Pagan Christs:

Pagan Christs John Mackinnon Robertson, 1911 Pagan Christs John M. Robertson, 2019-10-17 My purpose in grouping the four ensuing studies is to complement and complete the undertaking of a previous volume entitled Christianity and Mythology That was substantially a mythological analysis of the Christian system introduced by a discussion of mythological principles in that particular connection and in general The bulk of the present volume is substantially a synthesis of Christian origins introduced by a discussion of the principles of hierology Such discussion is still forced on sociology by the special pleaders of the prevailing religion But the central matter of the book is its attempt to trace and synthesise the real lines of growth of the Christian cultus and it challenges criticism above all by its theses 1 that the gospel story of the Last Supper Passion Betrayal Trial Crucifixion and Resurrection is visibly a transcript of a Mystery Drama and not originally a narrative and 2 that that drama is demonstrably as historic demonstration goes a symbolic modification of an original rite of human sacrifice of which it preserves certain verifiable details Pagan Christs John M. Robertson, 2014-03 This Is A New Release Of The Original 1911 Edition **Pagan Christs** J. M. Robertson, 2015-06-24 Excerpt from Pagan Christs Studies in Comparative Hierology My purpose in grouping the four ensuing studies is to complement and complete the undertaking of the previous volume entitled Christianity and Mythology That was substantially a mythological analysis of the Christian system introduced by a discussion of mythological principles in that particular connection and in general The bulk of the present volume is substantially a synthesis of Christian origins introduced by a discussion of the principles of hierology Such discussion is still forced on sociology by the special pleaders of the prevailing religion But the central matter of the book is its attempt to trace and synthesise the real lines of growth of the Christian cultus and it challenges criticism above all by its theses 1 that the Gospel story of the Last Supper Passion Betrayal Trial Crucifixion and Resurrection is visibly a transcript of a Mystery Drama and not originally a narrative and 2 that that drama is demonstrably as historic demonstration goes a symbolic modification of an original rite of human sacrifice of which it preserves certain verifiable details That the exact point of historic connection between the early eucharistic rite and the late drama story has still to be traced it is needless to remark Had direct evidence on this head been forthcoming the problem could not so long have been ignored But it is here contended that the lines of evolution are established by the details of the record and the institution in the light of the data of anthropology and that we have thus at last a scientific basis for a history of Christianity About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such

Conybeare, 2022-09-15 In *The Historical Christ* F C Conybeare offers a profound exploration of the life and significance of Jesus Christ through a critical historical lens The book navigates the complexities of biblical texts historical records and early Christian literature employing a scholarly style that blends rigorous analysis with persuasive prose Conybeare aims to distill the essence of Christ's life juxtaposing myth and history while considering the socio political contexts of first century Judea His meticulous examination provides insight into how historical realities have shaped theological interpretations thereby encouraging readers to reassess the foundations of Christian belief F C Conybeare was an eminent theologian and historian deeply influenced by the critical approaches of his time His academic background was steeped in the study of ancient texts and hermeneutics allowing him to approach the subject with both skepticism and reverence Conybeare's inclination towards examining religious narratives through historical scrutiny was likely shaped by the burgeoning critical scholarship of the late 19th century reflecting a growing trend among scholars to reconcile faith with historical inquiry This thought provoking work is highly recommended for readers seeking to deepen their understanding of Jesus within a historical context Whether you are a student of theology history or literature *The Historical Christ* challenges conventional beliefs and invites critical reflection making it an essential addition to any scholarly library

The Historical Christ and the Jesus of Faith C. Stephen Evans, 1996-04-18 The story of Jesus of Nazareth as recounted in the New Testament has always been understood by the church to be historically true It is an account of the life death and resurrection of a real person whose links with history are firmly signalled in the creeds of the early church which affirm that Jesus suffered under Pontius Pilate Contemporary historical scholarship has however called into question the reliability of the church's version of this story and thereby raised the question as to whether ordinary people can know its historical truth This book argues that the historicity of the story still matters and that its religious significance cannot be captured by the category of non historical myth The commonly drawn distinction between the Christ of faith and Jesus of history cannot be maintained The Christ who is the object of faith must be seen as historical the Jesus who is reconstructed by historical scholarship is always shaped by commitments of faith A reconsideration of the Enlightenment epistemologies that underlie much historical scholarship shows that historical knowledge of this story is still possible Such knowledge can be

inferential based on historical evidence A careful look at contemporary New Testament studies and the philosophical and literary assumptions upon which it rests shows that this scholarship should not undermine the confidence of lay people who believe that they can know that the church s story about Jesus is true The Historical Christ Bp. David Hummell Greer,2023-10-01 The Historical Christ by Fred C Conybeare Journey into historical and biblical scholarship with Fred C Conybeare s examination of the historical context surrounding Jesus Christ The Historical Christ offers a critical analysis of the evidence and accounts related to Jesus shedding light on the complexities of historical and religious studies Key Aspects of the Book The Historical Christ Historical Inquiry Conybeare s work engages in historical research to understand the life and times of Jesus Christ Biblical Analysis The book scrutinizes biblical texts and their historical accuracy to explore the figure of Jesus in a critical manner Interdisciplinary Perspective The Historical Christ draws upon historical archaeological and religious studies to present a multifaceted examination of Jesus life Fred C Conybeare was a British scholar and theologian who specialized in ancient religious texts and biblical studies Born in 1856 Conybeare s research focused on early Christianity and the historical context of biblical figures The Historical Christ reflects his academic rigor and his commitment to exploring the intersection of history and religious tradition
