 Chronicling the emergence of an international society in the 1920s Daniel Gorman describes how the shock of the First
 World War gave rise to a broad array of overlapping initiatives in international cooperation Though national rivalries
 continued to plague world politics ordinary citizens and state officials found common causes in politics religion culture and
 sport with peers beyond their borders The League of Nations the turn to a less centralized British Empire the beginning of an
 international ecumenical movement international sporting events and audacious plans for the abolition of war all signaled
 internationalism s growth State actors played an important role in these developments and were aided by international
 voluntary organizations church groups and international networks of academics athletes women pacifists and humanitarian
 activists These international networks became the forerunners of international NGOs and global governance The Festival
