Bradley Davis,2006-04-14 Jordan and Julien St Croix could be mistaken for twins Jordan and Julien are 11 year old cousins born twelve minutes and half a world apart The boys meet at the family chteau in Saint Di France The cousins find a pair of perfectly matched rapiers while exploring the huge old house The swords once were owned and wielded by the only known pair of identical twins born into

the St Croix family line The strange tingling in their hands should have warned them It happened every time they touched the swords Something was very different about the elegant weapons Instead they did what boys do best They playfully raised the swords issued a made up battle cry and clashed the blades together changing their lives forever The swirling mists deposit the cousins in the 17th century Nearly four hundred years in the past they discover that the story behind a family catastrophe was anything but the simple truth For those involved it hasnt happened yet The twins ghosts whose blades the boys now carry reveal a tale of deceit greed and treachery which Jordan and Julian must somehow set right In the course of a single night they must expose the truth and unveil a murderer Success alone will allow the magic that brought them here to return them to their own time Failure will leave them trapped forever in the past Faced with such a monumental task the boys do what they must They screw up their courage and take up the challenge Permettez laventure de commencer
