minds, his Masses and confessions. The saint's views of women, new fashions, and even his interest in football are outlined. The man who bore the five wounds of Christ is described by, among others, an Irish organizer of The Great Escape in World War II, a wartime spymaster living in Donegal, two adulterous authors, and a Vatican diplomat from Dublin who investigated the famous friar. Padre Pio: Irish Encounters with the Saint, written by bestselling author Colm Keane, brings you up close to an extraordinary mystic and wonder worker in a way you have never experienced before.
