Painted Words:

Painted Words Christopher Johnson, 2023-11-08 Craved from our first breath until the last love's splendor guides us toward our salvation Challenging anyone who dares to take on the gauntlet called life From a womb's darkness to the light of day along the end of each we're rocked by love's lullabies beneath stars and dreams Why our circled beginnings starts out as the purest form of having nothing As our tiny hands holds small change growing in the wealth of each embrace Of being overwhelmed by love's warmth and stunned by its chills these seasons come and go From the lessons in how we learn to crawl before you can walk As each step taken allows everyone to find their balance our self worth For love is a priceless piece of art as its hues will take on different emotions We're drawn by each stroke throughout living Of our belief in God family friends goals loss success failure and truth these torches we pass down to our children So permit me this chance of being my model and I will paint you such stories of love Get comfortable in your favorite chair or just lie in your bed snuggled beneath the sheets I shall attempt to turn you up down and around throughout love's magical It's amazing without any strings attached And at its end you may think I was right there the whole time The Painted Word Phil Cousineau, Gregg

Chadwick, 2012-09-18 WORDCATCHER Phil Cousineau illuminates the history and mystery of weird and wonderful word stories To untangle the knot of interlocking meanings of these painted words logophile and mythologist Phil Cousineau begins each fascinating word entry with his own brief definition He then fills it in with a tint of etymology and a smattering of quotes that show how the word is used ending with a list of companion words The words themselves range from commonplace like biscuit a twice baked cake for Roman soldiers to loanwords including chaparral from the Basque shepherds who came to the American West words from myths such as hector metamorphosis words like silly which evolved holy to goofy in a mere thousand years and words well worthy of revival such as carrytale a wandering storyteller Whether old fangled or brand new all the words included in The Painted Word possess an ineffable quality that makes them luminous Painted Words Brenda

Beyond Given Knowledge Harri Veivo, Jean-Pierre Montier, Françoise Nicol, David Ayers, Benedikt Hjartarson, Sascha Bru, 2017-12-18 The effort to go beyond given knowledge in different domains artistic scientific political metaphysical is a characteristic driving force in modernism and the avant gardes Since the late 19th century artists and writers have frequently investigated their medium and its limits pursued political and religious aims and explored hitherto unknown physical social and conceptual spaces often in ways that combine these forms of critical inquiry into one and provoke further theoretical and methodological innovations The fifth volume of the EAM series casts light on the history and actuality of investigations quests and explorations in the European avant garde and modernism from the late 19th century to the present day The authors seek to answer questions such as How have modernism and the avant garde appropriated scientific knowledge religious dogmas and social conventions pursuing their investigation beyond the limits of given knowledge and conceptions How have modernism and avant garde created new conceptual models or representations where other discourses have allegedly failed In what ways do practises of investigation quest or exploration shape artistic work or the formal and thematic structures of artworks Actors and Acting in Shakespeare's Time John H.
