Pakistan In Transition

William Howard Wriggins

Pakistan In Transition:

Pakistan in Transition Meenakshi Gopinath, 1975 Pakistan's Democratic Transition Ishtiaq Ahmad, Adnan Rafiq, 2016-11-03 Politics in Pakistan has traditionally been understood in the context of civil military relationship In May 2013 for the first time in history Pakistan saw an elected government complete a full term in office and transfer power through the ballot box to another civilian government In view of such an important development this book offers critical perspectives on Pakistan's current democratic transition and its implications for national politics security and foreign policy It critically analyses the emerging political trends in the country including their underlying sources attributes constraints and prospects of sustainability Drawing on history diverse theoretical perspectives and empirical evidence it explains the dynamics of the democratic process contested borders and spaces and regionalism Contributions are from 13 prominent scholars in the field who provide a wide ranging analysis of Pakistan's contemporary national and regional challenges as well as the opportunities they entail for its viability as a democratic state Taking the debate on Pakistan beyond the outmoded notions of praetorian politics and security the book explores the future prospects of civilian supremacy in the country It will be of interest to students and scholars of South Asian Politics Political Sociology and Security Studies as well as policy makers diplomats security experts and military professionals **Pakistan, Transition from Military to Civilian Rule** Golam Wahed Choudhury, 1988 *Pakistan Between Mosque and Military* provides unprecedented insight into the fascinating political history of this alliance origins and explores Pakistan's quest for identity and security In this provocative history Carnegie Scholar Husain Haqqani reveals the depth of links between the Pakistani military and Islamists while detailing the risks of this unholy alliance for the United States Tracing how the military has sought U.S. support by making itself useful for concerns of the moment while continuing to strengthen the mosque military alliance within Pakistan the book offers an alternative view of political developments in Pakistan since independence in 1947 **Pakistan in Transition** William Howard Wiggins, 1975 Papers presented at a series of national seminars to the Pakistan Centre of the Southern Asian Institute Columbia University New York **Pakistan in Transition** Price Day, 1955 **Pakistan's Future** United States Congress. Senate. Committee on Foreign Relations, 2008 Pakistan Wilson John, 2009 Does democracy have a chance in Pakistan In the sixty years of its existence Pakistan has experienced four military coups and has been ruled by the military for more than half the period Even during the interludes of democracy Pakistan's military exercised considerable power and influence It also supported various militant groups in their causes thus abetting terrorism Ill conceived policies of the military dictatorship in the country and failed intermittent civilian governments fuelled internal turmoil and branded Pakistan as a refuge for Islamic terrorists and a haven for the Taliban Pakistan The Struggle Within documents and analyses among other things the geopolitical scenario the ethnic conflicts and civil military relations in Pakistan and explores its immediate future all of which have a great and immediate relevance not only to India but also to the international community This book

is a collection of essays written by some of the world's best known scholars and analysts on Pakistan. It highlights how Pakistan continues to battle multiple challenges to its sovereignty, identity and survival as a nation state. Pakistan Maleeha Lodhi, 2024-06-13. A realistic assessment of the evolution of contemporary Pakistan, one that eschews lurid headlines for sober analysis. Pakistan at the Crossroads Christophe Jaffrelot, 2016-06-29. In *Pakistan at the Crossroads*, top international scholars assess Pakistan's politics, economics and the challenges faced by its civil and military leaders domestically and diplomatically. Contributors examine the state's handling of internal threats, tensions between civilians and the military, strategies of political parties, police and law enforcement reform, trends in judicial activism, the rise of border conflicts, economic challenges, financial entanglements with foreign powers and diplomatic relations with India, China, Iran, Saudi Arabia, Afghanistan and the United States. This volume is critical to grasping the sophisticated interplay of internal and external forces complicating the country's recent trajectory. *The Idea of Pakistan* Stephen P. Cohen, 2004-09-21. In recent years, Pakistan has emerged as a strategic player on the world stage, both as a potential rogue state armed with nuclear weapons and as an American ally in the war against terrorism. But our understanding of this country is superficial. To probe beyond the headlines, Stephen Cohen, author of the prize-winning *India: Emerging Power*, offers a panoramic portrait of this complex country from its origins as a homeland for Indian Muslims to a military-dominated state that has experienced uneven economic growth, political chaos, sectarian violence and several nuclear crises with its much larger neighbor, India. Pakistan's future is uncertain: Can it fulfill its promise of joining the community of nations as a moderate Islamic state at peace with its neighbors, or could it dissolve completely into a failed state spewing out terrorists and nuclear weapons in several directions? *The Idea of Pakistan* will be an essential tool for understanding this critically important country. **Pakistan** Shahid Javed Burki, 1991-09-25. Pakistan at the Crossroads; Afghanistan in the Balance United States. Congress. House. Committee on Oversight and Government Reform. Subcommittee on National Security and Foreign Affairs, 2009. **Democratic Transition and Security in Pakistan** Shaun Gregory, 2015-10-23. This volume examines the trajectory of Pakistan's democratic transition and the implications of this change for its security. In May 2013, for the first time in its 66-year history, Pakistan saw an elected government complete a full term in office and transfer power through the ballot box to another civilian government. At this important moment in Pakistan's history, this collection brings together twelve leading academics and writers with an aim to provide a far-reaching analysis of the current situation in Pakistan and emergent trends. Drawing on history, diverse theoretical perspectives and empirical evidence, three themed sections deal respectively with democratic transition, including Islam and democracy, civil-military relations and economics, contested borders and contested spaces, the Pashtun belt, Kashmir and intra-Islamic conflict, and regionalism, bilateral relations from both Pakistani and Indian perspectives, US-Pakistan relations and nuclear weapons dynamics. Together, the contributors explore the status of Pakistan's democratic transition, contemporary security dynamics and wider regional security and political dynamics and the complex

interplay of the three to provide a wide ranging analysis of Pakistan's contemporary national and regional challenges its impact on the region and evidence of some positive trends for Pakistan's future The book will be of much interest to students of South Asian politics Asian security governance and IR in general as well as policy makers diplomats and military professionals

Pakistan 1995 Charles H Kennedy, Rasul B. Rais, 2019-06-04 Pakistan 1995 is the second volume of a series of biennial assessments of contemporary events and issues in Pakistan affairs published by Westview Press in affiliation with the American Institute of Pakistan Studies The first volume in this series was Charles H Kennedy ed Pakistan 1992 1993 In general this series covers issues relevant to Pakistan's domestic politics foreign policy and economy Pakistan 1995 also examines issues relevant to ethnic conflict the status of women the military's Islamization the judiciary privatization policy and nuclear issues Each of the contributors to this volume is a specialist on Pakistan and each has had recent research experience in the state relevant to their respective contribution

Civil-Military Relations in Pakistan: A History of Power Struggle Pasquale De Marco, 2025-07-06 In Civil Military Relations in Pakistan A History of Power Struggle Pasquale De Marco takes an in depth look at the complex and ever changing relationship between the military and civilian institutions in Pakistan This comprehensive study traces the historical roots of this relationship examining the military's rise to prominence and its subsequent dominance in various spheres of Pakistani society Pasquale De Marco provides a nuanced analysis of the factors that have influenced civil military relations in Pakistan including the country's post colonial heritage geopolitical imperatives and internal security challenges The book explores the impact of military rule on Pakistan's political economic and social development highlighting both the successes and failures of this unique form of governance This insightful volume also examines the challenges and opportunities that lie ahead for civil military relations in Pakistan Pasquale De Marco discusses the need for democratic consolidation the role of the military in a democratic society and the importance of international cooperation in promoting stability and progress in the region Civil Military Relations in Pakistan is an essential resource for scholars policymakers and anyone interested in the complex dynamics of this critical relationship With rigorous research and insightful analysis Pasquale De Marco offers a comprehensive understanding of the historical political and social forces that have shaped this relationship making this book a valuable contribution to the study of Pakistan's political development If you like this book write a review on google books

Jinnah, Pakistan and Islamic Identity Akbar Ahmed, 2005-08-12 Every generation needs to reinterpret its great men of the past Akbar Ahmed by revealing Jinnah's human face alongside his heroic achievement both makes this statesman accessible to the current age and renders his greatness even clearer than before Four men shaped the end of British rule in India Nehru Gandhi Mountbatten and Jinnah We know a great deal about the first three but Mohammed Ali Jinnah the founder of Pakistan has mostly either been ignored or in the case of Richard Attenborough's hugely successful film about Gandhi portrayed as a cold megalomaniac bent on the bloody partition of India Akbar Ahmed's major study redresses the balance Drawing on history semiotics and cultural

anthropology as well as more conventional biographical techniques Akbar S Ahmad presents a rounded picture of the man and shows his relevance as contemporary Islam debates alternative forms of political leadership in a world dominated at least in the Western media by figures like Colonel Gadaffi and Saddam Hussein
