Pajama Light:

From Sleepwear to Sportswear Janine D'Agati, Hannah Schiff, 2024-02-08 How did women begin wearing pants Prior to the 1920s it was a rarity to see women in pants in the Western world but as the silk pajama trouser suit moved from the boudoir to the beach in the early 1920s it cemented the image of the trousered woman Worn by Jean Harlow and Marlene Dietrich painted by Raoul Dufy and immortalized in F Scott Fitzgerald's *Tender is the Night* between the two world wars pajamas came to symbolize much more than sleepwear This book explores how the pajama phenomenon was not only critical to the careers of designers such as Chanel Patou Poiret and Schiaparelli but how the versatile garment was also bound to the independence of women and influenced culture more broadly Through meticulous research and never before seen images the authors position pajama fashion in the context of the Golden Age of Travel the rise of Hollywood and the changing political climate of the early 20th century to reveal how the rising trend in sleepwear influenced The American Look modern sportswear and the image of the trousered woman **Pajama Party** Anne C Martens, 1983-12 *Philadelphia Chickens*, 2002-10-14 Libretto of the imaginary musical revue featuring song texts relating to various animals *Catalog* Sears, Roebuck and Company, 1922 **THE PAJAMA FRAME** Diane Vallere, 2018-02-27 Nightie Night Interior decorator Madison Night is no stranger to the occasional odd inheritance But when an octogenarian friend dies and leaves her a pajama factory the bounty is bittersweet Once a thriving business Sweet Dreams closed decades ago after a tragic accident took the life of a young model Or was that simply a cover up Between her friend's death and her own stagnant life Madison is tempted to hide under a blanket of willful ignorance But when family members and special interest groups lobby to expose the secrets of the factory Madison gets caught in a tangle of secrets and lies and discovers that sometimes the bed you make is not your own **THE PAJAMA FRAME** by Diane Vallere A Henery Press Mystery If you like one you'll probably like them all The Lucifer Light Michael Salazar, 2010-03-10 Front line behind the scenes military adventure that will steal your breath and take you deep inside the world of the nation's most lethal human weapons from an Air Force Combat Crewmember who's seen the light Whether on a call to rescue or a call to arms close to home or in the most inaccessible places on earth the U S Special Forces elite pararescue teams are first on the scene first to put their lives on the line Along with his unit of ten Air Force Master Sergeant Jason Johnson is licensed to kill but prefers to use his powers for good until murder on the job makes it personal A series of deadly events has made it terrifyingly clear that the nation and its fiercest protectors are in danger A weapon of unmatched power is aimed at the United States and hidden thousands of feet beneath one of the most isolated spots on the planet It must be destroyed at the source and it's going to take a thermonuclear charge to do the job hand placed by the cream of U S covert forces the suicide squad known as the Brotherhood of Death Excelling in infiltration intimidation and assassination armed with top secret high tech gadgetry these handpicked warriors are the last resort Johnson knows their lethal drill all too well He's been there before and now he's being called on again But this time he wants

Dessel,2009-06-30 This volume is the first in a planned series of reports on the investigations of the Lahav Research Project LRP at Tell Halif located near Kibbutz Lahav in southern Israel The LRP has focused widely on stratigraphic environmental and ethnographic problems related to the history of settlement at Tell Halif and in its immediate surroundings from prehistoric through modern times It is fitting that this LRP series begins by focusing on remains from Site 101 which was the first location excavated by the team in 1973 This initial effort involved investigation of a warren of shallow caves that had been exposed by efforts to widen the road into the kibbutz In this volume J P Dessel reports on the excavation undertaken at Site 101 during Phase II and is also supplemented by his later research The excavation itself was guided throughout by Dessel s determination to require the total retrieval of all ceramic remains It was his rigorous follow through on all details involved in the analysis of materials that produced the pioneering results herein presented Readers will find the book important for the archaeology and history of the southern Levant in the 4th millennium B C E as well as for connections between the Levant and surrounding regions in that era **United States Economist, and Dry Goods Reporter** ,1915
