## **Pagans Crusade:**

**Pagan's Crusade** Catherine Jinks, 2003 In twelfth century Jerusalem orphaned sixteen year old Pagan is assigned to work for Lord Roland a Templar knight as Saladin's armies close in on the Holy City

**The Second Crusade** Jonathan Phillips, Martin Hoch, 2001 The Second Crusade 1145-49 was an unprecedented attempt to expand the borders of Christianity in the Holy Land the Baltic and the Iberian peninsula This wide ranging collection offers a series of original interpretations of new and partially explored evidence of the crusade The essays examine the planning execution and consequences of the crusade for Western Europe the Crusader States of the Holy Land and the Muslim Near East

Encountering Islam on the First Crusade Nicholas Morton, 2016-07-14 The First Crusade 1095-9 has often been characterised as a head to head confrontation between the forces of Christianity and Islam For many it is the campaign that created a lasting rupture between these two faiths Nevertheless is such a characterisation borne out by the sources Engagingly written and supported by a wealth of evidence Encountering Islam on the First Crusade offers a major reinterpretation of the crusaders attitudes towards the Arabic and Turkic peoples they encountered on their journey to Jerusalem Nicholas Morton considers how they interpreted the new peoples civilizations and landscapes they encountered sights for which their former lives in Western Christendom had provided little preparation Morton offers a varied picture of cross cultural relations depicting the Near East as an arena in which multiple protagonists were pitted against each other Some were fighting for supremacy others for their religion and many simply for survival

*The Crusades* Alan V. Murray, 2006-08-30 The first multivolume encyclopedia to document the history of one of the most influential religious movements of the Middle Ages the Crusades The Crusades An Encyclopedia surveys all aspects of the crusading movement from its origins in the 11th century to its decline in the 16th century Unlike other works which focus on the eastern Mediterranean region this expansive four volume encyclopedia also includes the struggle of Christendom against its enemies in Iberia Eastern Europe and the Baltic region and also covers the military orders crusades against fellow Christians heretics and more This work includes comprehensive entries on personalities such as Godfrey of Bouillon who refused the title King of Jerusalem and St Bernard of Clairvaux who tore up his own clothing to make symbols of the cross for crusaders as well as key events countries places and themes that shed light on everything from the propaganda that inspired crusading warriors to the ways in which they fought Special coverage of topics such as taxation pilgrimage warfare chivalry and religious orders give readers an appreciation of the multifaceted nature of these holy wars

**The World of the Crusades** Christopher Tyerman, 2019-05-23 A lively reimagining of how the distant medieval world of war functioned drawing on the objects used and made by crusaders Throughout the Middle Ages crusading was justified by religious ideology but the resulting military campaigns were fueled by concrete objectives land resources power reputation Crusaders amassed possessions of all sorts from castles to reliquaries Campaigns required material funds and equipment while conquests produced bureaucracies taxation economic exploitation and commercial regulation Wealth

sustained the Crusades while material objects from weaponry and military technology to carpentry and shipping conditioned them This lavishly illustrated volume considers the material trappings of crusading wars and the objects that memorialized them in architecture sculpture jewelry painting and manuscripts Christopher Tyerman's incorporation of the physical and visual remains of crusading enriches our understanding of how the crusaders themselves articulated their mission how they viewed their place in the world and how they related to the cultures they derived from and preyed upon *Livonia, Rus' and the Baltic Crusades in the Thirteenth Century* Anti Selart, 2015-03-31 This monograph by Anti Selart is the first comprehensive study available in English on the relations between northern crusaders and Rus Selart re-examines the central issues of this crucial period of establishing the medieval relations of the Catholic and Orthodox worlds like the Battle on the Ice 1242 and the role of Alexander Nevsky using the relevant source material of both sides He also considers the wide context of the history of crusading and the whole Eastern and Northern Europe from Hungary and Poland to Denmark Finland and Sweden in 1180-1330 This monograph contests the existence of the constitutive religious conflict and extensive aggressive strategies in the region the ideas which had played a central role in modern historiography and ideology

Pagan in Exile Catherine Jinks, Tim Stevens, 2004-01-01 After fighting the infidels in Jerusalem in 1188 Lord Roland and his squire Pagan return to Roland's castle in France where they encounter violent family feuds and religious heretics By the author of *Pagan's Crusade* An Introduction to the Crusades S.J. Allen, 2017-05-04 An Introduction to the Crusades part of the Companions to Medieval Studies series is an accessible guide to studying the complex history of the Crusades The book begins by defining the Crusades giving the political and social context of Byzantium Western Europe the Islamic States and Jewish communities to set the scene for crusading from the eleventh century to the end of the medieval period It then immerses the reader in the logistics of crusading and the day to day life of a crusader explaining arms and armor strategy and tactics and siege warfare Topics explored in depth include women on crusade pilgrimage the Mongols crusade charters and the use of crusader rhetoric throughout history A case study chapter on the negotiations for Jerusalem between Saladin and Richard I provides insight into the process of historical inquiry and methods for engaging with primary sources The book is pedagogically grounded through the inclusion of questions for reflection sixteen images four maps a detailed chronology a glossary a Who's Who of the crusading world and a bibliography *A Chronology of the Crusades* Timothy Venning, Peter Frankopan, 2015-05-01 A Chronology of the Crusades provides a day by day development of the Crusading movement the Crusades and the states created by them through the medieval period Beginning in the run up to the First Crusade in 1095 to the fall of Constantinople in 1453 and ending with the Turkish attack on Belgrade in 1456 this reference is a comprehensive guide to the events of each Crusade concentrating on the Near East but also those Christian expeditions sanctioned by the Papacy as Crusades in the medieval era As well as clashes between Christians and Muslims in the Latin States Timothy Venning also chronicles the Albigensian Crusade clashes in Anatolia and the Balkans and the Reconquista in the Iberian

Peninsula Both detailed and accessible this chronology draws together material from contemporary Latin Frankish Byzantine and Arab Muslim sources with assessment and explanation to produce a readable narrative which gives students an in depth overview of one of the most enduringly fascinating periods in medieval history Including an introduction by Peter Frankopan which summarises and contextualises the period this book is an essential resource for students and academics alike

**The Archaeology of the Prussian Crusade** Aleksander Pluskowski,2022-06-28 The Archaeology of the Prussian Crusade explores the archaeology and material culture of the crusades against the Prussian tribes in the 13th century and the resulting society created by the Teutonic Order which endured into the 16th century It provides an updated synthesis of the material culture of this unique hybrid society in the south eastern Baltic region encompassing the full range of archaeological data from standing buildings through to artefacts and ecofacts integrated with written and artistic sources The work is sub divided into broadly chronological themes beginning with a historical outline then exploring the settlements castles towns and landscapes of the Teutonic Order s theocratic state the character and tempo of religious transformation and concluding with the roles of the reconstructed and ruined monuments of medieval Prussia in the modern world particularly within the context of Polish culture This remains the first work on the archaeology of medieval Prussia in any language and is intended as a comprehensive introduction to a period and area of growing interest This book represents an important contribution to promoting International awareness of the cultural heritage of the Baltic region which has been rapidly increasing over the last few decades

**Crusade and Conversion on the Baltic Frontier 1150-1500** Alan V. Murray,2017-07-05 This volume represents a major contribution to the history of the Northern Crusades and the Christianization of the Baltic lands in the Middle Ages from the beginnings of the Catholic mission to the time of the Reformation The subjects treated range from discussions of the ideology and practice of crusade and conversion through studies of the motivation of the crusading countries Denmark Sweden and Germany and the effects of the crusades on the countries of the eastern Baltic coast Finland Estonia Livonia Prussia and Lithuania to analyses of the literature and historiography of the crusade It brings together essays from both established and younger scholars from the western tradition with those from the modern Baltic countries and Russia and presents in English some of the fruits of the first decade of historical scholarship and dialogue after the collapse of the Iron Curtain The depth of treatment diversity of approaches and accompanying bibliography of publications make this collection a major resource for the teaching of the Baltic Crusades

**What Were the Crusades?** Jonathan Riley-Smith,1977-12-01 The book deals with the legitimising authority of the papacy the nature of the crusade vow and of the privilege accorded to crusaders the developments of the indulgence and the role of Military Orders

**The Central Middle Ages** Daniel Power,2006-03-09 The period from the late tenth to the early fourteenth centuries was one of the most dynamic in European history Latin Christendom found a new confidence which has left its mark upon the landscape in the form of the great cathedrals and castles while thousands of new towns and villages were founded The continent was carved up into

dynastic kingdoms and principalities from which the European state system would evolve An age of great religious enthusiasm it developed a darker side in the form of the Crusades and the persecution of heretics and Jews In this book seven experts in the field examine how Europe was transformed in the Central Middle Ages Thematic chapters analyse the political social economic religious and intellectual history of Latin Christendom and trace its expansion to the north south and east As well as many familiar topics the authors discuss less well known aspects of the period such as the popular experience of religion or the new kingdoms of east central Europe The book includes a chronology of developments a glossary maps illustrations and guidance for further reading

**Crusades and Memory** Megan Cassidy-Welch, Anne E.

Lester, 2017-10-02 Crusading was a religious movement involving papal authorization the incentive of remission of sins pious motivation on behalf of the individual and the justification of holy war Much recent historiography in this area has focused on resolving the questions of what a crusade was and why people went on them But crusading became a cultural and social phenomenon that changed across time and geographical space In turn crusading was shaped by the ways specific crusades and their participants were remembered in specific historical contexts Moreover crusade memory had profound effects on the cultivation of family lineage kinship ties national and regional identity and religious orthodoxy Integrating memory into crusades scholarship thus offers new ways of exploring the aftermath of war the construction of cultural and social memory the role of women and families in this process and the crusading movement itself This book explores memory as a methodological means of understanding the crusades It engages with theories of communicative memory social and cultural memory war commemoration and historical processes of remembering Contributions explore the variety of cultural forms used in cultivating crusade memory Material visual liturgical and textual objects are all reflective of crusade culture and the process of crafting its memory and the analysis of such sources is of particular interest This publication furthers new trends in crusade scholarship which understand the crusades as a broad religious movement that called upon and developed within a wider cultural framework than previously acknowledged This book was originally published as a special issue of the *Journal of Medieval History*

*Christians and Muslims in the Middle Ages* Michael Frassetto, 2019-11-12

The conflict and contact between Muslims and Christians in the Middle Ages is among the most important but least appreciated developments of the period from the seventh to the fourteenth century Michael Frassetto argues that the relationship between these two faiths during the Middle Ages was essential to the cultural and religious developments of Christianity and Islam even as Christians and Muslims often found themselves engaged in violent conflict Frassetto traces the history of those conflicts and argues that these holy wars helped create the identity that defined the essential characteristics of Christians and Muslims The polemic works that often accompanied these holy wars was important Frassetto contends because by defining the essential evil of the enemy Christian authors were also defining their own beliefs and practices Holy war was not the only defining element of the relationship between Christians and Muslims during the Middle Ages and Frassetto explains that everyday contacts between

Christian and Muslim leaders and scholars generated more peaceful relations and shaped the literary intellectual and religious culture that defined medieval and even modern Christianity and Islam

**The Crusades** John Child, Nigel Kelly, Martyn Whittock, 1992 Focusing on the Crusades this is one of a history series modular in structure which offers teachers the flexibility to design their own scheme of work at Key Stage 3 of the National Curriculum Each book covers all the core study units and also a wide range of optional units and aims to be visually stimulating as well as offering activities which develop both skills and understanding An extensive selection of primary and secondary sources is provided Each pupil book is accompanied by a teacher's assessment and resource pack which includes photocopiable worksheets

**The Popes and the Baltic Crusades** Iben Fonnesberg-Schmidt, 2007 The Popes and the Baltic Crusades examines the formulation of papal policy on the crusades and missions in the Baltic region in the central Middle Ages and analyses why and how the crusade concept was extended from the Holy Land to the Baltic region

*The Second Crusade* Jonathan P. Phillips, 2007-01-01 Looks at the origins planning and events surrounding the Second Crusade including the roles of Pope Eugenius III and King Conrad III of Germany and its impact on Europe and the eastern Mediterranean

Western Warfare In The Age Of The Crusades, 1000-1300 John France, 2020-09-16 In 1095 the First Crusade was launched establishing a great military endeavour which was a central preoccupation of Europeans until the end of the thirteenth century In Western warfare in the age of the Crusades 1000 1300 John France offers a wide ranging and challenging survey of war and warfare and its place in the development of European Society culture and economy in the period of the Crusades Placing the crusades in a wider context this book brings together the wealth of recent scholarly research on such issues as knighthood siege warfare chivalry and fortifications into an accessible form Western warfare in the age of the Crusades 1000 1300 examines the nature of war in the period 1000 1300 and argues that it was primarily shaped by the people who conducted war the landowners John France illuminates the role of property concerns in producing the characteristic instruments of war the castle and the knight This authoritative study details the way in which war was fought and the reasons for it as well as reflecting on the society which produced the crusades

**Palgrave Advances in the Crusades** H. Nicholson, 2005-03-30 The Crusades were a startling and spectacular phenomenon that exerted a powerful influence on European development over a period of many centuries Much recent writing has been devoted to explaining how the crusades began and what they achieved This volume is intended as an introductory guide and analysis of how different aspects of crusading studies have developed Rather than giving an account of events each chapter offers an interpretative and historiographical study It is aimed both at postgraduates and at professional academics
