Inspired by God Geneva Arnette,2011-09-29 Her love was found upon her knees In her distress she was searching and seeking out ways to find love and comfort that was missing in her life From an early age as far back as she could remember she was searching day after day trying to fill that need of hurt and emptiness in her life trying to find the answer to her needs She never felt love and compassion from the most important people in her life her parents She longed to be held and told she was loved As she watches her friend being held in the arms of her parents many times she felt left out wishing that it was her Then came a time when she had no choice After seeking and searching many ways to try to find what she needed in her life to find the love and happiness that she longed for and desired that fulfillment that was missing in her life she then was drawn back to church She started to put the Lord back in her life Slowly there began a change in her life She found what she was looking for A love that was fulfilling that didn't hurt what she needed in her life it was the love of the Lord She found it upon her bended knees It was in front of her all the time
