Pain Is Love:

The Next Dimension Is Love Dorothy Roeder, 1996-12-12 A TIME FOR HEALING AND TRANSFORMATION Beings from another dimension parallel to ours and yet far beyond it give their view about what is happening on Earth now They speak about what it means to be an unlimited spiritual consciousness immersed in a limited physical body They describe how our fear of anyone different limits us and why that must change if we are to survive as a race It is our fear of change that limits our ability to reach our full potential The primary message is humanity's special ability to love in so many ways and how much we can teach the rest of the universe about creating with love That is our special contribution to this cosmos Are these beings who resemble the praying mantis really a part of us or our higher consciousness Topics include Are we masters of our own destiny Do we control our own lives Is there purpose in what we do on Earth What is going on and what does it mean

Joy is Love Poet Presley, 2019-01-28 Joy is Love is a beautifully written book of poems that will help restore your spirit and open your mind and soul to the beauty of the love within and around you Any time we fully experience true joy or feel the preciousness of life on an emotional level we can expect to feel a great amount of pain There should be no regret over love and there would be none if society recognized the difference between the emotions of love and sex The major difference is that love is spiritual while sex is biological This book expresses how real love makes us feel vulnerable Falling in love involves real risks We place a great amount of trust in another person There are poems enclosed within the pages of this book that describe how new love can stir up past hurts This includes the ways we were hurt in previous relationships starting from our childhood Often love challenges an old identity within us Many of us struggle with underlying feelings of being unlovable We have trouble feeling our own value and believing anyone could really care for us Love is often unequal and unfair The truth is that love is imbalanced with one person feeling more or less from moment to moment No experience which strokes the human heart with a spiritual force can possibly be harmful except through a lack of knowledge or distrust Love is an emotion with many boundaries tones and colors All too often love is the thing that we are looking for above all else the universal grail we think will change our lives We see it as virtuous recognition by another person of our own intrinsic worth What we have is a huge emotional need for love and a fear of remaining in this state of unsatisfied longing As we have seen love in its pure form is an upwelling from the depths of the inner self It is a radiance that energized self aware spirit scatters in all directions like the seed from the bottomless of a tireless sower This is done with a spirit of courage However when love is pure the end leaves us undamaged This is not to say that experiences will be painless simply there is no need to fear the pain We can still move confidently forward in the knowledge that our well of love will never dry up even though there may be a temporary blockage in the supply Hopefully this season of love will bring with it the joy of wisdom regardless of the experience As you read each poem remember joy is love I pray your days are filled with love

says God loves the objects of his wrath What is revealed in the cross is neither the wrath of God alone nor the love of God alone but the synthesis of the two The author s purpose is to clarify this synthesis identified as the pain of God By the theology of the pain of God he means the theology of love rooted in the pain of God He brings a new interpretation to this central theme of the Christian faith Today Christian thinkers are calling for an ecumenical theology By helping to renew the faith even as he seeks to reformulate it in non Western terms Dr Kitamori takes an important step toward expanding the dialogue between Christians of the East and West

If God Is Love Philip Gulley, James Mulholland, 2009-10-13 If God is love why are so many Christians fearful and why do so many church leaders sound hateful Two controversial pastors address issues the church won t face calling us to restore grace as the center of the Christian life o In *If Grace Is True* Pastors Philip Gulley and James Mulholland revealed their belief that God will save every person They now explore the implications of this belief and its power to change every area of our lives They attempt to answer one question If we took God s love seriously what would our world look like Gulley and Mulholland argue that what we believe is crucial and dramatically affects the way we live and interact in the world Beliefs have power The belief in a literal hell where people suffer eternally has often been used by the Church to justify hate and violence which contradicts what Jesus taught about love and grace The authors present a new vision for our personal religious and corporate lives exploring what our world would be like if we based our existence on the foundational truth that God loves every person Gulley and Mulholland boldly address many controversial issues people in the pews have wondered about but churches have been unwilling to tackle For too long the Christian tradition has been steeped in negativity exclusion and judgment Gulley and Mulholland usher us into a new age an age where grace and love are allowed to reign
