Pageant Of The Past:

American Historical Pageantry David Glassberg, 1990 What images shape Americans perceptions of their past How do particular versions of history become the public history And how have these views changed over time David Glassberg explores these important questions by examining the pageantry craze of the **Restaging the Past** Angela Bartie, Linda Fleming, Mark Freeman, Alexander Hutton, Paul Readman, 2020-08-17 Restaging the Past is the first edited collection devoted to the study of historical pageants in Britain ranging from their Edwardian origins to the present day Across Britain in the twentieth century people succumbed to pageant fever Thousands dressed up in historical costumes and performed scenes from the history of the places where they lived and hundreds of thousands more watched them These pageants were one of the most significant aspects of popular engagement with the past between the 1900s and the 1970s they took place in large cities small towns and tiny villages and engaged a whole range of different organised groups including Women s Institutes political parties schools churches and youth organisations Pageants were community events bringing large numbers of people together in a shared celebration and performance of the past they also involved many prominent novelists professional historians and other writers as well as featuring repeatedly in popular and highbrow literature Although the pageant tradition has largely died out it deserves to be acknowledged as a key aspect of community history during a period of great social and political change Indeed as this book shows some traces of pageant fever remain in evidence today

Queen Boudica and Historical Culture in Britain Martha Vandrei, 2018-05-24 Taking a long chronological view and a wide ranging interdisciplinary approach this is an innovative and distinctive book It is the definitive work on the posthumous reputation of the ever popular warrior queen of the Iceni Queen Boadicea Boudica exploring her presence in British historical discourse from the early modern rediscovery of the works of Tacitus to the first historical films of the early twentieth century In doing so the book seeks to demonstrate the continuity and persistence of historical ideas across time and throughout a variety of media This focus on continuity leads into an examination of the nature of history as a cultural phenomenon and the implications this has for our own conceptions of history and its role in culture more generally While providing contemporary contextual readings of Boudica s representations Martha Vandrei also explores the unique nature of historical ideas as durable cultural phenomena articulated by very different individuals over time all of whom were nevertheless engaged in the creative process of making history Thus this study presents a challenge to the axioms of cultural history new historicism and other mainstays of twentieth and twenty first century historical scholarship It shows how long before professional historians sought to monopolise historical practice audiences encountered visions of past ages created by antiquaries playwrights poets novelists and artists all of which engaged with articulated and even defined the meaning of historical truth This book argues that these individual depictions variable audience reactions and the abiding notion of history as truth constitute the substance of historical culture **Contemporary Mormon Pageantry** Megan Sanborn Jones, 2018-08-21 In Contemporary

Mormon Pageantry theater scholar Megan Sanborn Jones looks at Mormon pageants outdoor theatrical productions that celebrate church theology reenact church history and bring to life stories from the Book of Mormon She examines four annual pageants in the United States the Hill Cumorah Pageant in upstate New York the Manti Pageant in Utah the Nauvoo Pageant in Illinois and the Mesa Easter Pageant in Arizona The nature and extravagance of the pageants vary by location with some live orchestras dancing and hundreds of costumed performers mostly local church members Based on deep historical research and enhanced by the author's interviews with pageant producers and cast members as well as the author's own experiences as a participant observer the book reveals the strategies by which these pageants resurrect the Mormon past on stage Jones analyzes the place of the productions within the American theatrical landscape and draws connections between the Latter day Saints theology of the redemption of the dead and Mormon pageantry in the three related sites of sacred space participation and spectatorship Using a combination of religious and performance theory Jones demonstrates that Mormon pageantry is a rich and complex site of engagement between theater theology and praxis that explores the saving power of performance

History and Narration Marialuisa Bignami, 2011-07-12 The relation between narration and history from the perspective of the twentieth century the century of criticisms suggests a new outlook fit for the new millennium We can no longer look at history and historiography naively but must be aware of the rhetorical strategies that are at work in the writing A research group based in Milan has been working on this topic for a few years discussing authors and texts from different genres and epochs The essays presented here deal with texts chosen because of their intrinsic relevance to the history of English speaking cultures and recent critical perspectives largely but not exclusively indebted to Hayden White Thus the volume considers instances of narrativity and historical discourse in authors as diverse as S Johnson E Chambers C Hill J Raban V Woolf N Mitchison V S Naipaul S Rushdie J M Coetzee A Ghosh

Making Black History Jeffrey Aaron Snyder, 2018-02 In the Jim Crow era along with black churches schools and newspapers African Americans also had their own history Making Black History focuses on the engine behind the early black history movement Carter G Woodson and his Association for the Study of Negro Life and History ASNLH Author Jeffrey Aaron Snyder shows how the study and celebration of black history became an increasingly important part of African American life over the course of the early to mid twentieth century It was the glue that held African Americans together as a people a weapon to fight racism and a roadmap to a brighter future Making Black History takes an expansive view of the historical enterprise covering not just the production of black history but also its circulation reception and performance Woodson the only professional historian whose parents had been born into slavery attracted a strong network of devoted members to the ASNLH including professional and lay historians teachers students race leaders journalists and artists They all grappled with a set of interrelated questions Who and what is Negro What is the relationship of black history to American history And what are the purposes of history Tracking the different answers to these questions Snyder recovers a rich public discourse about black history that took shape in journals monographs and textbooks and sprang to life in the pages of the black press the classrooms of black schools and annual celebrations of Negro History Week By lining up the Negro history movement s trajectory with the wider arc of African American history Snyder changes our understanding of such signal aspects of twentieth century black life as segregated schools the Harlem Renaissance and the emerging modern civil rights movement

Real-ish Kelsey Jacobson, 2023-02-15 In the post truth era the question of how people perceive things to be real

even when they are not based in fact preoccupies us Lessons learned in the theatre about how emotion and affect produce an experience of realness are more relevant than ever Real ish draws on extensive interviews with audience members about their perceptions of realness in documentary participatory historical and immersive performances In studying these forms that make up the theatre of the real Kelsey Jacobson considers how theatrical experiences of realness not only exist as a product of their real world source material but can also unfurl as real products in their own right Using the concept of real ish ness which captures the complex feeling that is generated by engaging with elements of reality the book examines how audiences experience the apparently real within the time and space of a performance and how it is closely tied to the immediacy and intimacy experienced in relation to others When feeling rather than fact becomes a way of knowing truths about the world understanding the cultivation and circulation of such feelings of realness is paramount In exploring this process Real ish centres audience voices and perhaps most importantly audience feelings during performance **History**
